REPUBLICANS, BE ON THE ALERT!

Republicans, are you mindful of the fact that election day is less than two weeks away? and are you making preparations to be on hand yourself and to bring your neighbor with you? The election this fall may seem of minor importance to you, but let us impress upon you that such is by no means the case. Should our Democratic opponents succeed by our apathy in carrying Pennsylvania, will it not be heralded all along the line as a Democratic victory? and a blow at the great national issue of Reciprocity, and Protection to American industries, which the Republican party is struggling to maintain, against the united efforts of our opponents who are bringing every effort to bear to break down these sound doctrines? Then cast away the idea that this is not an important year and your presence is not required at the polls! We have a ticket that is matchless for its purity of personel. The [illegible] ticket is composed of [illegible] pure men as can be found, and they stand on a platform as straightforward in its doctrine as plain English can make it. Gregg and Morrison, two as brave patriots as ever fought in defense of Liberty's cause, are men against whom no honest man can say aught. They should and will be elected if we but come out and vote; but they will not be if we stay at home and let the Democrats do the voting. That is what the enemy expect us to do. They are conducting a still hunt in the hope that Republicans will be off their guard and not turn out at the election. Let us catch them at this little game.

Our county ticket is small this year, but important and composed of very excellent material, and should receive the hearty support of every true Republican.

There is another important matter on which every voter should feel sufficient interest to bring him to the polls, and cast his ballot one way or the other. It is the question of whether or not there shall be a convention held to revise the constitution of Pennsylvania. The sentiment amongst the people seems to be largely against such a proceedure, yet there is a considerable element in some sections which is in favor of it. The question is not one of party, and therefore no party will dictate how its members should vote, but the voters themselves should form their own conclusions and be on hand to express them in the proper way at the polls.

Major McKinley is making a great fight in Ohio and will win. Do we want it said that we have lost Pennsylvania on the eve of a great Presidential battle, and that by our own apathy? By no means! Then be astir, Republicans, and let no excuse keep you from the election house. Make your calculations now, and then carry them out.

GREGG and Morrison should have 75,000 majority. Let every Republican do his duty on Tuesday, November 3d, and the majority will approach the century mark.

THE zeal with which ex-President Cleveland has entered on the New York canvass has already had a marked effect in broadening the lines of battle and giving national issues their proper weight in printed and oral discussion.—*Post.*

Our neighbor is in favor of the discussion of national issues in New York, but not in Pennsylvania. The Democratic platform in this State is silent on national issues. Republicans of Pennsylvania will not fail to note that Mr. Cleveland says this is the eve of the presidential contest and national issues cannot be kept out of the elections of 1891.—*Com.-Gazette.*

THIS is an off year in politics. See that every vote is gotten out on Tuesday, November 3d, and the whole [illegible] ticket elected.

GREGG and Morrison, the brave and gallant soldiers, were trusted, tried, and found not wanting in the field of courage. They stood up manfully for the rights and liberties of the people, and were ready to lay down their lives to protect the homes and firesides of our citizens. It is fitting, indeed, that the great State of Pennsylvania, which stood head and front in the history of the great rebellion, should do honor to its citizen soldiery in times of peace.

EVERY Republican in the county should be at the polls on election day and cast his vote for the ticket. Let there be no stay-at homes this year. Get out the vote.

The Crops in Our State.

The reports received by the State Board of Agriculture since the threshing of the wheat crop was commenced warrant Secretary Edge in changing his estimate of the yield slightly. The final crop reports of the board indicate that the wheat crop of 1891 will amount to 22,500,000 bushels from 1,300,000 acres, or at the average rate of 17¼ bushels per acre. In Chester, Lancaster and other southeastern counties crops of over 35 bushels per acre have been reported. Of this crop fully 2,500,000 was used for seed, leaving 20,000,000 for home use and for sale. At present prices it is safe to estimate the value of the crop at $22,500,000. This is the largest crop for a number of years.

