Church and Sabbath School.

Presbyterian Sabbath School at 9:45 a. m.; M. E. Sabbath School at 10:00 a. m. Meeting in M. E. Church every Sabbath evening by Rev. Rumberger. Preaching in the M. E. Church every Sabbath evening at the usual hour. Rev. F. F. Shoup, Pastor.
Services in the Presbyterian Church every Sabbath morning and evening, Rev. J. V. McAninch officiating.

LOCAL AND MISCELLANEOUS.

—Oil market closed yesterday 621.

—Esquire Wm. Richards, of Mayburg, was shaking hands with friends here this week.

—Mrs. Albert Hayden and little boy, are up from Pittsburgh this week visiting Tionesta friends.

—Revival services are being conducted by Rev. Rumberger, with good success, at the M. E. Church.

—Ice of a fair quality is being packed. Some of the early birds have already completed their harvest.

—Rev. F. F. Shoup, of Sharpsville, Mercer county, accompanied by his little boy, visited friends here during the past week.

—Rev. David Latahaw, presiding elder of the Clarion district of the M. E. Church, died at his home in Clarion yesterday of grip.

—Master Claude and Misses Gussie and Maude Campbell, of Tionesta, returned home Monday morning, after visiting relatives in the city Saturday and Sunday.—Oil City Blizard.

—George Walters, who conducts Landlord Brownell's meat market, killed the prize porker of this section one day last week. It tipped the beam at 490 pounds, and was a rare specimen of swine.

—The wife of Mr. Ditto, living on the Jahn Hunter farm across the river, died from the grip Monday. For a number of years the family were residents of Faguodus. Her age was about forty.—Tidouto News

—At the license court at Franklin, on Monday, Judge Taylor granted 43 of the 47 applications, one was refused, and three held for consideration. Of this number Oil City gets 22, Franklin 13, Emlenton 4, Pleasantville 1.

—Alex. Fitch, who has suffered a severe attack of grip, departed for Erie, Monday, where he will place himself under the care of physicians at the hospital, his trouble seeming to hang on longer than he thinks it ought.

—"I have found a gift for my fair." Naturally it may be supposed it is a flower for her hair, a diamond for her finger, or a box of candy, but it is far better than these. It is a bottle of that famous Salvation Oil to cure her neuralgia, pretty dear.

—Word received from Stoneboro conveys the pleasant news that Mrs. J. Bonner, who has been dangerously ill for some time, is now in a fair way to recovery. Her son and daughter of Chicago, Mr. Chas. Banner, and Mrs. B. W. May, have been with her during her serious illness.

—Rev. Mr. Bell, who has been the guest of Rev. McAninch during the past week, assisted him in conducting communion services at the Presbyterian Church last Sabbath. The attendance of communicants was unusually large, and several united with the church by letter and on confession of faith.

—The third and fourth rooms of the borough school were closed during part of the past week, owing to the illness of Miss Paup of the third room, and absence of Principal Armstrong at the sick bed of his father. The pupils have enjoyed their short vacation to the full extent sliding and skating.

—The Republic is a new, and by-the-way, very handsome, bright faced, eight page paper, published at Kane, McKean county, by L. Rogers & Co., with J. W. Baker as manager. That the new enterprise will be a success goes without saying—it could not be otherwise with our old friend Lucius Rogers at its back. Abundant prosperity to the new beauty. May it live long to fight the battles of pure Republicanism.

—The spring elections come on apace, February 16th being the day. The man who wants office should now be heard, and our columns are open to all who wish to announce, and we'll do the job cheap, very cheap—for a song, in fact, and you may sing it yourself. We've also got an office which we'll not begrudge to any one, and the worthy citizen who is anxious to cover himself with glory can have it and welcome, just for the asking, so far as we're concerned. Don't all speak at once.

