LOCAL AND MISCELLANEOUS.

Oil market closed yesterday 60 1/2. The trial list for August court is published this week. To Mr. and Mrs. Will S. Clark, of Hunter Run, a son was born on the 4th inst. Sheriff Osgood has some real estate for sale at the next term of court. See his ad. in this issue. Misses Pauline and Rosamond Merkle of Tidouite, visited with Miss Dora Blum during the week. Mr. and Mrs. Dan Jackson were down from Warren during the week as the guests of Tionesta friends. The Free Methodist camp meeting at Youngville, Warren county, begins to day, and continues till next Wednesday evening. After this week the Sires Photo Gallery, at Tionesta, will be open Saturday of each week, only. W. J. Bulger, operator. William E. Sherman of Clarion township and Miriam E. Shaffer of Forest county have taken out a license to wed in Clarion county. Mrs. J. E. Kirchartz and Mrs. James Hill, of Beaver Falls, mother and sister of Charles S. Kirchartz, are paying Charley and family a visit. Jas. D. Davis arrived in town last Thursday from Redlands California, where he has been for the past two months. He intends remaining till fall at least. Proper & Walters are putting up a good sized building on the north end of their corner lot, opposite Hopkins & Lanson's store. Tidouite parties have the contract. Rev. McAninch, expected to be with his congregation here two weeks ago, but has been detained at his mother's home in Kansas by sickness both of himself and his mother. Mrs. O. B. Steele and Mr. and Mrs. Charles Steele, of Franklin, mother, brother and sister-in-law of Dr. Preston Steele, are late acquisitions our town, occupying a part of Mrs. Joseph Grove's residence. Mr. and Mrs. A. J. Poffenburg, of Kellettsville, and Mrs. H. Kiser and Miss Emma, of German Hill, are enjoying an overland ride to Pittsburg this week, where they will be the guests of friends for a fortnight. Mrs. E. D. Miller and family of Kellettsville, wish to sincerely thank all friends who so kindly assisted them during the illness and after the death of husband and father. They will ever be held in kindly remembrance. No shower was ever more welcomed than that which came and cooled the air, laid the clouds of dust and freshened up vegetation at midnight last Saturday. 'Twas a blessing indeed, and made all nature smile once more. Revenue Collector Kearns has made a new arrangement of his sub-districts. The counties of Erie, Crawford, Lawrence and Mercer are put together and called the eighth division. Warren, Forest, Venango, and Clarion are the ninth division. The water line is progressing well. Starting from the top of Tietzworth hill it is completed to the court house, and covered to near that point. With the same progress as has been made during the past ten days the line ought to be ready to receive the water by September 1st, and in shape for making connections. As will be seen by our marriage notices the Chautauque excursion last Saturday was fraught with more pleasure for at least a quartette of Tionesta's young people than a mere visit to that delightful resort. The happy couples have the best wishes of all their friends for a long and prosperous life, and the REPUBLICAN hopes that the future of Frank and John and their better halves may be as bright and cheerful as the day upon which their hearts were joined.

