LOCAL AND MISCELLANEOUS.

Oil market closed yesterday 60 1/2.
Notice the new card of Dentist Davis in this issue.

Curt and Ellis Shawkey were down from Warren last Saturday evening.

Mrs. Frank Amsler, nee Nellie Hunter, of Pittsburg, is visiting her mother.

Miss Lydia Adams, of New Castle, Pa., is visiting Judge Hill's family this week.

Miss Josephine Hall, of Warren, is the guest of Miss Inez Brownell, at the Central.

Miss Carrie Wuerzka, of Tidoute, paid a visit to Sheriff Osgood's family during the week.

Blackberries and huckleberries will soon be in market. The former still promise a large crop.

They are cutting and slashing prices at Hopkins & Co.'s these days. See their ad. to that effect in this issue.

Mrs. H. S. Brockway and children, of Spartausburg, paid Tionesta a visit last week, as the guests of Mrs. W. F. Blum.

Mr. and Mrs. F. R. Lanson and the children are paying a two week's visit to Mr. Lanson's old home, in Lottville, Warren county, Pa.

A number of Forest county people have been in attendance at the Free Methodist camp meeting at Centreville, Crawford county, during the past week.

Mr. and Mrs. John Bates, of Warren, the latter a sister of Mrs. O. C. Brownell, and Mrs. Jas. Koper, of Kinzua, a cousin, spent last Sabbath with the family.

The Misses Anna, Carrie and Nellie Super, of Pittsburg, are spending the hot months very pleasantly with the family of Mr. Henry Ahlers, of German Hill.

Jury Commissioner J. C. Confer, was down from Marienville yesterday assisting his colleague, John Heath, and Sheriff Osgood draw a jury for September sessions.

Major Thomas R. Cowell, one of Oil City's prominent citizens, and well known to many of our people, died last week of diabetes, and his funeral, a very imposing one, took place last Sunday.

Rev. J. V. Stevens, of Duquesne, Pa., is the guest of his college classmate, Rev. McAninch, whose pulpit he occupied last Sabbath morning and evening, both discourses being very interesting and able.

The attendance at the colored camp meeting on Whig Hill was quite large from this place last Sabbath. The managers have concluded to hold the meetings over one more Sabbath, and talk of coming here after closing at that place.

The premium list of the coming Warren county fair is at hand. This will be the eighth annual exhibition of the association, and each successive fair has been an improvement on its predecessor. This year promises to be no exception to the rule. Time, Sept. 8, 9, 10 and 11.

Those who went from here with the excursion to Niagara last Thursday, report a very enjoyable outing, a pleasant ride, and a prompt arrival at the Falls on time. All these are assured to excursionists when the affable Mr. Newton is with the train, as we have all along said.

The annual reunion of the 83d Reg. Pa. Vols. will take place at Corry, Pa., on Tuesday, Sept. 8th, 1891. The surviving members of the regiment are earnestly requested to be in attendance, and a cordial invitation is also extended to all old soldiers to join in the festivities.

One day last week, while taking out ties in the vicinity of Stewart's Run, Chas. Friend had the ends of the three first fingers of his left hand clipped off with a broad-axe, in the hand of a fellow workman. Both had been heaving on the same tie stick, and Friend, being on the opposite side and having his side about finished, stooped to the ground for some purpose, and thoughtlessly placed his hand on the tie stick just as his companion's broad axe was coming down.

Important Meeting.
The members of the Woman's Relief Corps, No. 137, are all requested to be present at next Corps meeting, August 5th. Business of importance to be transacted. By order of President, MRS. C. C. RUMBERGER.
MRS. E. L. DAVIS, Sec'y.

Two Oil Wells in One.

There are many of our oil men who have two producing sands in their wells, yet have never seen this operation successfully accomplished. That is, to pump oil from one, two or three sands, the pumping apparatus for each sand acting independently from the other, yet all pumped with one string of rods and through one string of tubing. This however has been done for a number of months on the farm of Jas. Osborn near Pleasantville, the apparatus being the invention of his son, Fred Osborn, who has obtained a patent. Any one desiring to see and know what this invention will do, should visit the Fleming and Son well recently finished on the John Fleming farm. This well had a fair show for oil both in the amber and green oil sands, and was thought to be an ordinary 3 to 10 barrel well. When, however, Fred Osborn rigged the well with his invention for pumping both sands, and put it to work, the well started off pumping oil at a lively rate and is now doing 20 barrels. If there is oil in more than one sand this apparatus will successfully pump all of them and all who have tried it testify that it will pay for itself in a very short time.—Pleasantville Record.

