LOCAL AND MISCELLANEOUS.

Oil market closed yesterday 59 1/2.

C. M. Shawkey Esq., was down from Warren Saturday.

Born to Mr. and Mrs. H. H. Shoemaker, last evening, a son.

Will Klinefelter is moving into Jacob Smearbaugh's house, across the creek.

See our \$1.60 ladies' shoe, equal to any \$2.25 shoe in the market. Lawrence & Smearbaugh.

Mr. and Mrs. Rowland Cobb, of West Virginia, arrived in town last week. Mr. C. returned Monday.

F. E. Reed, one of Warren's artistic job printers, was in town Monday and gave the REPUBLICAN a pleasant call.

Mr. J. R. Chadwick was down from Tidoute last week and shook hands with old friends, of which he has many in this section.

H. E. Eshelman of Clarington, and Alice Updyke, of Fisher, Jefferson county, were granted a license to wed by the recorder of that county last week.

Miss McElhoes, teacher in Room No. 2, has had an attack of the grip during the past week, and her place was filled by Miss Nannie Morrow. She is better now.

Any one in possession of 25 cents can go to the nearest drug store and procure a bottle of Salvation Oil and be cured at once of rheumatism, neuralgia, or any pain or ache.

We welcome as citizens to our town, Mr. and Mrs. Chas. M. Whitman of Newtown, who have rented and taken possession of the Normile property in the North ward.

At the recent encampment of the W. R. C. in Pittsburg, Geo. Stow Corps of this place was complimented by the election of its President, Mrs. C. C. Rumberger, as a member of the State executive board.

James Connelly, one of the old residents of Hunter's Station, has moved into the Wagner house, on Vine St. Mr. C. has purchased the remaining timber on the Sickles property and is making it into railroad ties.

When you hear people inquiring for houses, and almost begging for them in any town, you can calculate that that town is more than prosperous. Such is the state of things in Tionesta now, and not a vacant house to be had.

Thomas Fitzgerald, one of the old residents of Barnott township, died very suddenly on Saturday last, at 11 o'clock, having been taken ill only five hours previous. He leaves a wife and several children. His age was 53 years.

The Tionesta Keeley Institute Company has rented the Forest House, directly opposite the Court House, and its handsome grounds for the accommodation of its patrons. Come on, men! and get healed of your infirmities.

R. M. Herman's injured hand is steadily improving, although the healing process must seem distressingly slow to him. The skin grafting performed by Dr. Siggins proved a perfect success, and we expect Robert will be at his business again in a short time.

Mr. Gaston, one of the firm which has purchased the timber on the A. B. Kelly tract at Oldtown, has rented W. A. Grove's house, near the Public Square, and will move his family here shortly. The firm will put up a mill on the tract mentioned and manufacture lumber there this summer, we understand.

Dr. J. B. Siggins left on the evening train Monday, for Dwight, Ill., to take a special course of instruction in the far famed Keeley Institute of that place, and fit himself for his new duties as chief physician in charge of the Branch Institute that will be in operation here after the 21st inst. The Doctor deserves great credit for his unflinching efforts to bring about the location of this branch in Tionesta, which will prove a valuable adjunct to the town.

We call special attention to our stock of foot wear for elder ladies.

Don't always be worrying about what people say of you. No matter what you say or what you do the action will be different to different eyes. One will pronounce it good, the other evil. You cannot please more than a certain few, while the great majority don't know what you are doing. The only course is to do what you think the best, and let results be what they may.—Ez.

A dispatch from Boston under date 7th inst., says: "Captain M. H. Butler, of Tidoute, Pa., died here Monday morning, aged fifty-one years. He was well known in Knights of Labor circles. He was one of the K. of L. committee looking after legislation in Pennsylvania." Captain Butler was well known throughout this part of the country and was a man of acknowledged ability.

That solid and able journal, the Franklin Citizen-Press, has donned a handsome new dress of type and otherwise beautified itself. Venango county has no more substantial institution than the Citizen-Press, and the Republican party has reason to be thankful that it has an organ whose unswerving devotion to its principles in past years has done much to keep the party on top in that county. We rejoice in the prosperity of our worthy old friend of the Nursery.

The revival in the M. E. Church at Warren is something unprecedented in the history of this part of the country. Up to Friday evening of last week 665 persons had placed themselves on record as desirous of heaven and eternal life. A large part of the 665 are men, many of them quite prominent men. The other churches are catching on also. The Presbyterian church there has added about 70 to its membership. Rev. Rumberger has been and still is holding revival services at Nebraska with considerable success. And the same as to the services at Newmansville, conducted by Rev. A. T. Sager, of the F. M. Church.

