

THE FOREST REPUBLICAN.

J. E. WENK, EDITOR & PROPRIETOR.

WEDNESDAY, NOVEMBER 25, 1891.

THE total yield of grain this year is estimated at 3,537,475,800 bushels, worth \$432,811,562 more than the crop produced last year.

WE hope the Prohibition party leaders will secure a decision of the Supreme Court as to the Constitutionality of the election law enacted by the last legislature.

MINNEAPOLIS carries off the plum. That city was selected by the National Republican Committee, at its meeting in Washington, Monday, as the place where the next President will be nominated.

THE Philadelphia Times is now making predictions about the future history of the Republican party. Considering the fact that its most recent prediction of Republican overthrow in Pennsylvania was answered by the largest majority given in an off year, the predictions are not calculated to alarm any one.

EX-SENATOR PAYNE, of Ohio, says, "our people are not free traders." In reply to this question: "You then think Ohio cannot be carried for tariff reform?" he said: "Well if this cry of reform, reform, means free trade, it means that Ohio will never record a free trade vote."

TAMMANY is to support Crisp, of Georgia, for Speaker of the House, and to oppose Mills because he did not make any speeches in New York during the last campaign.

STATE TREASURER BOYER did a very graceful act in appointing State Treasurer elect Morrison as his cashier. Mr. Morrison is a competent accountant; he is a shrewd, careful man, and it will not be long before he will have fully mastered the complicated details of the Treasury Department.

"THE venomous hatred displayed by the Democratic press of the country towards our minister to Chili, Mr. Egan," says the Toledo Blade, "is simply because he is an Irishman and a Republican. There is every reason why Irish-Americans should vote with the Republican party, but none at all why they should vote with the Democrats.

HON. SILAS M. CLARK, of the State Supreme Court, died at 9:15 Friday evening last, at his home in Indiana, Pa. He was an able lawyer and a clear speaker. In person he was of robust physique and fine appearance.

From a letter written by Mrs. Ada E. Hurd of Grafton, N. H., we quote: "I was taken with a bad cold, which settled on my lungs, cough set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above."

Noyes, President Judge of the Court of Common Pleas and Quarter Sessions for the County of Forest, has issued his precept for holding a Court of Common Pleas, Quarter Sessions, &c., at Tionesta, for the County of Forest, to commence on the 30th day of December, 1891, being the 21st day of Dec., 1891.
