A daughter was born to Mr. and Mrs. H. H. Jones of the Boro, on Feb. 16. Mr. Jones and the two eldest children have been quite sick, but all are now improving.

Miss Kerr, teacher of Room No. 1, has been obliged to give up her school for a few days on account of sickness. Miss Nannie Morrow is filling her place for the time being.

Court, which meets next Monday, promises to be of the regulation size and longevity. Six cases are on the list, which, if all are tried, will keep things in motion all week and maybe more.

J. W. Landers represented Irwin Council, Royal Templars of Temperance, of this place at the annual meeting of the State Grand Council, at Union City, last week. Joe reports an excellent time.

A public entertainment in honor of George Washington, will be given by the Tionesta schools at School Hall, on Friday evening, Feb. 19th. A fine program has been prepared. All are cordially invited to attend.

At a recent meeting of the Hemlock Lumber Association held at Williamsport it was agreed to restrict the output of hemlock to eighty per cent. of last year's product, and to advance the price fifty cents per thousand feet.

Johnny—Johnny, if you don't go in the house this minute and get your overalls, I'll tell your mother. "Toll on then, I ain't a-aring—we've thrown away our rubbers and taken to Dr. Bull's Cough Syrup, we have."

Neil Fortune, manager of C. F. Black & Co.'s branch store in Tionesta, arrived here Monday, and will resume his old position in the store here, preparing for the spring opening. A. G. Mill's has been appointed manager of the Tionesta store.

Mrs. Samuel Clark and Mrs. S. J. Campbell departed for New Matamoros, Ohio, Monday evening, having received news of the serious illness of their sister, Miss Lizzie Rowles. Another sister, Miss Anna Rowles, died at that place last week and was buried on Wednesday.

From the Boston Evening Transcript of Feb. 2, we learn that Mr. L. H. Beaver, formerly of this place, has been promoted to the position of ticket agent in the office of the New York & New England railroad at Boston. Herman's many friends here will feel pleased to hear of his success.

The ice on the back channel and at the mouth of Tionesta Creek is in fine condition. The young folks, and some of the older ones too, are thoroughly enjoying the skating. Yesterday several of our gravest and most sedate men were observed in the midst of a very exciting game of "shinny" on the ice at the mouth of the creek.

B. M. McEntire, ex-County Treasurer of Clarion County, was arrested last Monday, charged with embezzlement of county funds during his term of office. A warrant is out also for the arrest of D. Lawson, a prominent attorney, who was deputy under McEntire and several of his predecessors. There is a shortage of over \$3,000. The information is made by bondsmen.

Republican primaries for the nomination and election of National and State Delegates were held yesterday. There being no opposition the vote naturally was light. An election board was organized in the Sheriff's office, where the Republican voters of the Boro and township deposited their ballots. For National Delegates W. Cook received 61 votes, and for State Delegate John R. Osgood received 62 votes.

If you can't say a good word to strangers about your own town, just keep quiet and say nothing. Never discourage people who think of locating in the place. Extend them a warm welcome, and help build up the town by encouraging all you can to locate here. Some people go whining around with their lip hanging down till everybody gets the idea that these growers have livers too dead to lubricate. Don't be a clam. Wake up.

At the spring elections yesterday Franklin elected C. A. Myers, Republican, Mayor, by a majority of 42, and a Republican Council and School Board. Meadville re-elected A. Gaston, Democrat, Mayor, by 150 majority. The Republicans carried both branches of the council, and the balance of the city ticket. In Titusville the Democrats have the select council and the Republicans the common council. In Oil City the results are about evenly divided.

Governor Pattison, on Thursday last, issued a proclamation asking the people of Pennsylvania to contribute of their abundance for the relief of the suffering and starving millions in Russia, and in closing says, "that contributions for that purpose in money may be sent to Drexel & Co., of Philadelphia, and contributions in grain and other supplies may be forwarded to the American Steamship India, which will sail from Philadelphia on February 20, 1892, to carry all such provisions for the suffering people of the Russian Empire. All articles contributed should be marked 'For'.

Judge and Mrs. Charles C. Polk, of Sturgis, South Dakota, have issued invitations to friends to be present at the marriage of their niece, Mabel Charlotte Polk, to Lieut. Charles W. Farber, of the U. S. Army, on the 29th, inst., at St. Thomas Church. Miss Polk has a large and very favorable acquaintanceship among the young people of Tionesta, all of whom will hear this bit of news with interest and pleasure, and will join in best wishes for a long and happy life to her.

