GOVERNOR BEAVER, in his proclamation fixing Arbor Day, speaks of himself as, "I, James A. Beaver, Governor of, etc." Our worthy executive while writing his proclamation was probably thinking of the menagerie of the political circus of '92.

TO SEND a Congressman to Washington for a single term is an injustice both to the man and his constituency, shrieks the *Blizzard*, and that's so, unless he be a Democrat, in which case one term is a great plenty, and he should, after that, be thoroughly left at home in every respect.

GOV. HILL has appointed Major General Daniel E. Sikes, Sheriff of the city and county of New York, vice James A. Flack, removed for gross misconduct of his high office. Although the General succeeded to the great fortune of his late father, G. G. Sikes, and is to-day among the wealthy men of New York, the \$100,000 income, yearly, of the Sheriff's office, will not come amiss.

We publish this week the text of the Service Pension Bill, which has the sanction of the boys in blue of Pennsylvania, and which should become a law speedily. With this bill enacted into a law the soldiers would be taken out of politics, and there would be an end of the strife and howl which comes up at every recurring State and National convention. The proposition is a just one and there ought to be no hesitancy about passing it.

ILLINOIS has a compulsory school law that has been in successful operation for a number of years. It requires the attendance of all children between the ages of seven and fourteen and that they be taught in the language in which the laws and literature of the country are embodied. A compulsory school law ought to be in operation in this State. It may not be necessary in Harrisburg, but there are many districts in the State where it is, and where little children are made to work when they ought to be at school.—*Harrisburg Telegraph*. Had the *Telegraph* substituted "allowed to loaf" for "made to work" it would have struck the situation more closely in this as well as many other communities.

Pennsylvania Service Pension Bill.

AN ACT granting Service, Per Diem, Widows and Soldier's Orphan Pensions, and providing means for the payment thereof; applying the precedents of all other wars of the United States to the soldiers of the war of the rebellion; and to redeem the promises made to the soldiers when they enlisted.

SECTION 1.—That every soldier, sailor or marine, whether officer or private, who enlisted and was sworn into the military, naval or marine service of the United States in the war for the suppression of the rebellion and who was honorably discharged therefrom, shall from and after the passage of this act receive a service pension of eight dollars per month, and in addition thereto a per diem service pension of one cent a day for every day's service shall be added monthly to the eight dollars per month herebefore provided; it being the meaning hereof, that every soldier, sailor or marine as before specified, shall receive a pension under this act as follows:

For 1 day's service, \$8.01 per month.
For 30 day's service, \$8.30 per month.
For 90 day's service, \$8.59 per month.
For 1 year's service, \$11.55 per month.

And so proportionately for whatever number of day's service was rendered.

SECTION 2.—The provisions of this act shall not in any manner interfere with any pension now being received, but shall be in addition thereto; nor shall it in any manner interfere with the right to any increase, re-rating or other right now had under the pension laws in force before and at the passing of this act.

SECTION 3.—The limitation of claims for arrearages of pensions is hereby repealed.

SECTION 4.—That the army, navy and marine service rolls and an honorable discharge therefrom shall be the only evidence required to entitle any living soldier to the service and per diem pensions granted by this act; and the Commissioner of Pensions is hereby directed to formulate such rules for the identification of such living soldiers as may be necessary; and the Secretary of War and the Secretary of the Interior are hereby authorized and directed to increase their clerical forces to the extent necessary so that within one year from the passage of this act every soldier entitled to a pension under its provisions shall be in receipt of the same; and the money necessary to pay for such additional clerical force is hereby appropriated from any money in the United States Treasury not otherwise appropriated.

SECTION 5.—In case of the death of any soldier who is drawing or has drawn a pension under this or any other law of the United States, no matter what the cause of death, the widow of said soldier while she remains such widow shall be entitled to the widow's pension of twelve dollars per month; and any minor child or children of any dead soldier shall be allowed the sum of five dollars per month each until such child or children attain the age of eighteen years; and those widows who were regularly employed as army nurses, shall receive a pension of twenty-five dollars per month.

SECTION 6.—That there shall be appropriated from the annual revenues a sufficient sum to pay the amounts due under this act; and if the surplus revenues are not sufficient to pay the amounts hereby appropriated, then the Secretary of the Treasury is hereby authorized and directed to have issued annually, full legal tender paper money of the United States of America, and bearing on its face the title, "Pension Money of the United States of America," in sufficient quantity to pay the deficit; and all penalties for counterfeiting and all provisions for renewing any mutilated or worn out United States paper money shall apply to the pension money hereby created.

The above is the Bill approved by the Pennsylvania Service Pension Association. Address all correspondence to the Chairman, T. P. RYDNER, Chairman, Millersburg, Pa.
