REPUBLICAN TICKET.

STATE. Auditor-General, DAVID MCM. GREGG, Berks. State Treasurer, JOHN W. MORRISON, Allegheny. DELEGATES-AT-LARGE TO CONSTITUTIONAL CONVENTION...

ITS GREGG AND MORRISON.

For Auditor General, General David McMurtrie Gregg, of Berks county; For State Treasurer, Capt. John W. Morrison, of Allegheny county; that is the soldier ticket which the Republican State Convention of Pennsylvania placed in nomination at Harrisburg on Wednesday last.

Following is a list of those named as the eighteen delegates-at-large to the Constitutional Convention: A. S. L. Shields, John Roberts, Isaac C. Wear, Herman Kramer, William I. Schaffer, Louis W. Hall, Morris L. Kauffman, Frank Reeder, H. M. Edwards, H. C. McCormick, George S. Schmidt, J. H. Pomeroy, Cyrus Elder, John Cosena, John S. Lambie, William B. Rodgers, James L. Brown, T. V. Powderly.

The selection of a Chairman of the State Committee was left to the candidates who selected Lieut.-Gov. Louis A. Watres.

THE PLATFORM.

The Republican party of Pennsylvania in convention assembled, reaffirming the cardinal principles of the party enunciated by the National Convention of 1856 and approving the course of the Republicans of the Fifty-first Congress in incorporating them into the law of the land, make the following declaration:

1. It heartily endorses the broad and statesmanlike administration of President Harrison, which has exhibited an intelligent, inflexible purpose to execute the Federal laws, maintain the dignity of American institutions and insure the continuance and growth of prosperity and peace in the nation. 2. We view with peculiar satisfaction the direction of the affairs of the Post Office Department by one of our own citizens, the Hon. John Wanamaker, whose clean, business-like and comprehensive administration of its affairs has adapted the postal operations of the nation to a plane never previously attained.

wishes of various labor organizations, we have made provision for the submission to the people in November next of the question of holding a Constitutional Convention, with a view to such changes in the organic law of the Commonwealth as may be deemed expedient. 9. Also, in conformity with the promise made a year ago, we have enacted a law having in view an absolutely pure and unretorted ballot. We pledge ourselves to such changes and improvements, if any, which a practical application of this law may prove to be essential to a fuller accomplishment of its purposes, and in the event of negative action in November next upon the question of holding a Constitutional Convention, we promise with a view to the speedy enactment of the necessary legislation for submitting a special constitutional amendment upon this particular subject to the people of the State at the earliest day possible.

10. Furthermore, in compliance with pledges made to the people, the Republican party, having in view the fact that the taxation, has enacted measures whereby, mainly through an increase in taxation on corporations, the State appropriation to the public schools has been increased from \$2,000,000 to \$3,000,000 annually, and the personal property tax returned to the counties increased from \$500,000 to \$750,000. It has, further, provided for the return of all the retail liquor licenses, aggregating \$2,500,000, the respective counties, cities, boroughs and townships. We pledge ourselves to renewed efforts in the same direction to the end that our revenue laws may be so revised as to treat with equality all the various industries of the Commonwealth, thus relieving the land of the farmer from unfair discrimination to which it has heretofore been subjected.

11. We denounce the unscrupulous partisanship of Governor Pattison in violating all the Apportionment bills passed, in compliance with constitutional direction, by the late Republican Legislature, and in neglecting, by legislative action, to carry out the compulsory educational bill, having in view the material and moral interests of the people of Pennsylvania. 12. We commend the Republican Mayor, City Solicitor, County Controller and District Attorney of Philadelphia for their discovery and prompt prosecution of those guilty of official malfeasance. Dishonesty is non-partisan. Tweeds and Hardleys arise in all parties. The Republican party has always shown itself ready to punish official dishonesty wherever found, and we urge the before-mentioned officers to prosecute to conviction any and every guilty official without regard to his politics.

13. We are in favor of the repeal by the Legislature of all mercantile laws levied by the State, and of such amendment to the revenue and other laws as will effectually promote the orderly receipt, the lawful and safe custody and the prompt and proper disbursement not only of the moneys of the Commonwealth, but of all of its cities, boroughs and townships; and the laws should be so improved as to absolutely prevent the use of all public funds, small or great, for the personal benefit of public officials. 14. We reaffirm the unswerving devotion of Pennsylvania Republicans to the supreme and sovereign right of every lawful citizen, rich or poor, native or foreign born, black or white, to cast one free ballot in public election, and to have that ballot duly counted, and we demand effective legislation within constitutional limits to secure the integrity and purity of Federal elections throughout the Union.