The board estimates the oats crop of the past year at 31,500,000 bushels from 1,200,000 acres, or an average yield of 26½ bushels per acre. The yield of potatoes is estimated at 13,250,000 bushels from 142,000 acres. But inasmuch as this crop is still rotting quite badly in some localities, it is impossible to even estimate the yield in marketable potatoes. The hay crop of 1891 is estimated at 2,400,000 tons cut from 255,000 acres, or at the average of 1880 pounds per acre. The yield of corn, based upon the reports which have already reached the Board, warrants an estimate of 44,000,000 bushels from 1,325,000 acres, or at the average rate of 33.2 bushels per acre.

Secretary Edge estimates that if these crops were at once turned into cash they would pay the farmers of the State not less than $78,000,000. The condition of the live stock is good.

UNSOLICITED TESTIMONIALS.

SEVERE EYE TROUBLE CURED.

I have been troubled with some Eye disease for some time. The pain was almost unbearable at times, and I couldn't think of reading or sewing at any time. I put myself under care of Drs. McClellan & Salm, who visit Butler every four weeks. After only three months treatment, I consider myself entirely cured, and can safely say that my eyes feel better and I have better vision than at any time within the last twelve years. MRS. P. GOLDEN.
Butler, Pa, W. Jefferson street.

SUFFERED FEARFULLY.

Have suffered fearful pain in my left eye for more than five weeks, caused by breaking of a machine needle, and the same penetrating the eye-ball. I was treated for it by home physicians, but without the least success. But after the first treatment by Drs. McClellan & Salm I had and have now perfect relief and absolutely no pain. I am certain they understand their business.
Very gratefully,
MRS. REBECCA WEGLEY.

PERFECTLY SATISFIED.

Am now 20 years of age and was born cross-eyed. Drs. McClellan & Salm, who visited Indiana every four weeks, operated upon my left eye to-day. It was done within one minutes time and without pain, and now consider my eyes perfectly straight. Gratefully,
MAGGIE MILLS.

FISSURE, FISTULA AND ULCERATION OF RECTUM.

After first treatment the most intense pain had vanished as if by magic. For nearly five years I have suffered of rectum. The pain produced by same was at times almost intolerable, and my doing any work was out of the question. After having had the first treatment from Drs. McClellan & Salm the relief was remarkable and the fearful pain of years' standing had vanished as if by magic, and now after a short course of treatment I consider myself entirely cured.
Gratefully, JOHN HONOR.
Indiana, Pa., March 11, 1891.

EAR TROUBLE AND CATARRH.

I have been troubled with catarrh and deafness, ringing in the ears, about six years. Tried two different doctors in Pittsburg and ever so many patent medicines, without the least benefit. I am now under Drs. McClellan & Salm's treatment four months, and the improvement is remarkable, and I am certain that within a short time I'll be entirely cured. They are the doctors to go to to get cured.

LUNG TROUBLE CURED.

In June of last year I put myself under treatment of Drs. McClellan & Salm for a bad case of lung trouble. I was losing flesh rapidly and became weaker daily, so that my friend and myself became very much alarmed. Although treated by several of our best home physicians I began to sink more and more. At this date I consider myself entirely cured of all my previous trouble, have once more a good appetite and can sleep and eat with pleasure, and am indeed very much satisfied with the result. Drs. McClellan & Salm have done all they promised.

TUMOR REMOVED FROM DRUM OF THE EAR.

I have had a tumor growing in the ear almost attached to the drum. Drs. McClellan & Salm removed the same four weeks ago without any pain, and I can hear now with splendid results. They are great physicians. PETER ANMAN.
Somerset, Pa., Jan. 16, 1891.

TUMOR REMOVED FROM THE EYE-BALL.

A few months ago Drs. McClellan & Salm removed from my left eye-ball a tumor size of a small hazel nut with perfect success and no pain whatever, and was not kept in the house a single day on account of the operation. ALICE WORK.
