cause in which she is engaged. THIRD DAY, JAN. 1, 1890.

Morning session opened at 9:15. Responsive reading; singing by Institute; prayer by Rev. Feitt of Tionesta twp. Prof. Wheeler gave a lesson in music, oc cupying 45 minutes, teaching the dot and its effects. Miss Lily Fisk of Stoneham. presiding at the organ. Prof. Wheeler thinks every teacher should pass a musical examination, (the Prof. never taught a public school). Rev. Feitt, gave a short talk on "Moral instruction essential to education," Supt. Pearsall continued his instructions on "Plan of school work," orging the necessity of a regular order of studies, and of giving a special lesson occasionally, reading from newspapers, &c.

Institute called to order at 11:15. Prof. Himes took up the subject of grammar, which he discussed at some length. He placed the outline of his work on the board and called it the "productive method." His talk was interesting and important.

Wednesday, P. M., Institute opened a 1:45; singing by Institute. Prof. Pearsall occupied 45 minutes giving instructions in geography. Prof. Himes then took up the subject of grammar, occupying onehalf hour. Recess.

Institute came to order at 3:15, exercises and very much more in music being first in order. With Miss progress of the pupils, the holidays here, have returned to Fisk at the organ and Mr. Wheeler leading in the singing, the exercise was made very interesting and instructive. At 3:45 Vice President Ware occupied the chair, President Kerr going to meet Col. Copeland of Harrisburg, Pa., the lecturer for the evening. Prof. Himes continued his instructions in grammar, taking up the "infinitives;" he gave a very clear explanation of this subject. Col. Copeland having arrived, was in

troduced and spoke a few pleasant words of greeting. He gave a very graphic and amusing account of the school-hous where he went to school when a boy.

On account of the G. A. R. installment of officers the Wednesday evening exercises began at 7:15. Long before this hour arrived the Court House was well filled. First on the program was a solo by Prot. Wheeler, Mrs. Dr. Cook of Buffalo, acting as accompanist, Col. Copeland then delivered his famous lecture entitled "Snobs and Snobbery," keeping the audience in a roar of laughter for more than an hour,

After the lecture Capt. Stow Post pro ceeded to install their officers for the coming year, a performance new to many of the teachers who were present. The installation was followed by a "Camp-fire," the veterans responding to the call of their comrades by giving interesting bits of experience on the field.

FOURTH DAY.

Thursday's session opened with usual reading of scriptural selections, interspersed with singing by the Institute, prayer by Prof. Pearsall. Lesson on "Civil Government," Prof. Pearsall occupying 45 minutes in giving a clear and concise explanation of the different heads of government. Prof. Wheeler, assisted by Miss Fisk, then devoted one-half hour to the study of music. Roll call by Supt. Kerr, No. present, 79. Institute came to order at 10:50 A. M. Mr. Ware took up the subject of reading, announcing in the beginning that he had no "fine spun" theories to bring before the teachers, but a few plain, practical thoughts that could be utilized in the school-room.

The election of the "committee on permanent certificates" took place, with the Times has all the facilities of advanced journalism for gathering news from all W. Ware, Miss Aggie Kerr, E. P. Will-

Institute coming to order at 1:45, Mr.

It in full force and worked valiantly, but the greatest pleasure by sleigh-riding ing year, the teacher not to expend more than \$3 in money in such improvement," Singing by Institute, followed by recess,

Institute called to order, Supt. Pearsall concluded his remarks on Civil Government. In conclusion he impressed upon the teachers the value of putting interest

and enthusiasm in their work.

Thursday evening the large crowd in the Court House was highly entertained. Prof. Wheeler assisted by Mrs. Dr. Cook, sang a solo entitled "Marguerite." Col. Copeland then lectured on "What's to Hinder," a very amusing as well as in-structive lecture. By request Mr. Wheel-er then sang "Old Black Joe." FRIDAY.

