COUNTY.

Prothonotary, &c. CALVIN M. ARNER, Tionesta Boro. Sheriff HARRY MAZE, Jenks Twp. County Commissioners, W. M. COON, Barnet Twp. W. A. CONNELLY, Hickory Twp. Auditors, M. E. ABBOTT, Hickory Twp. W. L. STROUP, Howe Twp. Jury Commissioner, J. B. CARPENTER, Kingsley Twp.

REPUBLICAN PRIMARY ELECTION.

The Return Judges of the Republican party of Forest county met in convention at the court house yesterday, in accordance with the rules of the party, and canvassed the vote polled at the Primaries last Saturday. The Chairman, Mr. Ledebur, called the convention to order, and P. M. Clark and J. E. Wenk were elected Secretaries.

The list of Return Judges was called, and each one responded to his name as his precinct was called, presenting his returns at the same time.

The computing of the vote was then begun which required considerable time as the list was unusually large. The result was as follows:

Prothonotary—Calvin M. Arner, 591; John H. Robertson, 556.

Sheriff—Harry Maze, 463; James H. Butler, 372; Charles F. Griffin 288.

County Commissioner—W. M. Coon, 644; W. A. Connelly 497; James McIntyre, 486; George W. Osgood 243; Wm. B. Heath, 203.

Auditor—M. E. Abbott, 517; W. L. Stroup, 352.

Jury Commissioner—J. B. Carpenter, 357; W. E. Witherell, 299.

State Delegate—J. W. Jamieson, 464.

Upon the completion of these footings, the Chairman declared the following gentlemen duly nominated as the candidates of the party:

Prothonotary—Calvin M. Arner, of Tionesta Borough.

Sheriff—Harry Maze, of Jenks Township.

County Commissioner—W. M. Coon, of Barnet Township, and W. A. Connelly, of Hickory Township.

Auditors—M. E. Abbott of Hickory Township, and W. L. Stroup of Howe Township.

Jury Commissioner—J. B. Carpenter of Kingsley township.

State Delegate—J. W. Jamieson of Tionesta.

The next business in order was the election of a Chairman for the ensuing year. The names of D. G. Moriarty and James I. Woods, both of Marienville, were submitted. The result was the election of Mr. Woods.

The following resolutions were then presented and unanimously adopted:

Resolved, First, That we, the representatives of the Republican party of Forest county, in convention met, re-affirm our adherence to the principles of that party as enunciated in the Republican National Platform at Minneapolis.

Second, That we view with righteous indignation the efforts of the present Democratic administration to take from our brave soldiers and their widows and families, the pensions granted them under Republican administrations, for honorable and loyal service in defence of our flag.

Third, That we heartily endorse the candidacy of the Hon. C. C. Thompson of Warren county, for the office of State Treasurer, and hereby request our delegate to the State convention to use all honorable means for his nomination.

Fourth, That we unqualifiedly endorse the County Ticket placed in nomination to-day, and pledge to the candidates our hearty and united support at the fall election.

There being a number who wished to get off on the 4:15 train the convention adjourned without any speech-making. It was a harmonious gathering, and there was an entire absence of any bitterness either on the part of the defeated candidates or their friends. The ticket nominated will receive the hearty support of the party in the fall. It is nicely divided geographically, first class in all respects, and will continue to grow in strength as the idea of November draw near. A winner, and don't you forget it.

We will publish the vote in tabulated form next week.

Carlisle's Cowardice.

Secretary Carlisle declines to make public the quarterly report of Special Agent Ayer on the tin plate industry in the United States. The reason is evident. The McKinley act, which placed a duty of two cents on tin plate, provided that after October 1st, 1897, tin plates and terms plates, lighter in weight than sixty-three pounds per 100 square feet, shall be

admitted free of duty, unless it shall be shown to the satisfaction of the President that the aggregate quantities of such plates produced in the United States during either of the six years next preceding June 30th, 1897, has equaled one-third the amount of such plates imported.

The last published report of Colonel Ayer was issued last October, and covered the quarter ending September 30th. Naturally, it would not suit Secretary Carlisle to permit a report to be issued from his department which would prove that, under the protection provided by the McKinley bill, the American industry of tin plate making is growing steadily, and that it is only a question of a year or two when the output of the American tin plate mills will more than reach the limit prescribed to insure the continuance of the duty.

Colonel Ayer, in his report, so arranges his figures as to show exactly the amount of imported black plate used, and the amount of American black plate used. His last published report showed that fifty-four per cent. of the black plates used was of domestic manufacture.