East Hickory.

A large crowd attended camp meeting on Whig Hill Sunday, and report a very pleasant time.

The dam which had been surveyed at the head of Green's Island, has been abandoned, and will now be built below the foot of the island, on the side next to the railroad. The current will be thus deflected to the flats at the mouth of the creek and will rapidly erode them, thus being of considerable damage to land owners and no particular good to anyone. If put where it was first intended, the current would be thrown against a steep bluff, with a hard, rocky foundation and no one be injured and would make a fine wide channel. Where it is being put now will benefit no one, and be a damage to many.

The East Hickory Juniors beat the West Hickory's, on Saturday, by a score of 30 to 6.

John Metzgar lost his infant daughter from cholera infantum, on Sunday morning.

Mrs. Myra Meagher is home from Pittsburg for a few days.

T. J. Bowman spent several days in Franklin on business, last week.

The planing mill was run pretty steady last week, getting out lumber for J. Bender's hotel, and the school house at Kellettville.

The railroad grade, under the superintendence of John McDonald, is being rapidly pushed toward Ross Run.

Mrs. James Connelly, who has been on the sick list, is slowly improving.

T. J. Fleming was home from Salmon Creek over Sunday, as was Harry Spencer and others.

Something New In Excursions.

The W. N. Y. & P. R. R. will give the people of this section an opportunity to take in something new and beautiful in the excursion line on Wednesday, Aug. 19, when they will run an excursion to Portage Falls, one of the loveliest and most charming places in America. Portage is the most delightful spot for a picnic in Western New York. From the new park a magnificent view of the Great Bridge, Glen Iris and Portage Falls can be had. The park is nicely fitted up with swings, rustic seats, a fine dancing pavilion, etc. The celebrated Eldred Band, one of the finest in existence, will accompany this excursion. Train leaves Tionesta at 7:00 a. m., arriving at Portage at 12 noon; returning, leaves at 6:15 p. m., giving 6 hours at Portage. Take your lunch baskets, and go. Fare for the round trip from Tionesta and Hickory, \$1.75.

NEWSY NOTES.

Three years ago the National Encampment of the G. A. R., was held in Columbus, O. National headquarters have lately been notified that 300 pieces of luggage, mostly trunks, belonging to veterans attending the Encampment, are still awaiting claimants. Persons interested should address the comrades of McCoy Post, No. 1, or Wells Post, No. 451, G. A. R., Columbus, O.

An old brand cow belonging to an Indiana man broke into another's field, and in court the owner of the field proved that the cow destroyed the following mentioned property, to-wit: Two four-year-old cherry trees, seven apple trees, five pear trees, one plum tree, 100 head of cabbage, twelve rows of beans five rods long, one row of beets one and one-half rods long, fifty to 150 sweet potato plants, one bed of onions, three grape vines and fourteen blackberry bushes.

Secretary Edge, of the State Board of Agriculture last week issued a remarkably flattering crop bulletin. He estimates the wheat crop of the State at 22,500,000, the largest ever known. Potatoes will yield 11,000,000 bushels. Clover and timothy fall off a little, but the natural grass will make up the deficiency. The average crop of oats is anticipated, although the yield was materially decreased by the late wet Spring. The crop of large fruits will be the greatest for years, while the yield of small fruits is something phenomenal.

FINE BASE BALL PLAYING.

Three Good Games Played Here Last Week, and Tionesta Scoops Them All In.

Lovers of the great national game were treated to the finest sport of the kind ever witnessed in our town on Friday and Saturday of last week.