—One of my children having had a severe case of whooping cough I was induced to try Dr. Bell's Cough Syrup, the child was entirely cured by the use of two bottles. In view of the above, I deem it a pleasure to forward this testimonial of its efficacy. James Buckley, 1936 Lombard St., Philadelphia, Pa.

—Mr. Kennedy Hawk, of Nebraska, returned this morning from the hospital at Pittsburgh, where he had another operation performed on his right leg, which had been bothering him of late. While not over sanguine that the operation has been a complete success, he still feels hopeful that the wound will heal without further difficulty, in which hope his many friends heartily join.

—Marcus Hulings, known throughout oldom as one of the most public spirited and useful citizens within its limits, died at his home in Oil City on Monday night of this week, aged 68 years. He was a man of large means, and spent much of it in a charitable and benevolent way, and he will be missed and mourned by a very large circle of friends. He was closely related to the Hulings family formerly of this place.

—The following paragraph from the News hits off the situation - rebouts as well as in Franklin, and on the "misery loves company" score, is a little bit comforting anyway: "The doctors in this city have been a very busy lot of men during the present season. The calls upon them were for a time so numerous and frequent that about every one of them had to get along with only about forty winks of sleep per day."

—The Tidouto News very properly observes that "1892 is going to be an expensive year in the matter of mutual life insurance, particularly among those orders strong in the north. The death rate although covering more territory, will be greater than from yellow fever in any one year in the south. But the obligated brotherhood should stand firm and meet the relief calls. That is the object of the orders and the only cause of their being."

—The dwelling house of Jack Reed, but not occupied by him at the time, situated about one mile from Marienville, on the road leading to Tylersburg, was burned to the ground on Saturday night last, taking fire between 10 and 11 o'clock. The house was a substantial one and, together with an outbuilding also destroyed entails a loss on Mr. Reed of \$1,500 to \$2,000, the insurance on which had expired but a few days previous to the fire.

—The trouble over the injury to James Manross, of Hunter's Station, mentioned in our issue of two weeks ago, culminated in the arrest last week of Mr. John Booher, a neighbor, and on Friday a hearing was had at the injured man's house, presided over by Esquire Pettigrow, of President, who, on the testimony adduced, bound Mr. Booher over to court in the sum of \$1000. The nature of Mr. Manross' injuries being such that he is unable to leave his home at this time the trial will likely not come up at the present term of court at Franklin, where it must be had, the alleged offense having occurred in Venango county.

—A resident of Forest county was in the city yesterday, and claimed his object in coming to Oil City was to find some of the members of the Fur, Fin and Feather club and notify them that the game laws are being seriously violated in the vicinity of Tionesta. He stated that deer are being banded regularly and that less than a month ago a 200 pound buck was driven into the river and killed within a half mile of Tionesta.—Derrick, Jan. 26. The Derrick has been misinformed in this matter. We are told by a reliable party that the deer in question was driven into the river near President, by dogs that had been started on a fox chase. We have not heard of any other violations of the law. Forest county sportsmen are not guilty of any such tricks.

—We accompanied Sheriff Osgood on a flying visit to the hustling town of Marienville yesterday. Business continues fairly brisk there, and the town looks neat, new and enterprising, even in mid winter. Our stay was too brief and the temperature too frisky for a general inspection, but no one can spend even an hour there without being favorably impressed with the place and its people. About 2 o'clock in the afternoon the populace was aroused by an alarm of fire at the large new school building, and responded promptly with buckets and water, but it happily proved only a scare, and grew out of the fact that the walls next the stove became overheated, leading the principal, Prof. Elliott, to believe they had caught fire and were charring between the studs. There was general relief of feeling when the danger passed over, but the children were not so happy while they gathered up their scattered books and papers.

—Mrs. Jane Shriver, wife of James Shriver, of Plum township, Venango county, died at her home on the 19th inst., aged 58 years. The family were former residents of Tionesta, this being their native home, but many years ago they removed from here, finally locating at the above named place. Mrs. Shriver leaves a husband, (brother of our townsman Z. T. Shriver), two sons and one daughter, together with a large circle of friends, to mourn her loss. She was a woman much esteemed by those who knew her, and one of more than average intelligence.

