Men's Overcoats in Meltons, Beavers, Kerseys, Cheviots, Chinchillas, and Patent Smith, Mr. Henry W. Vail of West Beavers ranging in price from \$4.00 to \$27.00 and which we are selling here at from 10 to 39 per cent, less than regular prices.

Here, the same as in our Main Store the CHILDREN'S DEPARTMENT will be a Main Feature. As is well known by our former patrons our stock of CHILDREN'S

Hats and Caps originally worth from \$1.00 to \$5.60 will be closed out at prices ranging from 25 cents to \$2,90. The reason we are making such a cut in this department is that a good many of them are a little out of style and we wish to clean up the stock.

The stock of FURNISHING GOODS embraces everything carried by first class Furnishers, and at prices in the same proportion as the clothing. We have marked this stock of goods, in a great many cases, at prices lower than at 1 o'clock p. m., the following described the same goods can be manufactured for to-day for the purpose of reducing our stock real estate, to-wit: and realizing CASH on same, and request everybody to call and examine the goods and judge for yourself as to values. We are satisfied we can suit you in quality and

price if you will come in and give us a chance and if we sell you one of our suits we

feel sure you will come and see us again when in need of anything in our line,