On Friday Tidoute came down ready to chew up Tionesta in the highest style of the art, but were doomed to carry back with them a walloping which they will not soon forget. The game was called promptly at 1:30, with Tidoute at the bat. Neither club scored in the first inning, but on the second Tidoute managed to get in a scratch run, after which they were retired in one, two, three order till the seventh inning, when they got another scratch. In the meantime Tionesta piled up fifteen runs. Tidoute wasn't long in discovering that she wasn't in it, although the boys kept up pretty good courage to the finish. Tionesta out-played their visitors at every point, and but for a couple of costly errors would have shut them out entirely. The battery work of Whitehill and Gourley attracted the admiration of the large crowd of spectators present, and the support they got from the out and in fields was well nigh perfection. The game passed off pleasantly, and the Tidoutes went home feeling as comfortable as could be expected under the circumstances, having learned some nice points on base ball during their stay. Following is the record of the game:

Table with 5 columns: Player Name, R, B, P, A, E. Rows include TIONESTA players like McAninch, Whitehill, C. H. Davis, Siggins, Koppelin and TIROUTE players like Wilbur, Linsell, Widdiefield, Kuhn, Lindley, Porterfield, Swanson, Caldwell, Alabaugh.

MARIENVILLE VS. TIONESTA.

Saturday afternoon the game between the Marienville and Tionesta Juniors was called at 1:30 p. m., and lasted three hours. For a time it looked as though the score would be an uneven one, but in the sixth inning Marienville got in its work at the bat with telling effect, and whacked the ball for nine runs. Before this the game began to lag, but after this the interest revived materially and kept up pretty well till the finish. The Marienville boys are a very gentlemanly set, and understand how to play ball. They got very many cheers from the grand stand for brilliant plays; in fact, the spectators had a very friendly feeling for the visiting club, and allowed no opportunity to go by to encourage them in their work. Our boys go up to play the return game shortly, and will have to work if they bring home a victory. Following is the score by innings:

Table with 2 columns: Team, Score. Rows for Tionesta (13 1 7 1 4 1 = 32) and Marienville (0 1 0 0 1 0 = 20).

RENO VS. TIONESTA.

By all odds the finest game of the series was witnessed, however, after the Juniors had finished their game. The Reno team, much the best that has yet visited Tionesta, came up on the 4:17 train, and everything being in readiness, the game was soon on, with Reno at the bat. Whitehill and Gourley were in elegant form, and gave the crowd of spectators, (which had grown to about 500 in number in anticipation of a good game) such an exhibition of ball twirling and catching as is seldom witnessed outside of the great League games. Whitehill was determined to shut the visitors out, if his field support would do its share. How well both did will be seen by a study of the detailed score, which will show that Tionesta played almost a faultless game, there being but two slight errors, which might almost have been called excusable ones. The Reno boys are dandy players, all of them, but when they had faced Whitehill for one inning they smiled a smile which plainly said "we're not in it." Notwithstanding they were obliged to lay down their bats one after another, they showed excellent grit, and put up a splendid game. Had they put in their regular pitcher from the start we doubt whether Tionesta would have scored more than five runs in the eight times they came to bat. The game throughout was a very pretty one, as well as a very lively one, lasting scarcely an hour and 40 minutes. The visitors, while entirely shut out, took their defeat with the best of grace, there being not the sign of a kick from either side during

THE WHOLE OF THE NINE INNINGS. THE SCORE:

Table with 5 columns: Player Name, R, B, P, A, E. Rows include TIONESTA players like McAninch, Whitehill, C. H. Davis, Siggins, Koppelin and TIROUTE players like Wilbur, Linsell, Widdiefield, Kuhn, Lindley, Porterfield, Swanson, Caldwell, Alabaugh.

Last of the Season.

The last excursion under the auspices of the W. N. Y. & P. R. R., to the Thousand Islands will take place on Friday, August 28. The train leaves Tionesta station at 8:40 a. m., and will reach its destination at 7:00 a. m., Saturday; rates for the round trip \$5.50, and tickets good for ten days. The train will be provided with sleeping cars for the night run, so that all can be provided with finest accommodations and perfect comfort. Remember the date.

Jury List, September Term, 1891.

GRAND JURORS.

Arnold, Nicholas, blacksmith, Kingsley. Adams, W. F., mason, Jenks. Boyd, Samuel, laborer, Howe. Bevier, L. P., merchant, Jenks. Coon, John, farmer, Barnett. Dotterer, W. H. H., farmer, Kingsley.
