For Auditor General, General David McMorris Gregg, of Berks county; For State Treasurer, Capt. John W. Morrison, of Allegheny county; that is the soldier ticket which the Republican State Convention of Pennsylvania placed in nomination at Harrisburg on Wednesday last.

Following is a list of those named as the eighteen delegates-at-large to the Constitutional Convention: A. S. L. Shields, John Roberts, Isaac C. Wear, Herman Kramer, Philadelphia; William I. Schaffer, Delaware; Louis W. Hall, Harrisburg; Morris L. Kaufman, Lehigh; General Frank Reeder, Northampton; H. M. Edwards, Lackawanna; H. C. McCormick, Lycoming; George S. Schmidt, York; Hon. J. H. Pomeroy, Schuylkill; Cyrus Elder, Cambria; John Cessna, Bedford; John S. Lambie, Pittsburg; William B. Rodgers, Allegheny; Hon. James L. Brown, Mercer; Terrence V. Powderly, Lackawanna.

The selection of a Chairman of the State Committee was left to the candidates who selected Lieut. Gov. Louis A. Watres.

The platform adopted is sound in every plank. Read it and see.

THE PLATFORM.

The Republican party of Pennsylvania in convention assembled, reaffirming the cardinal principles of the party enunciated by the National Convention of 1888 and approving the course of the Republicans of the Fifty-first Congress in passing the law into the law of the land, make the following declaration:

1. It heartily endorses the broad and statesmanlike administration of President Harrison, which has exhibited an intelligent, indefatigable and energetic purpose to execute the Federal laws, maintain the dignity of American institutions and insure the continuance and growth of prosperity and peace in the nation.

2. We view with peculiar satisfaction the direction of the affairs of the Post Office Department by one of our own citizens, the Hon. John Wanamaker, whose clean, business-like and comprehensive administration of the Republic has advanced the postal operations of the nation to a plane never previously attained.

3. It has been with special gratification that the Republicans of this Commonwealth have observed the brilliant administration of the State Department by one of Pennsylvania's native sons, whose superb diplomacy has electrified the hearts of all Americans, exacted from foreign peoples a degree of respect and admiration for the United States flag hitherto unequalled, and opened wide to us in other lands commercial and industrial markets. These magnificent achievements justify the confidence and furnish new occasion for us now to reaffirm the loyalty and devotion of the Republicans of Pennsylvania to her most distinguished son, the Hon. James G. Blaine.

4. We cordially endorse the action of the Republican Congress in passing the McKinley bill, in conformity with the national pledge to protect the material interests of American labor. This beneficent measure has, in spite of the unscrupulous, crafty and misrepresentative, already brought about and will in the future continue to bring about a broader and more settled prosperity to all classes, particularly to the operative, the mechanic, the miner and the farmer.

5. We favor bi-metalism and endorse the action of the Fifty-first Congress in providing for the purchase and coinage of the silver produced from American mines, and we recommend such tariff duties as will protect our country and its currency from the debasement which will surely follow if this nation is made the dumping ground for all the silver of the world.

6. We reiterate our devotion to the welfare of those who sacrificed property, home, health and life for the nation's honor during the late war, and we cordially approve the action of successive Republican Congresses, particularly the Fifty-first, in spite of malicious and unrelenting Democratic opposition, in providing proper and adequate financial aid to all deserving veterans still surviving, and to the widows and orphans of those who have entered the hallowed of the dead.

7. The Republican party of Pennsylvania has never hesitated to pledge itself to reforms demanded by public sentiment, and has never faltered in carrying out the promises so made. In accordance with the pledges given we have recently placed upon our statute books numerous laws having for their object the amelioration and advancement of labor in this Commonwealth, thereby winning the unequalled and public approval of the wage earners of the Commonwealth.

8. In accordance with the promise contained in our platform of last year and mainly in compliance with the expressed

wishes of various labor organizations, we have made provision for the submission to the people in November next of the question of holding a Constitutional Convention, with a view to such changes in the organic law of the Commonwealth as may be deemed expedient.

9. Also, in conformity with the promise made a year ago, we have enacted a law having in view an absolutely pure and unrestricted ballot. We pledge the party to such changes and improvements, if any, which a practical application of this law may prove to be essential to a fuller accomplishment of its purposes, and in the event of negative action in November next upon the question of holding a Constitutional Convention, we promise with a view to obtaining the provision in our present Constitution compelling the numbering of ballots to enact the necessary legislation for submitting a special constitutional amendment upon this particular subject to the people of the State at the earliest day possible.

