

Announcements.

NATIONAL DELEGATE. We are authorized to announce A. W. COOK, of Cooksburg, as a candidate for Delegate to the Republican National Convention...

The President has nominated Hon. Stephen B. Elkins, of West Virginia, to be Secretary of War, vice General Proctor, resigned. The appointment is looked upon by all parties as one of the best that could have been made...

On Wednesday of last week the President sent to the Senate the following nominations: To be United States circuit judge, as provided by section 1, chapter 517, United States statutes, at large, William L. Putnam, of Maine, for the First Judicial Circuit; Nathaniel Shipman, of Connecticut, for Second; George M. Dallas, of Pennsylvania, Third; Nathan Goff, of West Virginia, Fourth; Wm. H. Taft, of Ohio, Sixth; Wm. A. Woods, of Indiana, Seventh; Warren Traitt, of Oregon, United States district judge for the district of Alaska.

Here's Fun.

There's blood on the moon down in Washington. Ever since the bitter Speakership fight, Mills, the defeated candidate, has been sulking. A more sour individual would be difficult to run across in these broad United States just at this time. And what's worse his successful opponent, Crisp, is engaged in the rather harrassing amusement of pouring vitriol on the wound of his vanquished adversary.

My DEAR SIR—I have received your letter of the 18th instant, asking me "if it would be agreeable or acceptable" to me to be appointed second on the committee on Ways and Means, and in addition to such assignment, to be appointed chairman of the committee on Commerce, or chairman of the committee on Postoffices and Postroads, or chairman of some committee whose work is less laborious than Commerce or Postoffices.

Having been a member of the committee on Ways and Means for ten years, and chairman in the Fiftieth Congress, the reasons which have in your judgment rendered my appointment as chairman unwise would disqualify me for service in any other place on that committee, and it would not be sincere to say that it would be agreeable to accept your tender.

I leave to you, without any suggestion from me, to make such other assignment as you, in the discharge of your official duty, may determine.

Brother Crisp has not been heard from since on the subject, but it is believed that he will be inclined to let the Cleveland champion sulk in his heart's content for the balance of the session. And there'll be fun, no doubt.

Senator Plumb Dies Suddenly.

Senator Preston B. Plumb of Kansas, died suddenly of apoplexy shortly before noon Sunday. His death occurred in the unpretentious three-story brick boarding house, 610 Fourteenth street, in the city of Washington, in which convenient location he has for the last five or six seasons taken up his quarters during the session of the Congress. In a very short space of time the news spread over the city, and the expressions of regret were universal and not confined to any political party.

Senator Plumb was born in Delaware county, Ohio, Oct. 12, 1837; received a common school education and afterward learned the art of printing. He removed to Kansas in 1856 and was a member of the Leavenworth constitutional convention in 1859; was admitted to the bar in 1861 and served in the lower house of the legislature in 1862; in August of the same year he entered the service as second lieutenant in the Eleventh Kansas infantry, and served successively as captain, major, and lieutenant colonel of that regiment; was commissioned as colonel of the same regiment of the same regiment in August, 1862. He was speaker of the Kansas house of representatives in 1867 and also a member in the following year; was elected to the United States Senate as a Republican, and he took his seat March 4, 1877, was re-elected in 1883 and '88. His term of service would have expired March 3, 1895.

It is not known yet who will be Senator Plumb's successor. The law of Kansas provides that a vacancy like this shall be filled by appointment by the Governor until the next meeting of the legislature, which will not be until 1893. Governor Humphrey is a Republican, but he very sensibly refuses to discuss the matter until after the burial has taken place. Ex-Senator Ingalls has already been mentioned, but the personal enmity between him and the Governor almost precludes the idea of his selection.

UNSOLICITED TESTIMONIALS.

SEVERE EYE TROUBLE CURED. I have been troubled with some eye disease for some time. The pain was almost unbearable at times, and I couldn't think of reading or sewing at any time. I put myself under care of Drs. McClellan & Salm, who visit Butler every four weeks. After only three months treatment, I consider myself entirely cured, and can safely say that my eyes feel better and I have better vision than at any time within the last twelve years. Mrs. P. GOLDEN. Butler, Pa., W. Jefferson street.

SUFFERED FEARFULLY.

Have suffered fearful pain in my left eye for more than five weeks, caused by breaking of a machine needle, and the same penetrating the eye-ball. I was treated for it by home physicians, but without the least success. But after the first treatment by Drs. McClellan & Salm I had and have now perfect relief and absolutely no pain. I am certain they understand their business. Very gratefully, Mrs. HERBERTA WEGLEY.

PERFECTLY SATISFIED.

Am now 20 years of age and was born cross-eyed. Drs. McClellan & Salm, who visited Indiana every four weeks, operated upon my left eye to-day. It was done within one minutes time and without pain, and now consider my eyes perfectly straight. MARGIE MILLS. Marion Centre, Indiana county, Pa., Oct. 23, 1890.

PISURE, FISTULA AND ULCERATION OF RECTUM.

After first treatment the most intense pain had vanished as if by magic. For nearly five years I have suffered of rectum. The pain produced by same was at times almost intolerable, and my doing any work was out of the question. After having had the first treatment from Drs. McClellan & Salm the relief was remarkable and the fearful pain of years' standing had vanished as if by magic, and now after a short course of treatment I consider myself entirely cured. JOHN HONOR. Indiana, Pa., March 11, 1891.

PASTOR KOENIG'S NERVE TONIC

Two Bottles Cured Her. V. GAMBOLD, Iowa, July, 1891. I was suffering 19 years from shocks in head, so much so that at times I didn't expect to recover. I took medicine from many doctors, but did not get any relief until I took Pastor Koening's Nerve Tonic. The second dose relieved me and 2 bottles cured me. S. W. PECK.

HARRISBURG, Pa., March, 1891. We began using Pastor Koening's Nerve Tonic for our 14-year-old daughter (who had had epileptic fits since she was 5 years old) over a year ago with but little hope of any good, as we had been so often disappointed in other remedies but soon after using this medicine she began to get better, and we hope that any and all afflicted with this terrible disease will try your medicine. I recommend your medicine to every one afflicted with any nervous affliction. H. B. BINGHAM.

FREE A Valuable Book on Nerve Diseases sent free to any address and poor patients can also obtain this medicine free of charge. This remedy has been prepared by the Reverend Pastor Koening of Potosi, Mo., since 1874, and has proved itself a specific in every case.
