REPRESENTATIVE DELEGATE. We are authorized to announce JOHN R. OSGOOD as a candidate for Delegate to the Republican State Convention.

REPUBLICAN PRIMARIES FOR ELEC-TION OF DELEGATES

Primaries for election of Delegate to State Convention, and nomination of Delegate to Minneapolis National Convention will be held in the several townships on Tuesday, February 16th, (the day of the February election), the return Judges to meet at the Court House, in Tionesta Boro, on Thursday, Feb'y 18th, at 2 o'clock P. M.

Rules same as govern regular Primaries. By County Committee. J. R. Osgood, Chairman. Jan, 20, 1892,

Secretary Blaine Says No.

The Republicans throughout the country, while not much surprised, were still greatly disappointed to receive Secretary Blaine's refusal to allow his name to go before the national convention for the Presidential nomination, and consequently his declination to accept the great office, for no reasonable man doubts his election were he to be nominated. Following

dency, and my name will not go before the Republican National Convention for the nomination. I make this announcement in due season.

To those who have tendered me their support I owe sincere thanks, and am most grateful for their confidence. They will, I am sure, make earnest effort in the approaching contest, which is rendered specially important by reason of the industrial and financial policies of the Government being at stake. The popular decision on these issues is of great moment, and will be of far-reaching consequences.

Very Sincerely Yours, (Signed.) JAMES G. BLAINE.

IF Reciprocity could be made to fail or to result in harm to the country Democratic joy would overflow. Since, however, it is proving triumphant and is winning great advantages for Amer ican industry its Democratic enemies are being forced to drink a bitter cup.

AT a meeting of cotton growers last week at Atlanta, Georgia, a proposition to petition Congress for a protect ive duty on cotton received warm support and was defeated only after a heated debate and a number of strong speeches in its favor. The leaven is heginning to work even in the cotton States.

Foreign countries that are indisposed to grant the demands made by the United States for reciprocal trade are strengthened and encouraged in their opposition by the Democratic press. Articles from Democratic papers ridiculing or denouncing Reci procity are translated and sent to foreign countries to encourage them in their resistance and to defeat, if possible, the efforts of the Republican party to open new markets for American products.

THE State Prohibition party last week made application to the Supreme Jourt to declare the Baker ballot law, under which this State will vote pext fall, unconstitutional, in that it shuts out that party from getting its candi dates on the official ballot. Last Monday the Court decided it had no jurisdiction, and so the law will probably stand. We are of the same opinion as the Tidioute News when it says: "Really, we hoped the act would be knocked out. The ticket next fall is going to be a terror under this law, and in order to get the vote polled correctly all nominess this spring for both Judges and inspectors of election should be shrewd sharp men, well up

He coolly laid down on his cot, pulled a blanket over his head covering his entire body from view of the watchman, and slashed himself with the razor-edged penknife. He ied that night from loss of blond. e gallows is thus robbed, as well newspapers of a heap of sensa-

rot which they were eagerly

installments for weeks to toubt. So there is no small rent akin.
