

FOREST COUNTY OFFICIAL.

The official figures of the election in Forest county will be found in this issue, and a brief scanning of the same will demonstrate that the showing is a very good one for the Republicans so far as the State ticket is concerned.

PENNSYLVANIA'S BIG MAJORITY.

The Republican majority in Pennsylvania is one of the most pronounced in its history, and is a stunner to the Democracy, who pretended, at least, to have some expectation of carrying the election.

Official returns from nearly all the counties in Ohio, place Major McKinley's majority at something over 20,000. The Legislature is largely Republican, thus insuring the election of a Republican U. S. Senator, which will likely be the returning of Senator Sherman, although Foraker, is making a fight for it.

New York gives Flower, Democrat, over 40,000 majority, while Iowa re-elects Boies, Democrat, with the legislature Republican.

GENERAL RESULTS.

Crawford county, official, gives Gregg 795 plurality, while Morrison leads Tilden 106. The Prohibitionists polled 509 votes. The vote on the Convention was quite close.

Complete returns of the election in Massachusetts have been received, which show that the next Legislature will stand as follows: Senate, Republicans 23, Democrats 17; House, Republicans 150, Democrats 83, Prohibition 1. Russell, Democrat, is re-elected Governor.

Venango county's official vote was as follows: Gregg, R., 771; Morrison, R., 480; Criswell, R., 646; Snowden, R., for Coroner, 851; Mason, R., for Jury Commissioner, 628. There were 1,042 votes for the Constitutional Convention and 4,056 against it, a majority of 3,014 against. The Prohibition vote in the county was 360, being 370 less than the vote of 1888, and 122 less than last year.

Warren county majorities: Gregg, R., 433; Morrison, 433. For the Convention, 1,222. The Republicans elect their county ticket except Sheriff, Roy, Democrat, having a majority of 59 over Gregory, Republican.

The Republicans carried Westmoreland county slick and clean. This is one of the substantial victories of the late election.

SECRETARY RUSK will issue a bulletin the first of the new year showing a comparative statement of the market price of the leading farm products for fifty years back. By the "market price" is meant the price paid to the producer. Secretary Rusk says the compilation will be the first of its kind ever issued. He proposes to secure his figures from the books of the oldest millers, packers, commission merchants and dealers in farm products in the three cities of New York, Chicago and Cincinnati. The Secretary thinks those cities represent the chief farm products of the country. The Secretary will appoint a special agent in each city to collect the statistics. The information is intended primarily for the benefit of the Senate committee which is investigating the operations of the tariff laws.

World's Fair Proclamation.

At noon Monday Governor Pattison issued the following proclamation: WHEREAS, The Congress of the United States has provided for the celebration of the four hundredth anniversary of the discovery of America by the holding of a great International Fair, under the name and style of the "World's Columbian Exposition," in the City of Chicago, in the State of Illinois, which is to be formally dedicated on the twelfth day of October, A. D. 1892, and regularly opened to the public on the first day of May, A. D. 1893, and to continue open for the period of six months; and

WHEREAS, In obedience to the President's proclamation, it is expected that every State in the Union and the people of every State shall contribute their due share to the success of said Exhibition, to the end that it may redound to the honor of the nation and advance its general welfare; and

WHEREAS, The Commonwealth of Pennsylvania is specially bound, in remembrance of the generous disposition that was displayed by her sister States and many of their citizens, in her behalf and that of her principal city, when the Centennial of our National Independence was celebrated in Philadelphia, A. D. 1876, to do her utmost part toward making said Exposition what every true American must desire it shall be;

Now, therefore, I, Robert E. Pattison, Governor of said Commonwealth, in response to the patriotic sentiment that has always characterized her people, and in accord with the laudable motive which prompted the last General Assembly to make liberal provision for the collection, arrangement and display of the products of the State at the World's Columbian Exposition, do hereby issue this, my proclamation, calling upon the citizens thereof without distinction of race, creed or sex, to prepare for furnishing their full proportion to the interest, value and financial prosperity of said Exposition; and I do particularly request all railroad transportation companies; all mining, manufacturing, shipbuilding and other industrial firms and corporations; all operators in and producers of natural oils and gases; all agricultural, horticultural, floricultural, botanical, geological and similar associations; all churches, schools, seminaries, colleges and universities; all historical, archaeological, religious, literary and library societies; all fine art galleries, museums and places of public instruction and amusement; all editors, publishers, printers and book-binders; all ministers, physicians and attorneys; all bankers and capitalists; all painters, sculptors, architects, designers, decorators and photographers; all who produce superior butter, cheese, grain, fruits, flowers, vines, vegetables, &c.; all inventors and skilled artisans; all trade unions and commercial organizations; all who possess articles of beauty, novelty, rarity or striking merit; all State, county and municipal officers; all trust and insurance companies; all persons in every avenue of life who may have something in their respective lines to present that is worthy of public notice and consideration, to lend their assistance in making the exhibit one that will be a source of pride to every Pennsylvanian, and a revelation to the world of the enterprise, progress and unrivaled resources of the State. And I do further request all citizens who may wish to take part in said Exposition to communicate at an early date with Benjamin Whiteman, Executive Commissioner of the Board World's Fair Managers of Pennsylvania, at his office in the city of Harrisburg, in order that he may be enabled to learn their views and purposes on the subject, and to aid in making such arrangements as to space and location as will secure the best results.