Brother Baker of the Ridgway Advocate, has had the grip, and here are his remarks on the subject, which will be appreciated by everyone who has had a tussle with it: "For our own part we've heard enough jokes about the grip. We have had the grip, and consider it too serious a matter to be even suggestive of anything that might suggest even a puny jokelet. Fun's fun, but grip isn't humorous in the least degree. It's mournful as a dirge, and cheerless as the cold damp grass."

Portions of the country districts in Western Pennsylvania have been flooded lately with delusive circulars from New York "green goods" men. The letters are confidential and unfold a bright future for the man who will avail himself of the opportunity to gain wealth at a comparatively small cost. Enclosed in the letter is a slip of paper, on which is written the following address: "F. L. Fisher, 2114 Eighth Avenue, New York City." The intended victim is cautioned not to write, but to telegraph when he will come on to purchase the green goods and a meeting place at some point within 50 miles of the city will be arranged.

A large number of well-known business men met in the Eagle Steam Saw Mill Works, Greenpoint, N. Y., Saturday last to witness an exhibition of a new process of cutting boards from the log. The machine used was a knife that weighed, with its settings, 450 pounds. It is moved by a flywheel that weighs six tons. The entire plant weighs over 40 tons. The logs cut were spruce, birch, green ash, Spanish cedar, beech, maple and cherry, and were sliced into half-inch planks at the rate of 25 a minute, and dressed on both sides. The exhibition was pronounced a success, and is destined to revolutionize the lumber trade.

In noting the arrest of a man at Dunkirk for cruelty to a team, in allowing the animals to stand too long in the cold, the Observer, of that place, makes the following comments, which are applicable everywhere: "There cannot be too much thought and care taken of the comfort of horses that are driven into town and tied on the street. There is a reasonable time for standing out, especially in cold weather, and it is the business of a policeman to take official notice of cases where proper care is neglected. If people will be observant as well as kind-hearted, and feel themselves to a degree responsible for what is done and permitted to be done before their eyes, all such things would be speedily reformed to the advantage of all concerned. Every good and wise citizen will speak out and not shrink when his voice, influence and action are needed."

There was quite a large attendance at the missionary meeting held in the Free Methodist church last evening. Rev. J. G. Terrill, Assistant Secretary of the Mission Board, presiding, and made an address on the character, customs and manners of the people of South Africa, the place in which two of the ladies with him have been assigned to labor. He spoke of the present degradation that now exists among those people and the possibilities of raising them to a high place in society through the influence of christianity, and a christian civilization. Each of the three ladies who are going out to the Foreign field, also made addresses, telling of the motives which led them to take this step, and of their desire to serve their Master in this way. Miss Myers and Miss Hillman go to South Africa, and Miss Jones to India. An offering of \$20.77 was taken up. At the close of the services a Woman's Foreign Missionary Society was organized.

Should be kept at stables and stock yards. Salvation Oil is the best friend not only of man but of dumb beasts as well. For swelled joints, strained tendons, old sores, saddle galls, and wounds of all kinds there is no remedy like Salvation Oil.

MRS. KATHERINE ZUENDEL. Katherine, wife of George Zuendel, died at her home in Green Township, on Thursday, Feb. 11th, 1892, of pneumonia. Mrs. Zuendel's maiden name was Blum. She was born May 5, 1853, and was aged 38 years, 9 months, and 6 days. September 20, 1885, she was united in marriage with George Zuendel. To them three children have been born, all of whom are living, the youngest aged about 10 weeks. Her mother, three brothers, and one sister are also living. Mrs. Zuendel was a member of the Lutheran Church, in which she was confirmed in the year 1870. She was a woman of consistent Christian character, highly esteemed by those who knew her. Her bereaved family and husband have the sympathy of all. The affliction fallen upon them is indeed a sad one. And may He who is able and who holds all things in His hands deal tenderly and speak with words of comfort to these whose hearts are weighed down with so great a sorrow.

Rev. J. V. McAninch conducted the funeral services, which were held at Mt. Zion Church, on German Hill, Saturday, February 13th, at 10 o'clock a. m.

MRS. ANNA CATHERINE WEINGARD. Mrs. Anna Catherine, wife of Henry Weingard, died at her home on German Hill, Friday, Feb. 12, 1892, aged 42 years, 9 months, and 4 days.

