The funeral prodigy. The result is the cramming an's Relief Corps.

The exercises are simple and graceful and consist of easy and graceful movements of the arms without any appapoorly nourished brain, and the boy and girl goes back to study refreshed and happy. Such is what this bill is intended to do and will accomplish, and the simple, practical method and sound common sense incorporated in the measure will, I trust, commend it to you personally, and to the honorable and intelligent gentlemen over whom you so gracefully preside.

NEWSY NOTES.

The noblest quality in human nature is kindness and the lack of it is something which neither the equipment of wealth. education or professed religion can conceal. Neither can they conceal its possession. The warm heart is its own unintentional advertisement,-Blizzard.

Henry Hall, of Mercer county, ex-mempatch, and his friends call him "Harry" for short. Harry A. Hall, of Elk county, is a dignified Senator now serving for the first time from a district so ably represented by his distinguished brother, John G. Hall. Mr. Hall is in lumber and law and banking business up in St. Mary's. grams and letters here mix these two gentlemen up very much to their great discomfiture. The other day for instance Senator Hall received a telegram which said: "Look out for Flinn's wharf bill, Try and scoop an interview with Gov. bill with him. Cut things to the bone. We are all bunged up. Madden." This was all Greek to the young Senator. What had he to do with Frinn's wharf bill, and why should be look out for it? On what should be interview the Governor and why should he scoop it? And why should he talk to Lee on the Burdick bill, when he had had Burdick bill talked into him for twenty-four hours at a stretch? As to cutting things to the bone, he never cut Every mother should have Arnica & anything. He didn't carry anything but a small pen-knife and he had no disposition to cut anybody skin deep. And what interest was it to him that somebody was It was most mysterious, thought the Senator; it must be a cipher telegram. That

very same day Hall, the correspondent, received a telegram that read something like this: "Can sell a big bill of square hemlock and some pine to go down Sinthroat from which he has suffered for heavy charge of shot-or it may be it Our friends up at Fagundas have Jim says he will see you soon about that nemahoning early spring on first water. discount. Court meets next week to hear argument." This was a poser for the newspaper man. "What the dickens do 1 care for lumber?" said he. The only lumber he cared for was a lead pencil. As for it going down the Sinnemahoning, that A few days ago a bill to introduce was no concern of me.

Was no concern of me.

And the Niagara Falls for all he cared. And was no concern of his. It might go over city schools of the Commonwealth was business mean? Was it possible that in a before the House, and called forth a fit of absent-mindedness he had given good deal of oratory from the mem- give his note? And what scrape was he bers, but none more to the point or in now that the court was going to hear neatly put than the following remarks argued? By Jove, this was tough luck, from our wide-awake member, Dr. just as he was getting settled down in Harrisburg, to have all this come rushing down on him. He scoured his memory, but it did not come to his rescue. Then Mr. Speaker, I hope the gentleman he looked at the telegram again. It was from Cumberland will withdraw his dated St. Mary's, and light began to dawn for a St. Mary's man, and it only needed a are still mixed and will be for a while until messenger boys and post office