ROBERT E. PATTISON.

THE Augusta, Ga., exposition recently sent President Harrison a copy of the resolutions adopted at a mass meeting on the return of the exposition delegation from the east and Washington. An invitation was extended the President to attend the exposition. His letter acknowledging the receipt of the resolutions shows his interest in the prosperity of the entire south:

Hon. Patrick Walsh, Augusta, Ga.—My Dear Mr. Walsh:—I beg to assure you that I appreciate very highly the engrossed resolution of the meeting held in Augusta on Sept. 21st, which has just been received. I am sure that you will not doubt that it would give me pleasure to attend your exposition, but I am very busy, and take up the work of another winter without much rest during the summer for while I was at the seashore, the daily work of the departments came to my desk precisely as if I had been here. Even such a journey as you propose involves a nervous strain which can only be appreciated by those who have had much of that sort of thing to do. It is not probable, therefore, as I said to you when here, that I can further witness my interest in the success of the Augusta exposition by a visit to it. I should be glad to have from you any reports or information that will enable me to enlarge my knowledge of the industrial progress of the south. Very truly yours, BENJ. HARRISON.

OUR English cousins are none too well pleased with the result of the election in Ohio. The London Globe says: "We will make a great mistake if we look confidently for a Democratic triumph in 1892 and for the abandonment of the prohibitive duties."

UNSOLICITED TESTIMONIALS.

SEVERE EYE TROUBLE CURED. I have been troubled with some Eye disease for some time. The pain was almost unbearable at times, and I couldn't think of reading or sewing at any time. I put myself under care of Dr. McClellan & Salm, who visit Butler every four weeks. After only three months treatment, I consider myself entirely cured, and can safely say that my eyes feel better and I have better vision than at any time within the last twelve years. Mrs. P. GOLDEN, Butler, Pa., W. Jefferson street.

EAR TROUBLE AND CATARRH. I have been troubled with catarrh and deafness, ringing in the ears, about six years. Tried two different doctors in Pittsburgh and ever so many patent medicines, without the least benefit. I am now under Dr. McClellan & Salm's treatment four months, and the improvement is remarkable, and I am certain that within a short time I'll be entirely cured. They are the doctors to go to to get cured. W. R. MILLER, Kelley Station, Armstrong Co., Pa., Oct. 3, 1890.

LUNG TROUBLE CURED. In June of last year I put myself under treatment of Dr. McClellan & Salm for a bad case of lung trouble. I was losing flesh rapidly and became weaker daily, so that my friend and myself became very much alarmed. Although treated by several of our best home physicians I began to sink more and more. At this date I consider myself entirely cured of all my previous trouble, have once more a good appetite and can sleep and eat with pleasure, and am indeed very much satisfied with the result. Dr. McClellan & Salm have done all they promised. S. E. HARRIS, Blanco, Armstrong Co., Pa., Feb. 20, 1891.

TUMOR REMOVED FROM DRUM OF THE EAR. I have had a tumor growing in the ear almost attached to the drum. Dr. McClellan & Salm removed the same four weeks ago without any pain, and I can hear now with splendid results. They are great physicians. PETER ANSMAN, Somerset, Pa., Jan. 10, 1891.

PERFECTLY SATISFIED. Am now 26 years of age and was born cross-eyed. Dr. McClellan & Salm, who visited Indiana every four weeks, operated upon my left eye to-day. It was done within one minute time and without pain, and now consider my eyes perfectly straight. Gratefully, MARGIE MILLS, Marion Centre, Indiana county, Pa., Oct. 23, 1890.

TUMOR REMOVED FROM THE EYE-BALL. A few months ago Dr. McClellan & Salm removed from my left eye-ball a tumor size of a small hazel nut with perfect success and no pain whatever, and was not kept in the house a single day on account of the operation. ALICE WORK, Rochester Mills, Indiana Co., Pa., Jan. 14, 1891.

FISSURE, PISTULA AND ULCERATION OF RECTUM. After first treatment the most intense pain had vanished as if by magic. For nearly five years I have suffered of rectum. The pain produced by same was at times almost intolerable, and my doing any work was out of the question. After having had the first treatment from Dr. McClellan & Salm the relief was remarkable and the fearful pain of years' standing had vanished as if by magic, and now after a short course of treatment I consider myself entirely cured. Gratefully, JOHN HONOR, Indiana, Pa., March 11, 1891.

In its Worst Form. I was in pain all day, could get no rest either night or day and was not able to do any work for months, but after taking Pastor Koehn's Nerve Tonic only one week, I was able to sit up and attend to my dressing. I had paid over two hundred dollars to doctors and got no benefit. I certainly think I should have died long ago if I had not got this. ADA PENNELL.