Mayor Hunt concluded some time ago that, as soon as the same might be obtained, it would be a good plan to secure one of the new election booths, set it up and let voters become familiar with the requirements of the new law. He accordingly wrote to the County Commissioners last week for one of the booths and expects to receive it soon. When it arrives it will be set up at the City Building and will serve as a school for voters in general. It will be a good thing without question—a help to voters and a relief to the Election Boards to serve next fall. Such a kindergarten election school might well be opened in every town in the State.—Bismarck. The idea is a good one, and should be carried out by all the voting precincts in the State.

Look out for counterfeits! See that you get the genuine Dr. Bull's Cough Syrup! Do not let the dealer sell you some "just as good," but insist upon getting the genuine with the Bull's Head trademark on the wrapper.

Stow Post at Hickory. On the evening of March 23, Capt. Geo. Stow Post held his first meeting in Whitton Hall, East Hickory. The weather was fine and the sleighing quite good. The Post Band was on hand as usual with the old-time noise "that used to cheer the boys along."

After the Post had transacted the regular business, the door was opened and all were welcomed to the camp fire. After music by the band P. P. C., S. D. Irwin, was loudly called for and responded in his own happy and instructive way; his address abounded with ideas worthy of the consideration of all. The Judge is always loaded and ready for action. P. P. C., J. W. Morrow was next to respond to the call with credit to himself and to the satisfaction of the assembly. P. P. C., J. B. Eden was excused on account of a distressing throat trouble, i. e., on the promise that he will be loaded for our next meeting at this hall.

By this time the camp fire broke out throughout the room in a perfect blaze, and became general, aided by P. P. C., Knox, Comrades Mervis, Hill, Pettigrew, Johnston, Witherell, Stoughton, and Woodford, of Mexican fame. Those who were present on the occasion pronounced it an interesting time; but be that as it may, the next Post meeting at this place will far excel the past. We know whereof we speak, and why we speak in this manner: Please ask us no questions. We were glad to see so many of the Post present from Tionesta, but was sorry that Adj. D. W. Clark was obliged to leave us after his arrival, in answer to a telegram. All in all, we venture to say that Post 274 is bound to prosper. Boys, the rallying point is on the colors, no matter where they are planted. Come one, come all.

KEELEY INSTITUTE.

Tionesta Secures One of the Four Branches Located in This State—A Lucky Catch.

It is with a great deal of pleasure we announce the establishment of a Keeley Institute in Tionesta. A powerful influence was brought to bear upon Dr. Keeley to locate a branch in our borough under the medical direction of Dr. J. B. Siggins, who is now at the home institute, at Dwight, Ill., obtaining a personal knowledge of the manner of administering Bi-Chloride of Gold, the greatest discovery of the 19th century, and where nearly one thousand persons are continually being treated.

The success attending the skilled use of Dr. Keeley's medicines is marvelous. Scarcely a failure is known. Men and women with shattered minds and constitutions leave these institutes in perfect health, with appetites absolutely cured, whether the result of drunkenness, morphia, tobacco, or the fatal cigarette. Even exhausted nerves are restored to their normal condition. This treatment of the diseases named has proven so effectual and permanent that the U. S. Government, after a thorough investigation, has adopted Dr. Keeley's invention. The inventor, together with the management of the branches under him, particularly urge those who have failed under any other treatment to come and be made whole.

Our town is a beautiful place, easily reached by railroad. Situate on the clear waters of the Allegheny river it has so many attractions not enjoyed by the institutes located elsewhere in the State that we bespeak for it a substantial business from its opening, which takes place March 21st. Address Keeley Institute, P. O. Box 76, Tionesta, Pa., for any further information desired.

Whig Hill Hearings.

John C. Shunk is visiting his brother Jonas, after a 20 years stay in Ohio. Mr. Shunk is a first class mechanic and is on his way to locate in the east.

Warren Barnes is confined to his room with the gripe. Mr. Barnes is past 86 years of age and has always been hale and hearty.

Mrs. White, and grand-daughter, Pearl Towner, of Kansas, are visiting Mrs. White's sister, Mrs. C. F. Gillespie.

The question of the Hill to-day is, did you attend the "bawl" Saturday evening played by the junior club.

Attendance at the Town Line meeting Sunday was fair.

There was pretty good sleighing on the Beck hill, which was duly taken advantage of and much enjoyed by our young people.

School will close for this term on March 16. The teacher, Miss Morrison, deserves the thanks of the entire community for the interest she manifested in her work.

H. E. & W. S. Gillespie, who have had the contract of hauling the hides and leather to and from the tannery, intend to give up the job March 19.

R. J. Butler and wife are visiting relatives in Jamestown, N. Y.

The young man who attempted to terrorize our citizens a few evenings ago should put a curb on himself else he may get himself into trouble. A word to the wise is sufficient.

Warren Wrinkles.