PROCLAMATION.

Noyes, President Judge of the Court of Common Pleas and Quarter Sessions in and for the county of Forest, has issued his precept for holding a Court of Common Pleas, Quarter Sessions, &c., at Tionesta, for the County of Forest, to commence on the Third Monday of Sept., being the 21st day of Sept., 1891. They will visit this country every four weeks, thus saving their patients the trouble and expense of visiting the city, as they are the only physicians and surgeons in this country who carry their own Manikins, Models, Diagrams, etc., to illustrate and make plain to all this afflicted the cause and nature of their disease.

Chronic Diseases of the Eye Such as Granulated Lids, Chronic Inflammation of the Lids, of the Iris, of the Choroid, of the Retina, Chronic Ulcerations, Spasms of the Lids, Cancer of the Lids and Eye, Tears running over the cheeks, Day and Night Blindness, Purulent or Mattering sore eyes, gonorrhoeal ophthalmia, syphilitic ophthalmia, red blotches or brown ones on the ball, pterygium, ophthalmia, opacities or milk white spots on the eye, glaucoma or cupping of the nerve, amaurosis, falling out of lashes, sore, redness of edges of lids and eyes, and all other diseases to which the eye or its appendages are liable, positive and rapid cure guaranteed.

Ear Troubles are Cured In an astonishingly quick time. He will relieve you of all roaring, hissing and ringing noises, heaviness, itching, pain, running of the ear, will close up a hole in the drum of fifty years standing; will insert artificial ear drums of his own invention with astonishingly gratifying results.

A Word About Catarrh. It is the mucus membrane, that wonderful semi-fluid envelope surrounding the delicate tissues of the air and food passages, that Catarrh makes its stronghold. Once established it eats into the very vitals and renders life a long-drawn breath of misery and disease, dealing the source of hearing, trammeling the power of speech, destroying the faculty of smell, tainting the breath and killing the refined pleasures of taste. Insidiously, by creeping on from a simple cold in the head, it assaults the membranous lining and envelopes the bones, eating the delicate coats, causing inflammation, and disease of the sinuses, and without the use of total eradication will secure health to the patient and all alleviations are simply procrastinated sufferings, leading to a fatal termination. The doctors have, by a treat-

ment local and constitutional, made the cure of this dread disease a certainty, and has never failed. Even when the disease has made frightful inroads on delicate conditions, hearing, smell and taste have been recovered and the disease thoroughly driven out.

Chronic Diseases. The Doctors treat no acute disease, but make an entire specialty of chronic and long standing disease. Cases given up by other Doctors and pronounced incurable they most desire to see. The Doctors have treated over 15,000 cases in Ohio in the last twelve years, many of which had been given up as incurable, some to be blind, and others deaf, and a large number to be invalids for life. But behold! now they see and hear and many are started on the high road to recovery every month. The Doctors are surrounded with the largest collection of fine instruments ever imported to this country for examining and treating all chronic diseases of the head, face, eye, ear, throat, lungs, stomach, liver, kidneys, bladder, skin, brain and nervous system, cancers, tumors, piles, swellings, old sores, fits, paralysis, neuralgia, rheumatism, dropsy, gout, sick headache, delirium, depression of spirits, diseases of children, hereditary diseases of all long standing chronic diseases.

Rectal Diseases. They also make a specialty of all forms of Rectal Diseases, piles--internal and external, itching and bleeding, rectal ulcers, fistula--which are often taken for cancerous and lung diseases, all cured if taken in time. Remember we cure all forms of piles without pain, interruption or detention from business, and without the use of a knife, caustic, ligature or injection. Come and be convinced. Dr. McC. made these diseases an extensive specialty for ten years in a large city.

WHAT CUTS!

Talk about bargain sales! Some people take a knife to cut prices. During this month we are going to close out our entire stock of Spring and Summer Goods to make room for the Fall Goods, and in order to do this we will just take a broad-ax to cut the price. Everything in the line of Summer Goods must go this month. The low price that we will make will soon clean them up. Everybody come and get a bargain while they are going.
