LOCAL AND MISCELLANEOUS.

-Oil market closed yesterday 761. -Mr. G. Hog's prognostics seem to be o. k. thus far.

-Jas. Coegrove, of Barnett, gave us a pleasant call yesterday.

-The recently burned mill of Wheeler & Dusenbury, at Stowtown, is being rebuilt.

of Kingsley, dropped into the sanctum yesterday to say "how de do."

-A Warren paper says that Mr. and Mrs. L. R. Freeman are moving to Haverford, Pa., near Philadelphia.

-This was about as cold a morning as we've had this winter, and occasional glimpses of the sun didn't seem to warm up the atmosphere much either.

-Andrew Wolf, of Wolf's Corners, is selling out his stock of Dry Goods, Notions, Clothing, Ladies' and Gent's Underwear, Jewelry, Whips, &c., at about cost, to make room for spring

-A meeting of the directors of the New York and Peopsylvania base ball league was held at Meadville recently. An effort will be made to bring Oil City and some other towns into the league the coming season. 'Smatter of Tionesta jining.

-Friends of the family have received word of the death of Miss Maggie Brownlee, well and favorably known to our older class of citizens, which occurred recently, at her home in Kansas. We are without fuller particulars at this time.

-"I have found out a gift for my fair." Naturally it may be supposed it is a flower for her hair, a diamond for her finger, or a box of candy, but it is far better than these. It is a bot. tle of that famous Salvation Oil to cure her neuralgia, pretty dear.

-Monday was groundhog day and the sun shone a greater part of the time. As all signs fail in bad weather, so also, as a reasonable sequence, Tionesta, Forest County Pa. ought all signs hold good in good weather, and we may therefore look for six weeks more of winter. Let's

> -Mr. W. H. Stright of Hickory, called Monday. He has finished his contract of sawing for Collins & Henderson, on Queen, and, as will be seen by notice in this issue, offers his portable mill, with all appurtenances, for sale. Here might be a bargain for

> -A new ad, from David Mintz, of the People's Store, Marienville, came too late for insertion this week, but will appear in our next. In the meantime David is making a great slaughter in prices, and those wishing anything in his line should call and take advantage of his cut in prices.

-One of my children having had a severe case of whooping cough I was induced to try Dr. Bull's Cough Syrup, the child was entirely cured by the ground, his face striking on the ice, use of two bottles. In view of the above, I deem it a pleasure to forward this testimonial of it's efficacy. James Nason of this place, were summoned, Buckley, 1936 Lombard St., Philadel- and upon examination found that no phia, Pa.

East Hickory, yesterday and gave and shoulder. The wounds were propthe REPUBLICAN a pleasant call. He erly dressed, and his physicians think reports things around Stowtown as he will be able to resume work in a rather quiet since the burning of short time, the mill, but says that preparations are making for the rebuilding of the same, and business will be brisk when spring opens.

-The oil report of the Pennsylvania raise a certain portion by private subfield for the mouth of January shows scription, and the borough to put up as follows: Completed wells 310, production 13,364, which is a decrease in number of completed in the December St. Commissioner Brownell, after a report of 38, but an increase of 4,908 over the production of the same month. weather, and whatnot, built several There is also a decrease of 50 in the rods of street with broken stone, and number of drilling wells and rigs up the wear which that piece of road has

county for the past year appears to. of the products of his tanneries. day, and presents the usual good speak, but the work is there to speak for itself, and a most substantial piece of architecture it is, too. The wiping out of this expense, however, will be so casily accomplished as to be scarcely felt by the general taxpayer. If the affairs of the county are always as carefully managed as they have been heretofore, no reasonable person will complain.

-County Auditor "Dick" Flynn met with an accident on Monday forenoon last, which for a time was considered a very serious one. He was taking out logs for Whiteman & Bauer, a short distance above Newtown Mills, and was felling a tree which struck a dry sapling about six inches in diameter. Dick saw the sapling coming for him and started to run out of the way, but the top of it caught him on the left shoulder knocking him to the rendering him unconcious for over an hour. Drs. Weber of Hickory, and bones were broken, although he was -Harvey Lynch was down from pretty badly bruised about the head

-A stone crusher! That's the stuff! A subscription paper is being circulated for the purpose of getting one for the borough's use. The plan is to for the balance. Surely this is a move in the right direction. Two years ago good deal vexation, opposition, bad stood up under since, is an indisputa-

-Wm. Swartz, the man whom we -- A regular hot-weather storm, acreported as having been so severely companied by terriffic thunder, lightscalded (we erroneously called him ning, wind and rain, passed over this Bean) at the extract works, at Marien | section last Thursday evening, about ville, on the 17th ult., died of his in- 10 o'clock. No great damage was juries on Monday of last week, and his done in this immediate vicinity, but remains were conveyed through here down through Venango county it to Titusville, his former home, on played sad havoc among barns, fences, Tuesday. This is the second fatality oil rigs, &c., resulting in considerable of the kind happening within six loss. For the 29.5 of January, in the year of grace, '91, it was perhaps -Four years ago when R. M. Mat. the worst thunder and lightning storm