There is no good reason why this report now held up in the Treasury Department, should not be made public, and the American people, who are naturally interested in this industry, made acquainted with its condition. But it is the part of Democratic officials to suppress all information showing the beneficial workings of the McKinley law, and they are especially antagonistic to the tin plate industry.—Harrisburg Telegraph.

Changes Made by the Legislature in the Baker Law Tensely Stated.

The ballot is decreased to one-half the size required under the original law.

Only one set of official and sample ballots are required to be printed and distributed, instead of duplicates, as before.

The time allowed for printing the ballot is extended.

The percentage of party nominations is reduced from three to two per cent. of the vote cast at the previous election.

The printing and distribution of the ballots for spring election is to be done under the supervision of the County Commissioners instead of the Township Auditors.

One mark in a circle at the top of a column of candidates shall count as a vote for every candidate in that column.

Where the mark is not placed in a circle a mark opposite the name of every candidate voted for is required.

A screen door is to be placed in front of each booth to better secure privacy to the voter.

When an elector votes for more candidates than he is entitled to vote for, the ballot shall not be entirely thrown out, but that portion which is properly marked shall be counted.

It will be noticed that a circle is to be printed at the head of the column of candidates instead of a square at the right of the party name. This is to avoid confusion in the mind of the voter by designating the difference in marking the vote for an entire ticket and voting for candidates individually, or in other words, independent voting, or "scratching."

The elector who desires to vote his full party ticket will mark in the circle, and he who wants to vote only a part of it will mark in the square to the right of the name of each candidate voted for.

THE Government clerks at Washington have been likened to worms, but even the worm will turn as was evidenced in the coroner's inquest over the victims of the Ford's theater disaster. The spectacle of a couple of hundred intelligent human beings thirsting for the blood of the man they looked upon as responsible for the disaster was a revelation. Men do not behave in that manner from sudden impulse. Their wrongs from some direction must have been deep when they wanted to resort to lynch law to redress and avenge them. But it is best not to hastily form a conclusion in this remarkable case. Let us wait until all sides of the story are told—until all the evidence is in.

A RAID is being made on the pensioners. By a new ruling the re-examination of upward of 300,000 cases is involved. Pensioners under the disability act are the ones that will suffer most by the new order of things. In Philadelphia a large number of pensioners have already been suspended, pending an investigation of the claims under which they are being drawn. The slaughter is expected to be very sweeping under this "economical" administration.

AFTER the Lizzie Borden trial will come to a close and then the people will know whether she's guilty or not. Perhaps.

EX-PRESIDENT HARRISON was at the fair last week, and the people were so glad to see him, and made as much of him as if he were still the President. In view of late financial failures they would like to have him in his old place.

NOTICE. Mrs. Patience Mealy vs. Mrs. Caroline E. Watson, and Mrs. Anna W. Sims. In the Court of Common Pleas of Forest County, Pennsylvania. No. 5 of August Term, 1893.

To the Respondents above named: Whereas, on the 14th of May, 1893, was presented to Honorable Charles H. Noyes, President Judge of said Court, at Chambersburg, the petition of the above named Mrs. Patience Mealy, setting forth that she is the owner claiming title to and in possession of subdivision No. 4 of Warrant No. 3821, situate in Tionesta township, in said County of Forest, containing fifty-eight acres, and that on the 12th day of June, 1888, the said tract of land, (assessed in the name of Oliver Mealy, formerly of Meadon, was sold by the Treasurer of said county to L. E. Watson, for the taxes of 1887, and a treasurer's deed therefor was duly executed and acknowledged in open court on the 21st of September, 1888, (the said warrant having been erroneously described therein as No. 2821.) That the above named respondents hold said treasurer's title under said L. E. Watson, who is since deceased, but no action of ejectment has been brought to recover said tract under said alleged treasurer's title.

The petitioner further set forth that she was desirous of settling the controversy concerning said tract of land, whereupon, in accordance with the further prayer of said petition, a rule on said Mrs. Caroline E. Watson and Mrs. Anna W. Sims was granted, returnable to the fourth Monday of August next, to bring their action of ejectment for the premises aforesaid within ninety days from the service of such rule upon them, or show cause why the same cannot be brought.

Witness the Honorable Charles H. Noyes, President Judge, and the seal of said Court, at Tionesta, Pa., the 15th day of May, 1893. C. M. ARNER, Prothy.
