LOCAL AND MISCELLANEOUS.

Oil market closed yesterday 52. Miss Alice Darr of Oil City, is visiting her cousin, Mrs. Geo. Dunkle. Mrs. Felton has moved into the house lately vacated by Mr. Hillard in the north ward. George Folwell of the Pleasantville Record force was a caller at the Republic office last Wednesday. Joe Morgan, George Holeman and George Critchlow are taking out square timber for Lawrence & Smeatbaugh at Devil Hollow this winter.

James Landers has taken a position with Orion Siggins Esq., of West Hickory as book-keeper and general overseer of his business at that place. Thanksgiving day one week from to-morrow. Have you spotted that turkey yet? If not, 'tis time you were. Crow will have to suffice for some of us. Billy Clark was the first to try the sleighing last Thursday, having driven to town that morning in a sleigh, bells and all, to make his customary milk circuit. The Venango county Poor House was destroyed by fire last Thursday. The building cost upward of \$100,000 when built, and was insured for \$40,000.

While in town call at Scowden & Clark's commodious warehouses and examine their fine collection of sleighs. All of the latest patterns, and a price to please and fit all pocket books. Mr. Chas. Carman, from Petersburg, Ill., writes: I know Salvation Oil to be a very good remedy for neuralgia, rheumatism, burns, toothache and cuts. We are never without it. Among the REPUBLICAN'S welcome callers this week was our old friend Rev. C. R. Thompson, now of Plumer, Pa., who attended the Epworth League convention, in which he took a prominent part. Mr. A. W. Richards has been engaged to superintend and manage affairs for the Gas Company, keeping the books, looking after the wells, lines, etc. Al. has already arrived and entered upon his new duties.

The marriage of Miss Bessie Leonard Ma. Augustus Steele is to be solemnized at the bride's home in Waukegan, Ill., to-day. Miss Leonard has many friends in Tionesta who will wish her a blissful married life. The REPUBLICAN joins the many friends of Mr. R. M. Morrison, of Marienville, in congratulations and good wishes on the occasion of his marriage, due notice of which appears in this issue. Success and long life to you and yours, Mill. Rev. J. E. Hillard has moved his family to Franklin, where he was appointed by the last session of the M. E. Conference to a circuit embracing three charges. The best wishes of many Tionesta friends go with them to their new home.

The pleasant smile which Treasurer-elect Jamison is wearing these days is not wholly on account of the handsome majority he received, but the little girl which came to his house just previous to election to keep his three boys company has much to do with his exuberance of spirit. Conrad Ikenburg is the second lucky bear slayer in this section, having brought down one on the headwaters of Bear Creek last Friday. The hall of it was sold here, and went like hot cakes. The varmint had robbed a number of the farmers' beehives around Guitonville.

Next week will be court week. There are a number of important civil suits on the list and some Commonwealth business to occupy the attention of Judges, lawyers, jurors and witnesses. The late string of our office door is out to all who wish to call, either for sociability or to square up that little account. Mannie Wilson, a former Tionesta boy, was a visitor to town the past week. He came down from Rock City, McKean county, where he now lives, to pay a visit to his father, W. C. Wilson of Kellestville. It was his first return since his departure from Tionesta, nearly 30 years ago, and he found great changes since then.

Bessie May, infant daughter of Mr. and Mrs. John Saylor of this place, died on Sunday evening last of membranous croup. The child was aged 1 year, 1 month and 12 days. The parents have the sympathy of all our people in their sudden bereavement. Mr. Cox still has abiding faith in the existence of oil on Bear creek, Kingsley twp., and has about completed arrangements for putting down another well this season. It will be somewhere on the Spooner tract but the exact location has not been decided upon. Another well is talked of on Whig Hill, also.

Brookston, this county can boast of having to the youngest election officers it is possible for any board to have, at its recent election. Messrs. Gildersleeve and Gregg, both served on the board, both are Republicans, and neither is over 22 years of age. Doubtless a similar occurrence did not take place anywhere in the U. S. at the late election. The county commissioners, at their meeting last Wednesday, arranged a compromise with the Tionesta Bridge Co. for \$17,000. At the trial in Warren last spring the company got a verdict for \$18,000. The county was granted a new trial, but rather than go to that expense a compromise was agreed to as stated. The action of the commissioners is generally commended.

