Don't forget to register before September 8th. See that your name is on the list now. Republicans are especially reminded.

GLADSTONE having won in the British Parliment by a majority of 40, Lord Salisbury steps down and out.

The Grand Old Man is on top for sure.

The Grand Old Man is on top for sure.

The Grand Old Man is on top for sure.

CONGRESSMAN WARWICK of Ohio, died after a short illness of dysentery on Sunday last. He is the man whom Major McKiuley came very near beating in the fearfully Democratic district purposely formed to lay out the gallant Major.

HINTS are better than kicks, some times. The Blizzard has this item: "Money is more potent than argument in changing a man's opinion." And then right under it this: "Why don't somebody touch the button and open the political campaign in this vicinity?"

ILLINOIS Republicans remind those who may be anxious about the result in that State that Harrison carried Illinois in 1888 by 22,000 majority, and he is certain of about the same vote this year. Adlai Stevenson is diarrhoea. I never had it worse in my not a big enough man to politically life. I tried several old-time remedies, revolutionize Illinois.

CHAIRMAN REEDER has returned home from Europe, and in a couple of weeks the guns will be unlimbered and the Democracy in Pennsylvania will be on the run harder than ever. The Republican majority in Pennsylvania this year against the out and out Free Trade Democratic platform ought to be 150,000.

An exchange suggests that train robbers will soon have to be listed among the staple products of California. In that case California would probably not send samples of all her products to the World's Fair. After Chicago gets through with the visitors there will be nothing left upon which the train robbers can display their art.

It is now reported that the Republican and Democratic State organiza-tions are experiencing difficulty in interpreting the working of the new bal-lot law. This difficulty will only con-front them this year. The bill will be repealed next year, and it ought to be. It is a fraud, designed to cheat the voter, cause complications and create vexations. Away with the Chinese fraud.

CONGRESSMAN STONE has returned to his home in Warren. The able man-ner in which he has represented this district is as good an argument in favor of his re-election as a man could have. His opponent, Mr. Hancock, is an out and out free-trader, and, as the voters in this section are not built that way, Mr. Stone's majority at the forthcoming election will undoubtedly be large, says the Blizzard, and it is cor-

THE Congressional Conferees of the 28th District will meet at Ridgway August 23d to nominate a Democratic candidate for Congress in this district. Clarion will present the name of the present incumbent, G. F. Kribbs; Forest, Dr. J. B. Siggins; Elk, W. A. Horton; Clearfield, G. M. Brisbin; and Centre, Aaron Williams. We believe it's Forests county's turn this time, and Dr. Siggins' friends confidently expect his nomination at this conference.

THE NEW YORK Typographical Union has agreed to remove the boy cott from the New York Tribune. This would have been done long ago, as the Tribune has been for some time a union office, but a few rabid spirits, influenced by Democratic campaign money, have done all they could to prevent it. And they call themselves friends of organized labor. We venture to say that the Tribune and Mr. Reid have done more for organized labor then the shouters ever thought of

THE people of Lawrence county are protesting against the employment of Italians in the quarries. There is hardly a session of court when there are not several Italians to be tried for all sorts of offenses from simple assault to murder. They are said to work for less than \$1 a day, to the detriment of Americans who cannot live on such a sum, and they pay no taxes, yet cost the country more in a criminal way than any other people. The state of affairs is blamed on the immigration laws, and a change is demanded.

AND now it is said that Adlai E. Stevenson, the Democratic candidate for the Vice Presidency, peddled revolvers to the Knights of the Golden Circle in Indiana during the war that they might resist the draft. But don't say a word about it. It might hart some body's feelings, and this is to be a milk and honey and rosewater campaign.

THE bill passed by Congress in May requires that every Chinaman now in this country be registered. All found here after May 6, 1893, without their certificates of registration will be or-dered back to the Celestial Kingdom. The Collector of Internal Revenue of every district in the country has been notified to sort out and label all the Celestials in his neighborhood.

Sperimen Cases.

Specimen Cases.

S. H. Clifford, New Cassel, Wis., Was troubled with Neuralgia and Rheamatism, his stomach was disordered, his liver was affected to an alarming degree, appetite fell away, and he was terribity reduced in flesh and strength. Three flottles of Electric Bitters cured him. Edward Shepherd, Harrisburg, Ill., had a running were on his leg of eight years' standing. Used three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well. John Speaker, Catawha, O., had five large fever sores on his leg, doctors said he was incurable. One bottle Electric Bitters and one box Bucklen's Arnica Salve cured him entirely. Sold by Proper & Doutt's Drug store.

-I have no hesitancy in recommending Chamberlain's Colic, Cholera and Diarrhoes Remedy to the public as I do to my friends and patrons. I used it myself after other well-known remedies had failed, and it cured me in a few minutes. I recommend it candidly and cheerfully upon its merits, not from a financial stand-point, because I have others in stock on which I make a larger profit, but because Chamberlain's is the best remedy I no doubt about it, it does the work .-James Forgy, Druggist, McVeytown, Pa For sale by Siggins & Fones, Druggists.

The Pulpit and the Stage.

Rev. F. M. Shrout, Pastor United Brethren Church, Blue Mound, Kam., says: "I feel it my duty to tell what wonders Dr. King's New Biscovery has done for me. My Lungs were badly diseased, and my parishioners thought I could live only a few weeks. I took five bottles of Dr. King's New Discovery and am sound and well, gaining 26 lbs, in weight." Arthur Love, Manager Love's Funny Folks Combination, writes: "After a thorough trial and convincing evidence, I am confident Dr. King's New Discovery for Consumption beats 'em all, and cures when everything else fails. The greatest kindness I can do my many thousand friends is to urge them to try it." Free trial bottles at Proper & Doutt's Drugstore. Regular sizes 50c, and \$1.00.

-While at Big Island, Va., last April, I was taken with a very severe attack of such as Blackberry Wine, Paregoric and Laudanum without getting any relief. My attention was then called to Chamberlain's Colic, Cholera and Diarrhoea Remedy by Mr. R. C. Tinsley who had been handling it there, and in less than five minutes after taking a small dose I was entirely relieved .- O. G. Burford, Harris Creek, Amherst Co., Va. We use Alcohol

pure alcohol to make Wolff's Acme BLACKING. Alcohol is good for leather; it is good for the skin. Alcohol is the chief ingredient of Cologne, Florida Water, and Bay Rum the well known face washes. We think there is nothing too costly to use

in a good leather preservative. Acme Blacking retails at 20c. and at that price sells readily. Many people are so accustomed to buying a dressor blacking at 5c. and 10c. a bottle that they cannot understand that a black-ing can be cheap at 20c. We want to meet them with cheapness if we can, and to accomplish this we offer a reward of

for a recipe which will enable us to make WOLFF'S ACME BLACKING at such a price that a retailer can profitably sell it at 10c. a bottle. We hold this offer open until Jan. 1st, 1893.