A New Departure.

Chas. F. Black & Co.'s new store in the Holeman Building. On Monday, Jan. 25th, Messrs. Chas. F. Black & Co., Gent's Clothiers, Hatters and General Furnishers, of Oil City, opened a branch store in the Holeman Building upon the inhabitants of Tionesta and vicinity, in fact, upon the entire people of Forest county, an opportunity of which it is hoped advantage will be taken. They are carrying an elegant and complete line of Men's, Youth's and Children's Clothing, together with a stock of Hats and Furnishing goods which surpasses anything of the kind ever brought into the county. In order to make their stock the more complete and at the same time offer to their patrons every convenience which it is within their power to bestow, they have associated with themselves Mr. F. M. Stephenson, the well known Boot and Shoe dealer of Oil City, whose reputation for handling the finest and most complete line of footwear in the entire oil country and vicinity is as general as is his reputation for remarkably low prices.

The Shoe Department will be under the direction of Mr. Milo N. Miles, chief clerk for Mr. Stephenson, whose experience and generally affable and agreeable ways will ensure Mr. Stephenson's patrons prompt and careful attention. The entire stock of their combined interest is, in fact, as regards quality and price, an exact counterpart of the very superior lines carried by each of them in their Oil City stores, and if the success which has followed their efforts to please and accommodate the trade in Oil City is any criterion by which to judge of the result of their efforts in that direction here in Tionesta, we feel safe in saying that our readers have indeed an opportunity to grasp.

In addition to Ready Made Clothing, Furnishing Goods and Boots and Shoes the new firm will do Custom Made Work, having secured for that purpose the services of Mr. T. J. Van Wert, of the firm of Geary & Smith, of Oil City, Pa., whose success as a cutter is as well known as is the quality of goods handled by the firm which he represents.

For fear of a misunderstanding of these young gentlemen it may not be amiss to mention that they are not opening up a Bankrupt Sale, since they have not yet become bankrupt nor are they trying to dispose of a stock which is the accumulation of many years. And that this is true follows from the fact that the firm of Chas. F. Black & Co. began business in Oil City only last February, and in consequence the goods here in Tionesta, since they are for winter wear only, have all been purchased within the past three or four months. We have no hesitancy in recommending to our readers Messrs. Chas. F. Black & Co. together with their associate Mr. F. M. Stephenson, and if, for no other purpose than that of meeting and knowing the affable, whole-souled and gentlemanly manager of the store in the Holeman Building, Mr. Neil Fortune, we would ask our friends to call on the Tionesta Branch of Messrs. Chas. F. Black & Co.

—Rev. Shoup, of Sharpsville, Mercer county, who was our pastor at this place last year, is visiting friends here and at Tionesta. He preached at this place last Sabbath. The people of this place are all glad to see him. Come again.

There is considerable sickness here at present. Artimus Handy, who was getting over the gripe nearly went to work, took a relapse, and was quite bad, but is better at present writing. Mrs. Handy and one of the children now have the gripe. Jas. Cummings, who has been home for a week, went back to his work Monday.

"Aaro Copeland's family" most all have the gripe. Mrs. C. was quite bad this morning and had to send for the doctor. The rest are all doing well, we understand. Mrs. Manross and family went to Erie last week, where they expect to make their future home.

A. J. Handy lost one of his team horses last Friday night. This loss falls quite heavily on Mr. Handy.

Mrs. Clara Metcalf returned home last Saturday from a week's visit with friends in Tionesta and Hickory.

R. J. Christy, our school teacher, was sick on Sabbath, but was able to teach Monday.

Gib. Thomson, who has been home for some time expects to return to Chicago this week.

Dingman & Dale's lumber and ties are being moved to the river very rapidly on this snow.

Mr. J. M. Vandelin was home from Marienville over Sabbath, but started back this morning.