If any of our readers are in favor of the establishment at the seat of Government a Road Department, similar to the Agricultural Department, they can find a set of blank petitions at this office asking Congress to make provision for the same. While everybody is in favor of good roads, many will doubtless conclude that "departments" around Washington are getting like legal holidays, too numerous. The first session opened at 7:30 p. m., with Rev. M. Smith, President, in the Chair. First there was a song of welcome by the Tionesta League choir. Rev. McAninch led in prayer. Miss Marie Steward, of South Oil City, sang a beautiful solo, after which Rev. J. Bell Neff, the popular lecturer of west coast Pennsylvania was introduced. His subject was, "Into the King-Row and Crowned," and for nearly two hours he held the attention of the audience, while he spoke upon the different movements upon the checker-board of life, and showed how every man could at last become a crowned King, and sit down in the King's Row. After a male quartet had rendered a beautiful selection, Rev. Teets pronounced the benediction. Tuesday morning opened at 8 o'clock. After devotional exercises and the enrolling of delegates, "the Work of the Cabinet," "devotional meetings," "work of literary department," "the Bible and the League," "why we need the Epworth Herald," and other topics were discussed by delegates and ministers present. A duet was sung by Arthur Dingman and Linus Shriver, the benediction pronounced by Rev. Thoburn, and the session adjourned for dinner.

The afternoon session opened with E. K. Creed in the chair. "Junior League" was discussed by Revs. J. B. Neff, J. M. Thoburn, J. H. Clemens, C. R. Thompson and others. Quartet by Messrs. Dingman, Clark, Nason and Lawson. "Our Pledge," a paper read by Rev. F. D. Sutton. At last evening's session a number of resolutions were passed, but a limit of space makes it impossible for us to give them in this connection. Among others was one heartily thanking the people of Tionesta for their generous hospitality and kindness to the visitors; also returning thanks to the speakers, singers, and all others who in any way contributed to the success of the convention. Embleton was selected for the next annual meeting.

Forest County's Big Vote. Forest county, notwithstanding the quietness of the campaign polled the largest vote in its history on Tuesday last week. There were 1727 votes polled on the different State tickets, as follows: Harrison 938, Cleveland 660, Bidwell 108, Weaver 20, and 1 for the Socialist Labor candidate. The new ballot seems to have given very general satisfaction among the voters, and while the ballot was most too cumbersome to suit they were well handled, the percentage of defective ballots being very small considering that it was the first attempt of the people to vote under the new system. With some modifications as to the certification of candidates, and allowing more time for the printing of the tickets, &c., the new law is likely to become more popular with each succeeding election. At any rate it has come to stay, but the defects must be cured. As to the result in our county the Republicans have reason to be proud, and while other sections went wrong, they have the satisfaction of feeling that they did their duty, and are ready to do it again. The work of the campaign was arduous in some respects; first, on account of the general apathy which prevailed, and secondly because of the few candidates on our county ticket. Nevertheless our energetic young chairman, Amos Lelebur did not waver in his efforts, and by hard and constant work succeeded in getting out a magnificent vote, with the nicest results possible. All honor to little Forest. She's right when all others fail.

In a recent letter to the manufacturers Mr. A. W. Baldrige, Millersville, Ill., says: "Chamberlain's Cough Remedy gives the best satisfaction of any cough medicine I handle, and as a seller, leads all other preparations in this market. I recommend it because it is the best medicine I ever handled for coughs, colds and croup." For sale by Siggins & Nason.

Official Vote of Forest County, November 8, 1892.

Table with columns: President, Congress, Assembly, Treasurer, Survey, Districts. Lists names of candidates and their respective vote counts across various districts.

MAJORITIES—Harrison over Cleveland, 278; Andrews over Kribbs, 286; Haight over Greenwald, 185; Jamison over Graybill, 182; Proper over Clark, 75. Weaver, People's Party candidate for President, got 3 votes in Hickory twp., 9 at Cooper Tract, 1 at Guitonville, 7 at Marienville. The Socialist Labor ticket got 1 vote Barnett twp. For Congress-at-Large, Lilly, Rep., had 94; McDowell, Rep., 94; Allen and Merritt, Dem., 632 each. Supreme Judge, Dean, R., 925; Heydrick, D., 677.

Epworth League Convention.

The Epworth League convention of Franklin district was held in the M. E. Church, Tionesta, commencing Monday evening of this week and adjourned last evening. The sessions throughout were most interesting and beneficial. On the arrival of delegates from a distance the young people of Tionesta League made a special and successful effort to welcome them. The reception committee met the delegates at the trains and conducted them to the church, which was beautifully decorated with flowers and evergreens. The first session opened at 7:30 p. m., with Rev. M. Smith, President, in the Chair. First there was a song of welcome by the Tionesta League choir. Rev. McAninch led in prayer. Miss Marie Steward, of South Oil City, sang a beautiful solo, after which Rev. J. Bell Neff, the popular lecturer of west coast Pennsylvania was introduced.
