- Rev. McAninch departed Monday for Manhattan, Kansas, to pay a three weeks' visit to his parents, whom he has not seen for some time. In consequence of his absence there will be no services in the Presbyterian church till two weeks from next Sabbath.

-Grove Bros., on the Clark place, Hunter Run, stopped the drill at 860 feet, and although they got a nice few dollars we now receive as at least little streak of gas, found no oil to speak of. -A short time ago Mr. James Walters, of Newmansville, father of Charlie Walters of this place, was struck in the eye by a piece of rye head while threshing, which caused considerable soreness, but was not thought to be serious. Forest County's Population.

At last we are able to give the official figures of Forest county's population, according to the census just taken. These figures show the population to be 8,447. The census of 1880 gave our county 4,385, thus showing a gain of nearly double, or almost one hundred per cent, which is surely a gratifying exhibit. The official figures of the different townships are not vet at hand, but it is safe to say that Jenks will show the largest gain, with Howe, Kingsley, Green, Hickory, Barnett, Harmony, Tionesta borough and Tionesta township following in the order named. All these districts have made substantial gains and none of them need feel ashamed of their showing. We expect shortly to be able to give the population complete by townships.

Straight Facts for Old Soldiers.

ED. REPUBLICAN: -

Permit your correspondent to call the attention of your many readers to a few facts relative to the present political crisis. Almost every mail brings us Democratic speeches, circulars, &c., in which the Republicao party is severely criticised for betraying the ex soldier, &c. Now so far as these promises made to us are concerned, we must admit have not been fully carried out in some particulars, but in a general way we were not forgotten in past legislation. We know of no accusations in keeping with recent past principles and positious taken by the Democratic leaders in matters referring to the soldiers? Where in all their past history is there a single act of these leaders that even reflects a shadow of encouragement to us that they are our friends politically? If there is never another act or bill considered in our Legislature or in Congress to alleviate the sufferings of the old soldier, his widow and orphans, and if our names and interests are henceforth to be a hiss and by-word in our rich and prosperous land, we must now and forever admit that every general act now upon the statutes of our redeemed country bringing to us the more orderly one. general acts became laws against the majority votes of the Democratic leaders. Did you ever think of this? Are these things not worthy of a place in our minds when we are about to choose our officials for the future terms?