Mr. Marshall, who we reported as being sick, we understand is no better. The Spence is home from Michigan, where she has been for almost a year. Preaching next Sabbath by Rev. Brennan. Jan. 25. CITIZEN.

Clarion.
Robert Hillard and H. J. Grey, who have been on the sick list for the past few weeks, are slowly improving.
John Cassatt had the misfortune to have his foot smashed to-day.
The boys had a social hop in the hall last evening. It was the best that has ever given in this place.
Wonder why some of the young ladies of this place change their minds so often? One of our boys had had luck a few nights ago by getting lost, but turned up all right next morning.
A. W. Fitzgerald was in town this morning.
Some of the boys were down from Marienville on Friday evening. XX. Jan. 23.

McDonald Production is Going Down,
And to make times average H. J. Hopkins & Co. will sell 150 fire-test oil for 7 1/2 cents per gallon. 2t

—For bargains in Furniture go to S. H. Haslet & Son's cheap furniture store.

—As to ladies' Newmarkets; well, you can get 'em at about your own figures at Hopkins & Co.'s now. They must go, and are going—at less than half the usual selling price. Come and see. tf

The New Discovery.
You have heard your friends and neighbors talking about it. You may yourself be one of the many who know from personal experience just how good a thing it is. If you have ever tried it, you are one of its staunch friends, because the wonderful thing about it is, that when once given a trial, Dr. King's New Discovery never after holds a place in the house. If you have never used it and should be afflicted with a cough, cold or any Throat, Lung or Chest trouble, secure a bottle at once and give it a fair trial. It is guaranteed every time, or money refunded. Trial Bottles Free at Proper & Doult's Drugstore.

As a substitute for the present composition of cigarettes what's the matter with rubber wrappers and anastofida fillings?—Blizard.

According to the first official report of Messrs. Delamar, made last Monday at Meadville, the general creditors of the insolvent bankers will not receive more than eight or ten cents on the dollar.

In the case of Breene & Fair, vs. The Torpedo Co., tried at Warren last week, the jury on Saturday brought in a verdict of \$1,400 for plaintiffs. They had sued for \$3,000. The action was for damages for the destruction of ice houses and buildings near Oil City, caused by the explosion of a boat load of nitro-glycerine, Nov. 30, 1899.

When Jay Gould was a struggling young surveyor, with hardly one cent to rub against another, he stamped his initials and date on a copper cent, and put it in circulation. Recently Mr. Gould received some pennies in change at the Twenty-third Street Ferry, and on looking over them he found the coin he had stamped was among them.

Among the ancient Germans was a favorite drink called "methueglin." It was made of mead and honey. This honeyed drink was used especially at marriage festivals, which were kept up among the nobility for a month, the festive board being well supplied with methueglin. "Honeh-moon" signified the moon or month of the marriage festival. Hence the modern honeymoon.—Ee.

Our sportsmen rejoice over the fact that the ladies have discovered an unobjectionable name for the skunk, says an exchange. The correct thing nowadays is to call these odoriferous pests "Russian Sables." Under this name their furs, which are really very fine, are much sought after, single skins easily bringing \$1.25 and likely to go higher. These highly performed night prowlers are sometimes called pole cats, because, as Josh Billings says, a long pole is the best thing to kill them with.

It is probable that the production of the old Matthews well No. 1, of Jennings, Guffey & Co., in the McDonald field, will never be equalled. It is the most remarkable well ever drilled in the history of the oil country, as since its opening in July it has produced altogether within a few thousand of 600,000 lbs. of oil, and may yet put out many thousand barrels before it finally expires. It was a fortune in itself, as the value of the oil it has produced is not less than \$300,000, while the actual investment in the well was probably not over \$7,000. On Thursday, for the first time in its history, the production fell below 20 lbs. an hour.—Franklin News.

