

REPUBLICAN TICKET.

STATE. For Treasurer, HENRY K. BOYER, Philadelphia. COUNTY. For Associate Judge, JOHN H. WHITE, Barnett Township. For Treasurer, A. M. DOUTT, Tionesta Borough. For Surveyor, J. F. PROPER, Tionesta Borough. For Coroner, DR. A. E. STONECIPHER, Jenks Township.

OUR TICKET.

The time is rapidly drawing near when the people of the great State of Pennsylvania will be called upon to cast their ballots for the candidates of their choice, and it is fitting that we should look for a moment into the merits of the different men who are asking the support of the people.

HENRY K. BOYER, the brilliant young statesman of Philadelphia, is the Republican candidate for State Treasurer. It is conceded on all hands that the party could not have made a wiser choice in the selection of a man to lead it to victory this fall. Mr. Boyer's four consecutive terms in the Legislature, the two last its Speaker, have shown him to be one of the brightest and most popular officers that body has ever held. In the trying place of Speaker of the House he has acquitted himself so well and given such universal satisfaction that he could undoubtedly be re-elected were he again to be a member, a compliment which would be unprecedented in the history of our State politics. That he will make the same honest and popular guardian of the State's finances there can be no question, and that he will "get there" scarcely admits of a doubt.

JOHN H. WHITE, of Barnett township, our candidate for the honorable position of Associate Judge, is a deserving man in all respects. He has been a hardworking man from his youth, and bears an excellent reputation as a citizen wherever known, and that includes about every section of the county. When the war broke out John shouldered his musket and was found at the front when the fighting commenced, where he remained for three years and nine months, excepting twelve months of this time which he spent in the awful rebel prison pens, from which he made his escape barefooted, almost naked, and about starved to death. John deserves well of his old comrades, and they will see that he is not forgotten on election day. That he will make an upright, fair and level-headed Judge no one who knows him will doubt, and that he will administer the law with impartiality and justice to all there isn't any question. He has the good sense and honesty to do so, and fair-minded, honest people want nothing more. He will go on the bench unbiased and unhampered, ready to do his duty without fear or favor. Mr. White's Republicanism is of the right stripe, and his party will do for him as he has done for it in many a hard-fought battle, give him a united and hearty support.

A. M. DOUTT, of Tionesta borough, our candidate for County Treasurer, is a young man chock full of energy and perseverance, a thorough gentleman, and in every respect worthy the confidence of the people and the Republican party, which will do itself proud in electing him to the office of Treasurer. Mr. Douth is well known in almost every section of the county, and in his canvass has impressed the people very favorably by his pleasant and gentlemanly bearing. During his residence among us he has built up a reputation for honesty, integrity and sobriety which would be an honor to any man; liberal hearted and generous, he has always contributed willingly to every good cause. Of his fitness for the responsible office to which he aspires there is not a question; he has every qualification for a good official and will make as popular and obliging an officer as the county has had for many years. Although always a staunch Republican he has never before asked his party for an office, and having received the nomination by a very flattering majority, he is entitled to and will receive the hearty and united support of the Republicans throughout the county. Elect Mr. Douth to the office of County Treasurer, and our word for it, the people will have no cause to regret the choice they made.

J. F. PROPER, of this place, our candidate for County Surveyor, needs

little introduction to the people of Forest County, where he was born and raised. Floyd is a first class surveyor, and will fill the office with signal ability. There is little or no money in the office, yet it is one of more than ordinary responsibility and should be filled by a capable man such as Mr. Proper is known to be. Give Floyd your hearty support; like Harrison, "he's all right."

DR. A. E. STONECIPHER, of Marienville, our candidate for Coroner, was persuaded, after the withdrawal of the regular candidate, to accept the place made vacant on the ticket, so that this is a clear case of the office seeking the man. Although comparatively a new man in our midst the doctor has gained a wonderful popularity in the community in which he has located, and where he has already built up a very flattering practice, which speaks well for him. He don't need the office for the money there is in it, but the office needs him because it wants a first class official, hence the Republicans will all give him their hearty support.

Our ticket from head to foot is an excellent one and deserving the best effort of the Republican party in its election. That it will go through with a magnificent majority all round we haven't a particle of doubt, and only over-confidence can defeat us. Let no Republican stay at home thinking his vote will not be needed. This is a dangerous thing to do, and must not occur. Vote the ticket straight and the result will be all right.

The feeling of security prevailing among Republicans throughout the State is to be greatly regretted. A common expression among Republicans is: "We have a walk-over." This is our greatest danger. Apathy—naturally consequent upon over-confidence—is more to be dreaded than open disaffection. Unless we change this current we are liable to wake up on November 6th and find ourselves in the minority. There is only one remedy now, and another hereafter. NOW—close, compact organization. HEREAFTER—getting the "stay-at-homes" to the polls on election day, as the result of "close organization." Any line of work which doesn't have one of these two objects in view is a waste of energy. We must do twice the amount of "hustling" this year that we do in a Presidential or gubernatorial year, when there are live issues to stir up the people.

THE President on Saturday last appointed General Green B. Raum of Illinois, to the vacancy caused by the resignation of Pension Commissioner Tanner. General Raum was for several years Commissioner of Internal Revenue, and made a popular and faithful officer. He is a prominent G. A. R. man, and his appointment, although somewhat of a surprise, gives splendid satisfaction, and calls forth a hearty endorsement from ex-Commissioner Tanner himself.

REPUBLICAN defeat in Pennsylvania in 1889 is possible from one cause only—over confidence—which necessarily breeds apathy. Our recent great majorities in this State are a source of danger in a campaign like this, as they are apt to make us relax our efforts. The Democrats have inaugurated and are prosecuting an effective "Still Hunt," and they hope to succeed through Republican over-confidence and indifference. To make success certain we must get down to the hardest kind of work. If we get the idea that this is an "Off Year," and base our efforts upon that conclusion, we may, frankly speaking, be badly "left."

REPUBLICANS! let our motto be: "Bring out the 'stay-at-home vote.'" We are not safe without it. The Democrats are carrying on an effective "still-hunt." We must not be caught napping.

ELECTION DAY is only a few days off. The time for argument has passed. The time for vote-getting is at hand. Republicans! don't be apathetic any longer! What is needed is work!

We must get down to work—and hard work—at once. While the outlook is favorable, yet the Democrats are strangely confident, and the indications are that they are carrying on a shrewd "still hunt." We cannot afford to be caught napping.

We are now on the home-stretch. Election day—November 5th—is only a few days off. Much work, imperatively necessary, remains to be done; the time in which to do it is very brief. Let us get down to solid work at once. The watchword of this campaign should be—"Get out the 'stay-at-home' vote!" Vote the straight Republican ticket!

General Hartranft Dead.

Gen. and ex-Gov. John Frederick Hartranft died at his home in Norristown, Pa., on Thursday last, aged 58 years. Gen. Hartranft was one of Pennsylvania's noblest specimens of humanity, and will be missed and mourned throughout the State as few others of leading soldiers and statesmen are. His health had been failing for about a year past, and but recently he had been obliged to withdraw from the Cherokee Commission and take a sea voyage for the purpose of recuperating. He returned no better than when he sailed.

During the war he made a brilliant

record as a brave and able soldier, going out as a Colonel and returning at the close of the war as a Major General, to which place he was promoted for conspicuous gallantry. He was twice elected Auditor General of the State, and twice Governor. A brave and good man gone.

She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured.
