#### Avenges the Death of Chief of Police Hennessey-11 Italians Killed by the Enraged Citizens.

On Saturday last in the city of New Orleans, a mob avenged the killing of Chief of Police Hennessey, of that city, by killing 11 of the 19 Italian "Mafia" charged with the crime of his better than nothing at all. Mr. Seybriefly stated, are as follows :

There has existed for some time in the city of New Orleans an organized band of brigands who are known as order.

The awful crime was consummated and Chief Hennessey was shot one or Township taxes .- Oil City Blizzardnight just as he was entering his own door. Nineteen of the Mafia were arrested charged with his murder. A month ago nine of the nineteen accused Mafia were placed on trial. On Friday last the trial of the nine men ended. The jury in its verdict acquitted six of the men and disagreed as to the other three. The verdict was a surprise to the citizens of the city, and aroused great indignation. While the trial was in progress it was discovered that the jury was being tam-

their official acts to be influenced by race or color prejudice. The order will be revoked. The colored people of the city held a jubilee when the President's action was made public.

A LANCASTER man, Seyfert by name, a member of the present Legislature, has called down on his head the wrath and sarcasm of all the baldheaded men in the country by introducing a bill to prohibit actresses from wearing tights. The Oil City Blizzard intimates that while not fully satisfactory as garments, tights are still death. > PEOPLE of the East are generally under the impression that the Kansas Legislature, which recently elected Peffer to the United States Senate in place of Ingalls, was composed principally of farmers, in-as much as Peffer was the Farmers' Alliance candidate. Ex-Lieutenant Governor Riddle in his newspaper, the Minneapolis (Kansas) Messenger, says:

"Notwithstanding the late upheaval in the pretended interest of the farmer, there are fewer real farmers in the pered with. In fact there is no doubt lower house of the legislature than in but that money was used to procure many of the previous legislatures. Fifteen of the so-called alliance farmer their acquittal. Soon after the mur-der of Chief Hennessey a law and or-der committee was appointed by the Mayor of the city to take charge of the case and investigate the murder.