-This place was named after the with the postoffice department he over- widow of Col. John D. Hunt, who paid the government one cent, and on died some years ago. Mrs. Hunt was Saturday last he received a draft for the daughter of Mr. Cyrus Blood who that amount from the government. It was the first settler here, and who was takes Uncle Sam a good while to get the father of Mr. K. L. Blood, who around, but then he is very accurate now resides in Brookville. Mrs. Hunt when he once gets there - Brookville was named after Lady Marien Wallace, of the Scottish Chiefs. Hence -Our ingenious citizen, D. W. the name of this place is properly Clark, has just realized handsomely spelled with an "e" instead of an "o." on an invention in the shape of a car Thus, Marienville. - Marienville Exstep, which he has been at work on for press. In view of the above sensible some time, while others were asleep, decision it is hoped that our sprightly in fact, and which he has disposed of, little exchange will drop the "o" from retaining a royalty. Web's Yankce its heading and also request the postnotions have resulted in the bringing master to make a like correction in his canceling stamp with which he has the wrong way was the right way .-Clarion Democrat.

WALTER HORTON DEAD.

Walter Horton, of the extensive Ledebur, to Mr. Martin Vockroth, of tanning firm of Horton, Crary & Co., the same place, on next Monday, at Sheffield, Pa., who went to Philadel-1:00 p. m. The event will be one of phia a little more than two months ago double interest and pleasure, that to receive medical treatment, died in ding anniversary of the parents of the illness being of about two years' stand-

Mr. Horton was in many respects congratulations and best wishes are men of the times. He was 58 years advanced to the happy young and of age, and during the greater part of his active life had been engaged in

Mr. Horton was born in Sullivan week. The operations are being push- county, N. Y., and in 1867 removed ed by I. N. Patterson of Franklin, to Sheffield, Pa., where he began who has a large body of land leased in building up the magnificent business that section, and proposes to test it as he leaves behind him. At the time of fast as the drill can do it. Timbers his death he was largely interested in are on the ground for another well a number of tanneries in this and New soon as this one is finished, and a loca- York State, and was head of the firm tion has also been made on what is of Walter Horton & Co., of Boston, known as the Furnace tract. These and Horton, Crary & Co., of Sheffield. operations, together with what have Altogether he had nineteen partners. already been done there, will give a The business under his direction had very correct idea of the existence or grown to such an extent as to embrace Europe in its markets, and Norway -The Auditors' Report of the and Sweden received large quantities

The only office he held was that of showing of our county's financial President of the Tionesta Valley Railcondition. The expenses attendant road, which was built and operated by upon the erection of the new bridge in himself and partners. Another branch Green township, have, as a matter of of business engaged in to a large excourse, "reduced the surplus," so to tent by Mr. Horton and bis associates was the production of petroleum and counties. The great Cherry Grove oil refunded. For sale at Bovard's. strike was made on their land.

Mr. Horton leaves an estate valued a wife, and one married daughter living at Buffalo, N. Y. A large circle of acquaintances in Pennsylvania and other States will mourn the death of this energetic business man, who was noted for his conversational ability, his unvarying good humor and his genius for entertaining all with whom he came in contact.

His remains were brought to his home in Sheffield, where the funeral was held to-day.

THE PASSION PLAY.

Few events during the past year attracted so much attention as the "Passion Play," given at Ober-Ammergau, in Germany. Tourists from all parts of Europe went to-see it, many of them taking a trip across the Atlantic with this wonderful play specially in view. The numerous articles written, and lectures delivered since. by those who attended show the great interest it has awakened throughout this country. Mr. Tom C. Brinsmade will deliver his lecture on the "Passion Play," illustrated by 40 steriopticon views, in Landers' Hall, on Tuesday evening, Feb. 10, 1891, under the auspices of the Presbyterian Sabbath School. The general interest this Whitefish, half-barrels play has excited throughout the world will be in itself an inducement to all who have the opportunity, to witness N. O. Molasses new some of these scenes and learn the Roast Rio Coffee history and character of the play. Admission 25 cents, children 15 cents.

NEWSY NOTES.

Jefferson county has a population of 44,000 persons, and their legislator, W. O. Smith, is doing his level best to have that Meadville is to have an electric street railway. Four miles of track will be laid to begin with and the road is to be in operation by Sept. 1, 1894. The Trolley system is to be used.

Grove City College, in Mercer county, has been placed in the list of institutions which are entitled to a professor of milltary science and tactics. Second Lieut. Godfrey, U. S. A., has been detailed from