Mrs. Weingard, whose maiden name was Glassner, was born in Clarion County, May 8, 1849. She had been a sufferer for some time from Bright's disease, which terminated in her death as above noted. Mrs. Weingard was a member of the Lutheran Church and a consistent Christian. She was beloved and respected by all who knew her and her loss will be deeply felt in the community. She was the mother of five children, all boys, three of whom, with her husband, survive her. Her mother, one sister and one brother also survive.

The funeral services were conducted by Rev. Bose, of Youngstown, Ohio, at Mt. Zion Church, German Hill, Sunday, Feb. 14th, at 12 o'clock.

Spring Elections.

Spring elections were held in this State yesterday, the last that will take place under the present law. The next election will require no small amount of work, more or less vexatious to both officer and elector, to put in operation and carry on properly. In this borough and township there was no special interest manifested in the results, and there was consequently a light vote out. The Borough citizens' caucus was held Monday evening, at which the following ticket was nominated, and which was elected throughout. The only office for which there was any contest was that of Collector, J. W. Landers being opposed by S. S. Canfield. The result was, Landers 55, Canfield 43.

BURGESS, C. R. DAVIS, Councilman, Joseph Morgan, W. A. Hills, High Constable, H. H. Shoemaker, Judge of Elections, R. B. Crawford, Inspector of Elections, J. B. Edens, J. J. Landers, School Directors, Jas. R. Clark, T. F. Hitchey, Assessor, D. W. Clark, Collector, J. W. Landers, Constable, S. S. Canfield, Overseer of Poor, C. A. Handall, Auditors, J. T. Dale, J. T. Dale, Harry Kinestiver.

Tionesta Township held a citizens' caucus Saturday afternoon last, and the following ticket nominated, which went through yesterday without opposition:

TIONESTA TOWNSHIP. Judge of Election, J. B. Edens, Inspector of Election, W. W. Thomas, Frank Monday, Township Treasurer, Wm. Lawrence, Road Commissioner, F. Wenk, School Directors, W. S. Clark, Lou Stroup, Collector, Matthew Bortzer, Township Clerk, Q. Jamieson, Assessor, P. C. Blocher, Township Auditor, Wm. Mealy, Overseer of Poor, Henry Rhodes.

People Have Changed Their Minds.

J. G. C. Seigworth, one of Lickingville's prosperous young business men, was a visitor at the Democrat office last Saturday and on being interrogated as to the prevailing opinion in that section now concerning the guilt or innocence of Dan and John Everhart in the never-to-be-forgotten tragedy with which their names were prominently connected, Mr. Seigworth stated that there were few if any in all the country round about who now believe that either Dan or John Everhart are guilty of the least complicity in the crime so many people were ready to believe them guilty of some years ago. John Everhart, he informs us, is living with his son Dan near the old homestead, which is unoccupied, and both men have almost entirely succeeded in living down the cruel charge against which they were once obliged to defend themselves in a court of justice. Nothing in their lives or actions in the intervening years, says Mr. Seigworth, would give rise to the faintest suspicion of guilt, as their lives have been well ordered and exemplary. Many of those most familiar with all the details of the tragedy are now and long have been of the belief that no murder was committed on that fatal day in March, 1886, but that both women came to their deaths by their own hands and that in order to shield from the tongue of scandal those whom they loved the husband and son concealed the evidence of the truth and thus were made to innocently suffer a grievous wrong.—Clarion Democrat.

KANSAS LETTER.

As it has been some weeks since I bid good-bye to my old friends in Forest and turned my face westward, I have decided to write a few lines for the REPUBLICAN, letting this be a substitute for the numerous letters I promised to write, but which I have failed to do. After leaving Tionesta I was joined at Utesa by my old friend Wm. Hood, of Utesa. We passed the time very pleasantly together till we arrived at Chicago. Here, as we were obliged to wait some hours for our trains, we called upon Mr. Chas. Bonner; had a pleasant visit with him. He furnished a guide to escort us to the principal places of interest in the city. The time passed so pleasantly that before we were aware of it the time had arrived to return to the depot, having had scarce a glimpse of this great, busy city. Here I was obliged to say good-bye to Mr. Hood, as our roads lay in different directions; was sorry I couldn't have his company to the end of my journey.

