LATEST REPORTS.

The latest returns from the Nation indicates Cleveland's election. Returns thus far, or up to 1 o'clock this morning, came in slowly, but there were enough to show that the Democrats had carried the solid south, New York, Connecticut, New Jersey, probably Indiana and Illinois, making a large majority in the electoral college.

Pennsylvania stands firm in the Republican column, and will give Harrison upward of 50,000 majority. Our own county of Forest lies up grandly in the usual way giving a Republican majority on the Presidential ticket of about 200 judging from figures already in.

It is not necessary at this time to attempt an explanation of the defeat of President Harrison. We haven't the time if we had the desire. It's enough—and tough enough, too—to know that he has gone down in the cause of Protection and Honest Money, and at a time when the country is enjoying greater prosperity than ever before in its history.

Report is to the effect that Weaver has carried enough Electors to throw the election of President into the House. This dispatch went over the wires at 11 o'clock this, Wednesday, morning.

THANKSGIVING PROCLAMATION.

President Harrison Enumerates Blessings to Be Grateful For.

President Harrison has issued his annual Thanksgiving proclamation as follows: The gifts of God to our people during the past year have been so abundant and so special, that the spirit of devout thanksgiving awaits not a call, but only the appointment of a day when it may have a common expression.

Wherefore, I, Benjamin Harrison, President of the United States, do call upon all our people to observe, as we have been wont, Thursday, the 24th day of this month of November, as a Day of Thanksgiving to God for His mercies, and of supplication for His continued care and grace.

"In conformity, therefore, with the recommendation of the President of the United States, I, Robert E. Pattison Governor of the Commonwealth of Pennsylvania, do appoint Thursday, the 24th day of November, as a day of thanksgiving and prayer. On that day let the people lay aside all secular occupations and meet together in their usual places of worship in reverent thanksgiving for mercies received and prayer for a continuance of Divine favor.

To All the People.

The President requests the publication of the following card: "The expressions of sympathy with me and our family in our great sorrow, from individuals, from church conventions, from public meetings, from political clubs and committees of all parties, and indeed from all our people, have been so tender and so full of respect and love for Mrs. Harrison that I reluctantly abandon the purpose of making a personal acknowledgement of each. We are grateful, very grateful for this great cup of good will and for your prayerful intercessions. May God give to each of you in every trial that grace and strength which you have asked for us."

Lots of Timber.

It is said the output of square timber on the Clarion river will be unusually large the coming winter. Here is one job, which the Brookville Democrat mentions, that has already been completed: James Abarrah, of Heath township, who was in Brookville on Monday, finished manufacturing a big lot of square timber in Millstone township, Elk county, last week.

A Modern Marvel.

When the Pittsburgh Times took possession of its splendid building last April its publishers promised that the Times would grow in excellence in the same proportion as its quarters have been enlarged. The Times had already won such a proud position among the newspapers of the country that there was general curiosity to know how the promise would be redeemed.
