The convention of the W. C. T. U. of this county, held in the M. E. Church last Wednesday and Thursday, was well represented by delegates from all over the county. The exercises were much enjoyed by those who attended, and the proceedings were interesting and entertaining throughout. Miss Moore's lectures were among the most interesting features, she being perhaps the best lecturer the cause has yet had in this section. At the close of the convention the following resolutions were unanimously adopted :

In humble dependence upon God and thankful acknowledgement of his protect-ing care, and with gratitude to Him for the success with which He has crowned our efforts for the suppression of the legal-ized liquor traffic in our County, we, the W. C. T. U. of Forest County, *Resolve*,
