-The Germantown Republican thus describes the hard lot of the country editor: "He riseth in the morning and knoweth not what a day may bring forth. If he telleth all the news he runneth a great risk of baving a tin ear put on him, and if he telleth not the news the people say he is n. g., and there is no joy in it. The crafty man cajoleth him into giving him a 50-cent puff for a 5-cent eigar, and fond moth ers frown on him if he fails to flatter their freekled-faced broods. And all his ways are ways of woe, and his days are full of sorrow. The life insurance man setteth spares for him, and on the whole he hath a deuce of a time."

-One of the most unique, hand- and Kellettville were in town on Frisome and instructive little publications day. that has come under our notice for many a day is entitled, "Nisgara Falls the house owned by Judd Clark. Sketch Book, with a Glimpse at Chautauqua Lake," published by Mr. S. B. Newton, the very efficient Excursion Buffalo, N. Y. It contains some here. eighty-odd pages of reading matter, all profusely illustrated by the finest of engravings covering the points mentioned and their environments, making it one of the pleasantest companions to the traveler or excursionist had for the asking, and is gotten up for free distribution. Call on the regular ticket agents of the company and

-A correspondent writing from Brookston says that business there is ing to pay Miss Lizzie Randall a visit, quite brisk. The bark peeling season who is attending the conservatory of is opening and emigration to the hemlocks is lively. There is considerable travel and traffic over the T. V. R. R. Considerable activity has been infused into the old oil field at Donaldson's by the well found there by the Morck Bros., of Warren, last week. They were hunting for the second sand oil, rickety walk with a bran, splinter new but on finding the sand failed to find the oil and concluded to go on to the third sand, when a well was found good for something near 100 barrels. Sheffield improves and has more business than ever. Henry's Mill, which once was quite a place, is now only a memory of what once was. Barnes, (Lower Sheffield) presents more appearance of improvement than for some time past. Mr. Berkheimer, who keeps a store at Barnes, was au Oklahoma boomer. He entered the territory, secured a good claim, but growing homesick one day, just quit and the Illinois Central R. R., 124 miles dicame back East.

-Perhaps the most terriffic hurricane that ever visited that section, passed over the eastern and southern portions of Venaugo county on Saturday evening last. The track of the storm was scarcely 25 rads wide in many places. The storm struck near Hendersonville and traveled in a storm crossed the river near East Sandy and passed through a portion barns, fences and trees wherever it swooped down low enough. In Victory Jackson. The family consisted of in age from 13 months to 12 years. were instantly killed by the crashing timbers. The little ones were in the house at the time. In Rockland township the dwelling and barn of Wm. Nunemaker were torn to atoms, and two of the children were so badly injured that their lives are despaired of. Other families were sorely afflicted by the total loss of buildings and property, and many miraculous escapes are reported.

Mother Goose.

Members of the M. E. Sunday School, under the direction of their Superintendent, will produce at Landers' Hall, on Tuesday evening, May 20, the great moral serio comic and instructive fautasia, "Mother Goose and Family," for the benefit of the Sunday School. It is certainly the \$10 per acre; also, there is quite a quantity attraction of the season, and will fill the house to overflowing. Admission 20 cents; children half-price; reserved seats 25. Secure seats in advance to main, ensure an hour of pleasure and improvement. See small bills.

where skeeters, gators, niggers and yaller mules abound, I take this perspiring moment to address you. Well, I am located in Lincoln county, Mississippi, on line of rectly North of New Orleans, and 54 miles here in the interest of a Chicago company, manufacturing exclusively long leaf yelof all lengths and sizes, which is all shipped by rail to Chicago, Duluth, Sioux City, and various points in northern Iowa; also to Wheeling, West Va., Cleveland, Buffalo, and many other places in the north and

This plant consists of one heavy circular northeasterly direction, leaving death mill, gang edger, lumber trimmer, 16x24 and destruction in its wake. The engine, two large tubular boilers, and all appliances for a first class mill of 40,000 feet capacity per day. Also in connection we have three large dry klins and three planers and matchers, machine shop, blacksmith and carpenter shop. Our log hauling is done with two Climax engines, each hauling five logging cars. This company owns 50,000 acres of long leaf yellow pine timbered land in this State, and fraction over one dollar per acro 4 years ago. Next year they intend building another mill with a capacity of 150,000 feet daily.

The great drawback to lumbering here is the labor, which consists of negroes, a quarter section of hee cake, some sorghum, and several flies to each nigger, the flies doing the work. Common colored labor commands one dollar per day and eat buying their grub from the commissary attached to each lumber plant. The first month the nigger has the commissary, and about the second month the commissary has the nigger. Their dwellings, or compromise between a second hand shingle shanty and a crockery crate. The cliwith little labor; strawberries are plenty, and blackberries about half grown, and the glorious "watermillion" will be here in June. The cotton plant is about 4 inches high and looking well. Land can be of Government timber land here open for homestead and soldier claims, which is being taken up fast. Hoping this has not exhausted your patience in reading, I re-

NEWSY NOTES.

ny circuses have been organized to prey on the public during the present season, John Cullen, a young boy while stealing a ride on the cars in the Titusville yard last Saturday was run over and in-

stantly killed. Rev. Father Koch, for 30 years pastor of the Catholic Church at Lucinda, died May 4 in Michigan, to which State he had gone

Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and and never disappoints. Coughs, Colds, 4 in Michigan, to which State he had gone in the hope of benefitting his health.

Though eleven months have elapsed since the Johnstown disaster, the work of searching for the missing dead is yet progressing. A large force of nien are employed.

By the annual report of the State Superintendent of Public Instruction it appears that there are, in round numbers, 24,000 teachers in Pennsylvania, of whom 16,000 are males and 8,000 females. During BROOMBAUGH-BYERS.—In Tionesta the year 547 school buildings have been

was expended upon school property. About fifteen years ago the citizens of Meadville raised nearly twenty thousand dollars and gave it to the A. & G. W. Railroad as a present, to induce them to enlarge their shops and keep, them at this place, instead of taking them to Kent, as was proposed. Is there a man in Meadville who hasn't got his money back, with inter-

est? The moral is easy to draw .- Guzette. Edward Bellamy, the author of Looking Backward, in accepting an invitation to lecture at the Chautauqua Assembly next Summer, wrote as follows concerning compensation: "As for remuneration. don't want any for talking on this subject (social theories), but as I have not made the fortune out of Looking Backward, which the papers credit me with, I shall

The postoffice authorities have requested that all letters intended for the State of Washington be addressed "State of Washington," as otherwise they will probably go to Washington, D. C., and cause delay. When the bill for the admission into the Union of Washington territory was under discussion in congress it was proposed to change the name of the new State to Tacoma in order to guard against the very con fusion that has risen. The idea was not usion that has risen. The tion ollowed out and the result is that letters of State must either be intended for the new State must either be inscribed with the long title, or clae they must run the risk of being delayed,