The friends of members of Co. I., 16th Regiment, had a very enjoyable time at the armory Thursday evening, the occasion being the annual inspection which was conducted by Major Rickards, of Oil City, Capt. Hall of Ridgway, and Lt.-Col. Seigfried of this place. The inspection was very thorough, and it was a fine sight to see the boys performing the mazy evolutions. Co. I. is the "crack" company of the Regiment and they were highly complimented by the officers present, and hearty applause greeted the decision of Capt. Hall as he announced that the first prize had been awarded to a Forest County boy, George R. Dawson. Capt. Hall said that Dawson was the steadiest soldier he had ever seen in a militia company. Second prize was awarded to private McWilliams.

A letter from Warren would be incomplete without reference to the wonderful revival now in progress at the M. E. Church. Our pastor, Rev. Humason, is one of God's souldiers, and has by his practical common sense preaching, started a wave of reform which will be remembered many long years. At this writing there have 253 joined the M. E. church on probation, 375 have been to the altar, and 680 have risen for prayer. Yesterday, (Sunday) there were 4 prayer meetings of perhaps 30 in attendance at each; class meeting at 9:30 a. m., with 75 or 80. Preaching at 11 a. m., and 7 p. m., with only standing room to be had in our beautiful and commodious church.

Lawrence and Smearbaugh invite you in to see their spring shoes.

NEWS NOTES.

Pink eye has made its appearance among horses in many localities in this part of the State.

J. I. Town, a popular business man of Erie, has not been seen or heard of since Feb. 10th. His family are grief stricken and know of no cause why he should have left so mysteriously.

Dr. Leslie E. Keeley, of Dwight, Ill., has concluded a contract with the United States government to put his remedies and treatment for the cure of liquor and opium habits in all the national and state military and naval homes of America.

Every man should paste this in his hat or put it where he will stumble over it about six times a day: Drink nothing without seeing it. Sign nothing without reading it and make sure that it means nothing more than it says. Don't go to law unless you are forced to, and have something to lose. In business, never wade in where you cannot see the bottom. Put no dependence in the label of a bag, and count money before you receipt for it. See the sack before you buy what's in it, for he who trades in the dark asks to be cheated.

It is rumored that a large transfer of lumber territory has recently been made in this vicinity, which includes the saw mill, railroad and about 4,000 acres of choice timber lands, the property of B. F. Hazleton, located at Glen Hazel. On Monday last the foremen connected with these various industries were instructed to notify their employees that on and after March 1st, 1892, they would be in the employ of B. E. Cartwright instead of B. F. Hazleton as heretofore. It is thought the documents necessary to make the transfer were signed on Saturday last.—Mt. Severt Herald.

Since the assault and attempted robbery of Mr. William Tullock, store keeper and postmaster at McGraw, about three weeks ago, there has been some clever detective work going on by Mr. Tullock and some of his neighbors that has borne good results. The attempted robbery was committed by the three Woodberg brothers. The chain of evidence against them was so closely drawn that two suspecting the result skipped out, while the third George Woodburg on Thursday last turned state-evidence and confessed having a hand in the attempted robbery, and said they had started to rob Mr. Tullock once before, but had backed out "Woodburg was taken to Pittsburg Friday" committed to the county jail at Warren. "Fault of hall.—Pleasantville Record.

Here is another very clear swindle which is being practiced by sharpers over the country. A man puts in an appearance, seeks the proprietor of the store, and informs him that he is searching for rare coins, passing him a list of specimens and their alleged value. He also asks the interested proprietor to keep an eye out, and should he get hold of any to keep them for him. Soon after another party strolls around, buys a cigar or some other article, and exhibits a couple of coins with the remark that they are pocket pieces. On consulting his list the proprietor finds their value is marked \$45 each. Here he will see an opportunity for speculation, and after some dickering the second party sells him the pieces. Of course number one never shows up, and the coins are worth no more than their face value. This is now being worked all over the State.—Ez.

Death of John Shultz.

John Shultz was born in Wurtemberg, Germany, Dec. 22, 1822, and died at the home of his daughter, in Spencerville, Ohio, Feb. 29, 1892.

Mr. Shultz, when he had served his term as a cavalryman in the German army, came to America, and finally located in Butler county, Pa., being then yet a young man. It was there he became acquainted with and married in 1855, Miss Sarah J. Hesselgeser, who who preceded him in death several years ago, at the home of her father, in Indianapolis, Ind. In 1865 he moved onto a farm near Stewart's Run, this county, where he continued to reside until a little more than a year ago, when he went to live with his daughter. Although in rather poor health for some time past he was going on to his end a few weeks previous to his death. Mr. Shultz was a very industrious man, and was never more contented than when busy at work. He was a member of the Lutheran church from boyhood and died in that faith. Three of his five daughters survive him, Mrs. Samner, of Bradford, Mrs. Ferd Wenk, of Tionesta, and Mrs. R. S. Jamieson, of Spencerville, Ohio.
