#### LOCAL AND MISCELLANEOUS.

-Oil market closed yesterday 991. -A large drove of fine looking sheep was driven through here this

-Misses Ida Ruff and Lizzie Immer of Pittsburgh are visiting Mrs. W. W. Hulings.

-Forest Shoup has gone to house keeping in Harvey Foreman's new house in the north ward.

-The blackberry crop, which will soon begin to ripen, will be a large one according to reports.

-J. W. Stroup is moving into the house lately vacated by Joseph Morgan, near Robinson's mill. -Miss May Sloan has returned

nome after an absence with friends in Pittsburg of several months. -The Sahbath Schools of this place are talking of another excursion to Chautauqua if satisfactory rates can be

secured. -Uncle Dan Harrington has resigned the postmastership of Setley, the infirmities of old age compelling

the step. -Quite a large number of our citizens took in the excursion to Niagara Falls yesterday, and of course report

a good time. -Mr. Nelson Percival of Stanton, Mich., visited the family of his uncle and aunt, Capt. and Mrs. D. S. Knox, during the week.

-United Presbyterian services will be held in the school house next Sabbath at 11 a. m., and 5 p. m., Rev. J. R. May officiating.

-Chas. Rossell has fitted up a new barber shop in the building next to P. M. Clark's residence, and is ready for business. Russell says talk is cheap, but if its a first class hair cut, shave or shampoo you're after just

-A Harrisburg dispatch says an impression has gone out over the cent session of the Legislature increasing the salaries of election officers, and many inquiries concerning it has been received at the State Department. The act never became a law.

ship, has leased the Lawrence House, and expects to take possession of the same next week. Mr. M. has the reputation of being a first lass gentleman in every respect, and will make a popular landlord. We welcome bim to our midst, and predict for him success.

- Although there has been considerable fine haying weather within the past few weeks, there is still a good deal of the crop yet out, owing to the farmers having to drop the hay and harvest their grain, which is now pret ty much all down. The yield is large and if it is all safely gathered, stock will not suffer for want of food.

-Dr. W. B. Roberts, the well known torpedo millionaire and prominent politician, died at his home in Titusville at 2:30 o'clock yesterday afternoon, after an illness of about two months, caused by impoverishment of the blood. It is believed that a cold contracted while at the inauguration in March was the primary cause. Titusville sustains an irreparable loss in the death of this publie spirited man, who took a deep interest in the city's welfare.

-About a month ago the people of Fryburg and vicinity were greatly stirred up over a dastardly act of cruelty perpetrated upon a fine young horse belonging to W. A. McKissick, of that place, mention of which we made at the time. The horse's ears were cut off, his tongue cut out, and the pext day, he was found with his throat cut. Mr. McKissick knew of no one he could suspect of the crime, and offered a reward of \$200 for his ROOFING A SPECIALTY, SPOUTING. discovery. Mr. J. H. McPherson, informs the Franklin News that while he was in Fryburg Friday a son of Mr. McKissick was arrested and taken before a Justice on a charge of yard. being the guilty party. The arrest was made by G. W. Stivison, a detective from Kittanning, who has been reactisfaction. Prompt attended and enough of the class work can be done for. the barbarity was perpetrated.

-E. E. Clapp, of President, was in town to-day, in his accustomed good health and philosophic frame of mind. This reminds us of a characteristic anecdote which we have recently heard. One time there was a heavy past week. rainfall in the forest country around President, and the resulting flood tore up or swept away property belonging to Mr. Clapp to the extent of several thousand dollars. A lady who was ready to console with him was surprised to see him taking things so calmly, and asked him how it was. "Madam," replied Ed., "you're a Methodist. My relatives were of the same persuasion; all my family traditions incline me toward that faith, and should I ever unite with any denomination it would be with that one. But I tell you that when anything like this flood comes tearing along and upsetting property and calculations, I find ing at Marienville last Sabbath. solid comfort in that old Presbyterian doctrine of foreordination, predestination, consternation, annihilation, botheration, or what-you-call-it."-Frank-

#### FROM NORTH CAROLINA.

After two months of wandering about through this State and its adsettled, under a broiling sun with an abundance of "yellow flys" and myrpany and remind me that I am not in Pennsylvania. We are truly in the heated term in every sense. The glass registering 98° steady, in the shade. Although this great heat, through the day, we have beautiful evenings and mornings, and one can keep fairly comfortable by proper care. greatest trouble is to secure sufficient ice to preserve our catables from day to day. Our logging is now finished for the season, and our mills close down on the thirty first of present month for sixty days. We still keep a large force in the swamps taking logs of 68. to the waters edge for security against fire during the dry season, which work

will last until Sept. 1st. Our Company is creeting large Mills here for the manufacture of "Excelsior", one of the articles used in packing; also in mattresses, to quite an extent. This material is made from the slabs and refuse of the mill, and is said to be the finest in the United States. It is very interesting to watch the process of manfacturing it. Our Order Book is already filled from the majority of the cities of the North. I predict for it great success.

I notice the crops and harvesting are about all done, and the Fall plowing in preparation. Fruit of all kinds is in abundance; the water melon is bere to gladden the hearts of all, both Lumbering in this section is closed for the season. Large ships are in transit North, with heavy cargoes of North Carolina pine, and the product of the | 850,000 whose life was lost at Johnstown. farms along Albemarle Sound, the After the flood his body was found down transportation of these products usually taking from three to five months, While this branch of business is in progress, labor is scarce in the swamps, and the Bible is highly prized by them. necessitating a sbut-down.

The Storm Season has passed, and with the exception of the great heat, the climate is beautiful in the extreme. singular feature of this country is, that on these July and August evethrough the night until day light. All of the feathered tribe that I have seen in this country are much different in size and plumage from our northern gine without steam; or a bird without birds; they are much larger and more wings; or a book agent without a tongue; beautiful. The deer also grow to a greater size, and are more easily captured. These swamps abound in

game,-bear, deer, fox, wild cat and dise for hunting. This section of North Carolina is

reaping the benefits of a lumber boom tianity. So some business men will get a at present, there being large parties of little trade anyhow, but unless he nevertimber buyers here from Baltimore and Philadelphia, looking up cypress "printer's ink," and the fate of business and pine tracts, which have heretofore failure may come upon him. been considered too far from water to be of any value, but the new method of railroading logs makes all available. On one of my trips South I tently insane. This species of insanity visited a mill which is sawing and does not often become violent, but in Mrs. planing 150,000 feet pine daily, and Hawk's case it had gone so far that she are under contract with an European firm for that amount for ten years, sisters to shut off the food supply, assertcutting timber from eight feet to eighty | ing that Christ would supply all nutrition feet in length. I have never seen any timber in Pennsylvania that will compare with North Carolina pine for length and uniformity of size, and Judea on the Sabbath, it indicates a disthe quality is unsurpassed for building purposes. From the reports of the Lumberman it is highly mentioned as mere touch or command. People who
