MEETING OF THE REPUBLICAN COUNTY COMMITTEE.

Primaries Fixed for June 17.

Pursuant to the call of Chairman Ledebur, the Republican County Committee of Forest county, met in the Sheriff's office, Tionesta, Monday evening, May 15, 1893. The meeting was called to order by the Chairman, who briefly stated the object for which the Committee had been called together. There was a pretty fair attendance of the regular membership, and every township in the county was represented.

The first business in order being the fixing of a time for holding the Republican Primary election, Mr. Scowden moved that Saturday, June 17th, be named as the day. A general interchange of views was had, the sentiment being almost unanimous for that date. The motion carried without a dissenting vote.

Frost's, in Howe township, was also added to the list. There being no further business be-

fore the Committee, a motion to adjourn prevailed.

The meeting was perfectly harmonious throughout, and the interest manifested showed that the party was

BLOUNT, of Georgia, has been made Minister to Hawaii to succeed Stevens. The difference between Blount and Stevens is that Stevens hoisted the American flag over a country that begged to be taken in under old glory, and Blount, with all the alacrity of a rebel hater of the flag, hauled it down and disgraced the United States in the eyes of all nations. Blount will serve the Confederacy well in Hawaii.

GOVERNOR MCKINLEY will again be nominated for Governor of Ohio by the Republicans, and he will be elected without fail. The greatest trouble the Obio Democrats have now is to secure a candidate to run against the gallant McKinley. Nobody wants to accept the nomination, knowing for a certainty that it involves a slaughter. The best thing the Ohio Democrats can do is to endorse McKinley, who will get an oldtime Ohio Republican majority and be very much in the of way Presidential lightning in 1896.
