

REPUBLICAN TICKET.

JUDICIARY. President Judge, SAMUEL D. IRWIN, Tionesta Borough. Associate Judge, C. W. CLARK, Tionesta Township. COUNTY. State Senate, HARRY R. WILSON, Clarion. (Subject to decision of District Conference.) Assembly, S. S. TOWLER, Jenks. Prothonotary, CALVIN M. ARNER, Tionesta Borough. Sheriff, JOHN R. OSGOOD, Kingsley. County Commissioner, JAMES MCINTYRE, Harmony. C. F. LEDEBUR, Green. County Auditor, T. B. COBB, Tionesta Borough. W. W. THOMAS, Tionesta Township. Jury Commissioner, J. N. HEATH, Kingsley.

A Card from Dr. Towler.

To the Republican Voters of Forest Co. GENTLEMEN:—A majority has honored me with the nomination for Assembly and for this I return my thanks. I assure you that the same sized hat fits my head to-day as yesterday, for I am conscious that I owe this nomination to the efforts of my friends and not to any personal efforts or ability. Those who voted for Judge Cook or Mr. Blocher did as they had a perfect right to do and now let's all be friends and helpers in a common cause for the whole ticket.

Very Respectfully, S. S. TOWLER.

The Republican Primaries.

After one of the most spirited contests that ever took place in this county at a primary election, the Republicans have made the choice of one of the best and most evenly distributed tickets that has been nominated for a long time. The fight, while warm and hotly contested on every inch of ground, was comparatively free from acrimony and bitterness, for one in which the vote on the main questions was so close. The vote was the largest by upward of 200 that the party has ever polled, and reports from all sections are to the effect that it was exceptionally free from anything that looked like fraud.

The Return Judges from the different precincts were all in their seats in good season Tuesday afternoon and were promptly called to order by Chairman Sigworth, when the work of computing the returns was begun, Jas. T. Brennan and H. C. Whittekin being elected Secretaries. Upon the completion of the count it was found that the following gentlemen had been successful, and they were duly declared the nominees of the party:

President Judge, Samuel D. Irwin, of Tionesta Borough. State Senate, Harry R. Wilson, of Clarion. Assembly, Dr. S. S. Towler, Jenks twp. Associate Judge, C. W. Clark, Tionesta twp. Prothonotary, C. M. Arner, Tionesta. Sheriff, John R. Osgood, Kingsley twp. County Commissioners, James McIntyre, Harmony; C. F. Ledebur, Green. Auditors, T. B. Cobb, Borough; W. W. Thomas, Tionesta twp. Jury Commissioner, J. N. Heath, Kingsley twp. State Delegate, Jas. D. Davis, Tionesta.

Motions were made and carried allowing the candidates for Congress, State Senate and President Judge to select their own preferences. On motion the Delegate to the State Convention was instructed to support Hon. Charles W. Stone for Governor as long as he is a candidate, and then to support the candidate having the next highest number of votes. For Chairman of the County Committee for the ensuing year, the names of J. C. Scowden and A. M. Douth were submitted. Mr. Scowden was elected.

This completing the work of the convention, a motion to adjourn prevailed, the deliberations having been very harmonious and orderly.

Of the ticket individually we have not the time or space to speak at this time, but will take pleasure in doing so in the future; suffice it to say, it is one which will command the full strength of the party in the fall, there being not a weak spot in it from top

to bottom. It gives very general satisfaction, and that it will be elected by a rousing majority goes without saying. The defeated candidates, as a rule, take their loss with much better grace than is usual on such occasions. Had the result been otherwise we still could have said "the ticket is a splendid one," as all the candidates were representative and worthy men, who would have commanded the earnest support of the party. Let us all put our shoulders to the wheel from this on, and we'll win handsomely.

WALLACE Democrats are doing their utmost to make it appear that the Republicans are anxious that Robert E. Pattison shall get the Democratic nomination for Governor, while Pattison Democrats complain that Senator Quay is interesting himself in some of the counties to secure the election of delegates favorable to William A. Wallace. This is certainly very naughty on the part of Senator Quay, but as he has generally had very good luck in party management the esteemed enemy ought not to be greatly put out if he has concluded to interest himself in their affairs. They have long needed somebody to tell them what to do. But it is not wise to believe all the stories that are told, particularly in the heated season. Republicans may have their opinions of the relative strength of Democratic candidates, but there is no Democrat in the State strong enough to do the Republican party so much injury as it may do itself.

In view of the boast made by Senator Wallace and his friends a few weeks ago, that they could land the Democratic nomination for Governor without any support from Philadelphia, their recent efforts to capture some of the Philadelphia delegates look like something of a giveaway. The man who expects to get the nomination, however, is not likely to disdain anybody's support.

RICHMOND now possesses a splendid monument in honor of the great soldier who led the "Lost Cause." And some day New York may count among her treasures a monument to the man who received Lee's sword at Appomattox. But let us not be too hopeful.

OUR able contemporary, the New York World, is not sufficiently accurate in its statement that "a coffin trust is the latest product of monopoly." It should have said that a coffin trust is the very last that concerns mankind.

Pennsylvania Roads.

The following circular, which fully explains itself, will shortly be distributed throughout the State, and as you are liable to receive one, it would be well to study it and be prepared to give your views:

ROAD COMMISSION OF PENNSYLVANIA. My Dear Sir—The Road Commission being anxious to ascertain the views of the citizens of the Commonwealth upon subjects suggested, the Commission submit and respectfully request answers to the following interrogatories:

First. Are you in favor of abolishing the present system of working out road taxes and paying a cash tax instead? Answer—

Second. Do you favor State aid to public roads? Answer—

Third. If so, how shall it be distributed to the townships or counties? Answer—

How shall the amount be ascertained, by valuation of assessable property, number of inhabitants, road mileage or otherwise? Answer—

Fourth. Are you in favor of supervisors serving without compensation, the same as school directors, whose duty shall be the assessment of taxes and appointment of road overseers to have charge of the work? Answer—

Fifth. How shall roads be superintended and controlled—by State, county or township supervisors or engineers? Answer—

And shall the State aid, if any, be handled the same as local taxes? Answer—

Sixth. Is your county an agricultural, manufacturing or mining county? Answer—

Seventh. Is the stone in your county suitable for road building? Answer—

Eighth. Are you in favor of authorizing townships to borrow money for road purposes? Answer—

Ninth. Are you in favor of convict labor on public roads? Answer—

Give your views upon any other points you desire pertaining to road laws and road construction and maintenance.

A. D. HARLAN, Chairman. CHARLES F. EYELA, Secretary.

Please return interrogatories when answered to Charles F. Eytla, Secretary, 1395 Locust St., Phila., Pa.