An election of the officers of the W. N. Y. & P. railroad was held in Philadelphia, Jan. 14th, which resulted in a victory for the Philadelphia stock holders, and will probably give the control of the road to the Pennsylvania railroad. The new board comprises Samuel G. Decoursey, Nicholas Thouron, George E. Bartol, Charles M. Lee, William C. Balle, J. Randal Smith, William T. Tiers, E. W. Clark, Jr., John K. Barclay, all of Philadelphia; Gustav E. Kissel, John B. Probst, William Mortons and Edward L. Owsen. The old members who were defeated for re-election were President Calvin H. Allen, Adolph Elder, P. P. Pratt and Isaac N. Seligman. The election brought out an unusually heavy vote, 175,000 shares being represented out of a total of a possible 197. The result insures the election to the presidency of Samuel G. Decoursey.

The town of Caribou, Maine, the native home of our esteemed townsman, J. H. Hardison, has a citizen, says the Republic, who claims to have discovered an electrical power in the earth, by means of which he is able, with the use of electrical instruments invented by himself, to transmit sounds any distance, simply by connecting wires with the earth at different points, and making use of the positive and negative electrical current forces in the earth. This system promises to do away with, and make unnecessary, the use of all batteries which are now used for transmission of sounds by the telephone and telegraph, and to use the natural forces of the earth instead. The inventor has a line about one mile long in successful operation, and all those who have examined it say it is something wonderful.

If this discovery proves to be all that is claimed for it will work a revolution in the electrical science, and powers which have heretofore been useless, because unknown, will be developed and do the work which is now done by expensive machinery.

No healthy person need fear any dangerous consequences from an attack of the gripe if properly treated. It is much the same as a severe cold and requires precisely the same treatment. Remain quietly at home and take Chamberlain's Cough Remedy as directed for a severe cold and a prompt and complete recovery is sure to follow. This remedy also counteracts any tendency of the gripe to result in pneumonia. Among the many thousands who have used it during the epidemics of the past two years we have yet to learn of a single case that has not been recovered or that has resulted in pneumonia. 25 and 50 cent bottles for sale by Proper & Doult, Drugstore, Tionesta, Pa.

English Spavin Liniment removes all hard, soft or caloused lumps and blemishes from horses, blood spavins, curbs, splints, swellings, ring-bone, stiff joints, sprains, all swollen throats, coughs, etc. Save \$50 by use of one bottle. Warranted the most wonderful blembish cure ever known. Sold by Proper & Doult, Drugstore, Tionesta, Pa.

BUCKLEN'S ARNIC A SAGE.
The best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever, Itch, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Proper & Doult.

Perhaps you are run down, can't eat, can't sleep, can't think, can't do anything to your satisfaction, and you wonder what ails you. You should heed the warning, you are taking the first step into Nervous Prostration. You need a Nerve Tonic and in Electric Bitters you will find the exact remedy for restoring your nervous system to its normal, healthy condition. Surprising results follow the use of this great Nerve Tonic and Alterative. Your appetite returns, good digestion is restored, and the Liver and Kidneys restore healthy action. Try a bottle. Price 50c. at Proper & Doult's Drugstore.

—P. M. Clark has a good house and lot for rent in the borough. Call on him if in need.

—Ioch, Maingo, and Seratches on human or animals cured in 30 minutes by Woodford's Sanitary Lotion. T is never fails. Sold by Proper & Doult, Drugstore, Tionesta, Pa. nov.18-91.

HERE WE ARE!

To save the people of Forest county, the trouble of going away for their clothing, we have opened

A - BRANCH - STORE,

IN THE HOLEMAN BUILDING,

(Opposite Bovard's Drug Store), in which we shall keep at all times a complete line of

READY MADE & CUSTOM MADE CLOTHING, HATS AND CAPS, FURNISHING GOODS, AND BOOTS & SHOES.

The latter goods are from the well known house of F. M. STEPHENSON, La berton Block, Oil City, and the stock will be kept up to the standard of the main store. Below we give a few prices which we defy our competitors to equal.