The last session of the Institute opened at 9:30 with the usual opening exercises Prayer by Mr. Ware. Miss Kate Guen ther read a very interesting paper entitled "Have confidence in the children." Committee on permanent certificates re-ported as follows: Prof. F. W. Ware,

ported as follows: Prof. F. W. Ware, President; Prof. W. J. Bloomfield, See'y, An examination to be field April 4, 1899. All communications to be addressed to

The committee on resolutions reported and the resolutions were adopted singly as read. Prof. S. D. Owen of Pittaburgh, Pa., talked a few moments before the Institute, urging the cultivation of the assithetic and moral, as well as the mental development of the children of our schools. Prof. L. I. Himes then spoke a few mo-ments, praising the work of the Supt. directors, and teachers, bidding good-by-to the Institute in general. Prof. Wheeler sang a solo entitled "Old Black Joe," after which, amid a general hand-shaking the Institute adjourned for one year.

RESOLUTIONS.

WHEREAS, in the Providence of Almighty God, Dr. E. E. Higher, our late and most efficient State Supt, of Public

Instruction, has been removed from labor

to reward, and Whereas, In his life he set a most exemplary Christian example, and by his

energetic work he has raised the standard of education in our State, therefore, Resolved, That we, the teachers of Forest Co., in convention assembled, extend to the family, so suddenly bereft of a faithful and loving husband, a kind and

indulgent father, our heartfelt sympathy; further. Resolved, That, while we understand not the dispensations of Providence, we realize that the schools of the State have lost a very efficient official, and that the teachers will miss one who has ever been an inspiration to them in their work, and a sympathizing friend in all their troubles. WHEREAS. We have been very cordially

welcomed, been highly entertained and profitably instructed during the present Resolved, That, as an Institute, we heartily thank one and all for the masterly and attractive way in which they have presented their several and varied subjects

Resolved, That we will make greater efforts for our schools' advancement, and endeavor to raise the standard of educa-

tion throughout our County. WHEREAS, In many of the Townships of Forest Co. the school-year is divided into two terms, and, as such division tends to weaken the efficient work of the teach er and to lessen his wages, therefore

Resolved, That we, the teachers of Forest Co., do urge upon the directors of the several Townships the necessity of making a continuous term of the school-year, that they may obtain the oest results for the money expended, as well as making it much more satisfactory to the teachers, much more conductve to the

THE NEWS OF THE WORLD,-The the quarters of the Globe, in addition to that of the Associated Press, now covering After a short talk on "Methods" by
Prof. Himes, the Institute adjourned until est space.

THE SUNDDY EAITION is not only a complete newspaper, but a Magazine of Popular Literature. Its sixteen large pages, clearly printed and attractively itby the foremost writers of the world, as ustrated, contain as much good literature, any of the popular monthlies. Some of the newspapers in New York, Boston and Chicago print a greater number of pages udon Sunday, but these are for the most part occupied with advertisements. The merchants in those cities concentrate nearly all their advertising in the Sunday papers, while in Philadelphia they have found it more advantageous to advertise

on week days as well. CONTRIBUTORS to the Sunday edition of The Times include many of the fore-most names in contemporary literature, most names in contemporary literature, both American and European. Its contents cover the whole field of human interest with all that is freshest and best in Politics, Fiction, Literature, Poetry, Science, Art, Society, Drama, Fashion, Music, the Household, Humor, Labor, Sport, Athletics, Chess, Racing, Yachting, Rowing, Cricket, Base Ball, Foot-Ball, &c., &c.

OUR BOYS AND GIRLS. - No other newspaper gives the same careful atten-tion to the needs and tastes of young readers. The page devoted especially to them commands the services of the best writers and is edited with scrupulous care, with the aim of making it entertaining and instructive and helpful to the sound education as well as to the pure amus ment of both big and little boys and girls.

THE ILLUSTRATIONS of The Times are recognized as the very best printed in any daily newspaper, and, with the ele-gance of typography for which The Times is noted, add to its popularity among all classes of readers.

THE TIMES aims to have the largest circulation by deserving it, and claims that it is unsurpassed in all the essentials of a great metropolitan newspaper,