Arriving in Kansas City I stopped one day, shook hands with a few old friends, then journeyed on to my farm in McPherson County, Kansas. Here I received a very cordial greeting from my old neighbors, among whom I had lived for 8 years, but had been absent for 3 years, two of which I spent in Kansas City and one in Penna. I found that those three years had wrought many changes. They've not all been years of prosperity, yet I think they have compared favorably with the sections of country I have had some knowledge of since then, and I was never better satisfied with my home in the west than I am now. The people here seem to be enjoying a season of prosperity. Everybody seems contented and happy. Their barns granaries are full, and judging from the immense heaps of corn piled up at almost every farm, they need to pull down their store houses and build greater that they may have wherewith to stow their grains. Wheat, oats and corn all yielded a bountiful harvest this year, proving what so fertile a soil can do under favorable circumstances. Fruit of all kinds was abundant. Many of the farmers have been enabled to pay off the mortgages on their homes with the proceeds of this year's crop, and it's to be hoped they have learned a lesson which will be of use to them in the future. Speculation doesn't always prove a success. The people of Kansas have not mortgaged their homes to live but to invest in the land rich. The

immense yield. I made brief visits to the homes of Messrs. Norris and Parker, formerly of Stewart's Run, Forest County. Found them well and prosperous. After spending a week in McPherson County, I returned to Kansas City. Found a place awaiting me and went to work at once for the firm for which I had worked during the two years I resided here before, and in all that time never got my wages every Saturday night. This beats working in the lumber woods, waiting for your pay, begging for just enough to pay your grocer's bill, and finally losing the greater part of your earnings. Work is very scarce here at present, and many men are out of employment. Some because they can't find the kind of work they like to do, or the wages don't suit them. Others are idle because there are more men to work than work to do. The coming of Spring is expected to bring better times. The weather is quite warm here; no snow and no frost in the ground. We had about one week of severe cold weather after the holidays, since then it has been warm.

Regging the editor's pardon for asking so much space in his paper, and wishing my old friends of Forest County prosperity and happiness, I am, sincerely yours, R. C. SHRYVER. Kansas City, Feb. 5, '92.

UNSOLICITED TESTIMONIALS.

SEVERE EYE TROUBLE CURED. I have been troubled with some Eye disease for some time. The pain was almost unbearable at times, and I couldn't think of reading or sewing at any time. I put myself under care of Drs. McClellan & Salm, who visit Butler every four weeks. After only three months treatment, I consider myself entirely cured, and can safely say that my eyes feel better and I have better vision than at any time within the last twelve years. Mrs. P. GOLDEN. Butler, Pa., W. Jefferson street.

SUFFERED FEARFULLY. Have suffered fearful pain in my left eye for more than five weeks, caused by breaking of a mauling needle, and the same penetrating the eye-ball. I was treated for it by home physicians, but without the least success. But after the first treatment by Drs. McClellan & Salm I had and after noting their relief of me, absolutely no pain. I am certain they understand their business. Very Gratefully, Mrs. BEBECIA WROLEY.

PERFECTLY SATISFIED. Am now 29 years of age and was born cross-eyed. Drs. McClellan & Salm, who visited Indiana every four weeks, operated upon my left eye to-day. It was done within one minute time and without pain, and now consider my eyes perfectly straight. Gratefully, MAHOLE MILLS, Marion Centre, Indiana county, Pa., Oct. 23, 1890.

FISSURE, FISTULA AND ULCERATION OF RECTUM. After first treatment the most intense pain I have ever felt, and which has nearly five years I have suffered of rectum. The pain produced by same was at times almost intolerable, and my doing any work was out of the question. After having had the first treatment from Drs. McClellan & Salm the relief was remarkable and the fearful pain of years' standing had vanished as if by magic, and now after a short course of treatment I consider myself entirely cured. Gratefully, JOHN HOSON, Indiana, Pa., March 11, 1891.

No healthy person need fear any dangerous consequences from an attack of the grippe if properly treated. It is much the same as a severe cold and requires precisely the same treatment. Remain quietly at home and take Chamberlain's Cough Remedy as directed for a severe cold and a prompt and complete recovery is sure to follow. This remedy also counteracts any tendency of the grippe to result in pneumonia. Among the many thousands who have used it during the epidemics of the past two years we have yet to learn of a single case that has not recovered or has resulted in pneumonia. 25 cent bottles for sale by Proper & Douth, Druggists, Jny.

LUNG TROUBLE CURED.

In June of last year I put myself under treatment of Drs. McClellan & Salm for a case of lung trouble. I was cured very rapidly and became weaker than I had been for some time.