10. Furthermore, in compliance with pledges made to the people, we have enacted a law, having in view the equalization of taxation, has enacted measures whereby, mainly through an increase in taxation on corporations, the state appropriation to the public schools has been increased from \$2,000,000 to \$5,000,000 annually, and the personal property tax returned to the commonwealth from \$500,000 to \$1,700,000 annually. It has further provided for the return of all the retail liquor licenses, aggregating \$2,500,000, the revenue from which, together with the various industries of the Commonwealth, thus relieving the land of the farmer from unfair discrimination to which it has heretofore been subjected.

11. We denounce the unscrupulous partisanship of Governor Pattison in vetoing all the Apportionment bills passed, by the late Republican Legislature, and in negating other legislation, particularly the Compulsory Educational bill, having in view the material and moral interests of the people of Pennsylvania.

12. We commend the Republican Mayor, City Solicitor, County Controller and District Attorney of Philadelphia for their discovery and prompt prosecution of those guilty of official malfeasance. Dishonesty is non-partisan. Tweeds and Bardsleys arise in all parties. The Republican party has always favored the ready and prompt official dishonesty wherever found and we urge the before-mentioned officers to prosecute to conviction any and every guilty official without regard to his politics.

13. We are in favor of the repeal by the Legislature of all mercantile taxes levied by the State, and of such amendment to the revenue and other laws as will effectually promote the orderly receipt, the lawful and safe custody and the prompt and proper disbursement not only of the moneys of the Commonwealth, but of all of its cities, boroughs and townships; and the laws should be so improved as to absolutely prevent the use of all public funds, small or great, for the personal benefit of public officials.

14. We reaffirm the unwavering devotion of Pennsylvania Republicans to the support and defense of every lawful citizen, rich or poor, native or foreign born, black or white, to cast one free ballot in public elections, and to have that ballot duly counted, and we demand effective legislation with constitutional limits to secure the integrity and purity of Federal elections throughout the Union.

H. K. THURBER, in the American Economist, thus briefly gives the reasons for the protectionist faith that is in him: "I am a protectionist because thrift follows the enactment of wise laws; because I love my own country; better than I do foreign countries; because every dollar sent abroad, to purchase goods that we can produce at home makes us a dollar the poorer; because it is better for this country to feed, clothe and house our own labor in this country than to support foreign labor in other countries with our money; because it is true, as Peter Cooper well said: 'No goods purchased abroad are cheap that take the place of our own labor and our own raw material.'"

PROCLAMATION.

WHEREAS, The Hon. Charles H. Noyes, President Judge of the Court of Common Pleas and Quarter Sessions in and for the county of Forest, has issued his precept for holding a Court of Common Pleas, Quarter Sessions, &c., at Tionesta, for the County of Forest, to commence on the Third Monday of Sept., being the 14th day of Sept., 1891. Notice is therefore given to the Coroner, Justices of the Peace and Constables of said county, that they be then and there in their proper persons at ten o'clock A. M., of said day with their records, inquisitions, examination, and other encumbrances, to do those things which to their office appear to be done, and to those who are bound in recognizance to prosecute against the prisoners that are or shall be in the jail of Forest County, that they may be then and there to prosecute against them as shall be just. Given under my hand and seal this 24th day of August, A. D. 1891.

A Word About Catarrh. It is the mucus membrane, that wonderful semi-fluid envelope surrounding the delicate tissues of the air and food passages, that Catarrh makes its stronghold. Once established it eats into the very vitals and renders life a long-drawn breath of misery and disease during the course of hearing, trammeling the power of speech, destroying the faculty of smell, tainting the breath and killing the refined pleasures of taste. Insidiously, by creeping on from a simple cold in the head, it assaults the membranous lining and envelopes the bones, eating pits without pain, interruption or detention from business, and without the use of a knife, caustic, ligature or injection. Come and be convinced. Dr. McC. made these diseases an extensive specialty for ten years in a large city.

They also make a specialty of all forms of Rectal Diseases, piles--internal and external, itching and bleeding, rectal ulcers, fistula--which are often taken for cancerous and lung diseases, all cured if taken in time. Remember we cure all forms of piles without pain, interruption or detention from business, and without the use of a knife, caustic, ligature or injection. Come and be convinced. Dr. McC. made these diseases an extensive specialty for ten years in a large city.
