

THE death of the Dowager Empress Augusta, wife of the late Emperor William of Prussia, occurred on the 7th inst.

HON. A. W. SMILEY, who has twice represented Clarion county in the lower house of the legislature, is talked of as a candidate for the Democratic nomination for State Senator from this district.

SENATOR MORGAN'S proposition to send the negroes back to Africa because they came from there originally, develops a principle which might work peculiarly if applied to the Senator's own race.

HON. WILLIAM DARRAGH KELLEY, the "father of the House," died at six o'clock on the evening of the 10th inst., at his house in Washington, D. C., of cancer.

Straight Temperance.

Some time ago it was announced that a call would be issued soon for a State meeting of the non-partisan W. C. T. U. of Pennsylvania in Philadelphia.

"A crisis in the progress of woman's Christian temperance work has come, which makes it necessary for the temperance women of Pennsylvania who are opposed to the partisan policy of the National W. C. T. U. to meet in conference, to unite and decide upon their future action.

WASHINGTON LETTER.

From our regular Correspondent. WASHINGTON, Jan. 10, 1890. Senator Edmunds, in a five minute speech effectively took the color out of a lurid speech delivered by Senator Voorhees in favor of a resolution offered by him calling upon the Attorney-General for information as to whether the U. S. District Attorney at Indianapolis had acted under orders from the department of Justice in the matter of refusing to sanction the issuing of a warrant for the arrest of Col. W. W. Dudley during his recent visit to Indianapolis.

The Senate committee on the World's Fair gave hearings to representatives of all the cities interested in this work. St. Louis and Washington have already been heard and tomorrow Chicago and New York will have their say.

Justice Brewer seemed thoroughly at home on the bench of the Supreme Court when he took his seat for the first time Monday.

Speaker Reed and Representative Cannon, in accordance with a resolution of the House, went to ex-Speaker Randall's house, and administered the oath of office to him, he not having been able to occupy his seat in the House at this session up to this time on account of his bad health.

A SPLENDID OPPORTUNITY.

Our combination with the Philadelphia Weekly Press affords an opportunity for obtaining an immense amount of reading at a very trifling cost. By this arrangement we are enabled to furnish both the Republic and the Weekly Press at the very low price of \$1.75.