Blackberries are beginning to come in quite lively, and are commanding a fair price. The best are not ripe yet, but if Br'er Hicks will "predict" us a copious shower of rain about every third day from this on, there'll be oceans of 'em. Numerous berrying parties are being arranged. The serious illness of Rev. Dr. Elder last week created an alarm among his many friends in Clarion and round about. The announcement in the church Sunday morning that he was recovering was received with gladness, and in a few days Dr. Elder will be among his people again. —Jacksonian. List of letters remaining in Tionesta, Pa., Post Office July 31, 1893: Mr. Orley Claypole, W. M. J. Walters, Mr. Will Walters, Wm. Walters, J. J. Shufflin, Mr. A. A. Stevens, Mr. D. D. Kimmel, Mr. Rob't. Harger, Mr. Fred Ehrmentraut, Mrs. Mary E. Perry, Mrs. E. E. Morrison, Mrs. Elizabeth Tenny. The Keeley League of Tionesta, which includes a large membership from nearly every town and city within a radius of a hundred miles of here, will have its annual reunion here on Wednesday, the 6th of September, next. The famous Northwestern band of Meadville, has been engaged for the occasion. The REPUBLICAN had a pleasant call one day last week from Mr. Jacob Rapp, of Warren, a former Tionesta boy, who was here to visit his old friend Benjamin May. It was Mr. Rapp's first visit in about 17 years. He left this place in company with Mr. May's family nearly 30 years ago. Time has not changed him much. An opening has been made for the outcropping of another statesman from the region comprising the counties of Forest, Clarion, Cameron and Elk, namely—the election of some one to take the place in the State Senate of Harry Alvin Hall, recently appointed United States District Attorney for the Western District of Pennsylvania. —Blizzard. Dogs have been getting in their deadly work on the sheep up in Harmony township, recently, J. K. Green, who has a very fine flock having been a sufferer to the tune of a dozen or fifteen. A neighbor of his has also suffered severe loss by sheep dogs. So long as farmers and citizens make no greater distinction between mutton and worthless dogs the slaughter may be expected to continue. A driver of a vehicle who attempts to pass another on the same road does so at his own peril, for if any accident occurs to the man he is passing the rear driver is responsible. This does not mean that the man in advance is not obliged to yield a part of the road when notified, but that the burden of care rests on the rear driver who is in position to see and avoid danger while the other is not. A French Creek flat boat loaded with 12 men, a two horse team and wagon and road scraper passed here Monday on its way from Tionesta to Pittsburg. The captain branded as a libel the statement that the team, wagon and scraper were a necessity in opening a channel in the river in order for them to get through and explained that the men, machinery and team were to work on a new road near Pittsburg. —Derriek. Look out says an exchange, for a well-dressed, smooth-talking young man who is traveling about the western part of the state claiming to represent a New York house which has no existence, and show a lot of high class samples from which he offers to make a suit for \$12. When the order is given he demands a \$3 deposit as a guarantee of good faith. This he pockets. The stranger disappears and the clothing never comes. NOTICE—I am going East about Sept. 8, to purchase my fall and winter stock. All parties having accounts with me are kindly requested to call and settle on or before the above date. DAVID MINTZ, Leading Dry Goods House, Marienville, Pa. The New Dog Law. The new dog law passed by the late legislature provides that the county commissioners may levy a tax on all male dogs of not more than \$2; a tax on all female dogs of not more than \$4. The basis upon which the tax is to be levied is the amount of damage done to sheep in all the townships. The commissioners are to foot up all the amounts reported to them by the authorities designated by the law during each year, and then make a levy proportionately, on each dog to pay the same, but levy not to exceed the above amount. The owners of dogs are liable for damage done by them, provided, after an investigation by the township authorities, they refuse to kill the dog or dogs which did the damage. Killing the dog will relieve him. Dogs under the age of four months are not to be taxed.

Orrin Butterfield Deceased.

On Tuesday, August 1st, 1893, at his late home in Marienville, Pa., passed away perhaps the oldest citizen in point of age, in Forest county. On that morning, after an illness of about six weeks, Mr. Orrin Butterfield breathed his last. Mr. Butterfield was born in Jefferson county, N. Y., Aug. 24, 1806, and had he lived till the 24th of this month would have been 87 years of age. When yet a vigorous young man he moved to Jefferson county, Pa., and near the present town of Clarion settled upon a piece of land which he cleared into a fine farm, and which he continued to occupy until about four years ago when he moved to Marienville. By close attention to business thrift and energy he made a success of life, and had the pleasure of seeing all his children happily married and well-to-do before his end came. Mr. Butterfield was twice married. Five children, three boys and two girls, were the result of the first marriage, of whom two are now living, Charles Butterfield of Crown, Clarion county, and Mrs. W. B. Rust of Mercer county. His second wife was Miss Elizabeth Spencer, of York State, and she survives him. This union was blessed with three children, Mrs. A. Braden, of Clarion, Mrs. A. J. Wallace of Marienville, and Orrin D. Butterfield of near Clarion. All the children and a number of grand children were present at the funeral, which took place on Wednesday afternoon last, and the concourse of sympathizing friends was the largest ever witnessed in the town of Marienville.

Grand Low-Rate Excursion to the Thousand Islands. Last of the season. The W. N. Y. & P. R. R., announces a grand low-rate excursion to Thousand Islands, and down the St. Lawrence, to leave Tionesta, Thursday, August 24th, at 8:40 a. m. The low rate of \$6 will be made for the round trip. Tickets will be good returning ten days. The excursion goes by W. N. Y. & P. R. R., to Rochester, thence via the N. Y. C. & H. R. R., to Syracuse, thence via R. W. & O. R. R., to Clayton, and steamer from Clayton to Alexandria Bay, which is the grand center of the Thousand Island District. Party will arrive at Alexandria Bay, Friday morning, in time for breakfast, from which point innumerable cheap excursions can be taken among the Islands. Special hotel rates have been secured for the party at all the best hotels, from \$1.50 per day, up to good cottage board can be had at \$1 per day. Special sleeping car and day coaches will be provided for the party, sleeping cars will be put on to Rochester to accommodate those who wish them. Berths should be secured in advance to insure space. Call on W. N. Y. & P. R. R. Agents, or write Mr. S. B. Newton, Excursion agent, Buffalo, for sleeping car berths or further information, at as early date as possible. These excursions have grown in popularity each year, and are considered a select party. Mr. Newton accompanies the party through to the Islands, and arranges all details for those who wish. Do not miss this grand low-rate excursion to one of America's grandest summer resorts. Kellettsville. A. L. Weller has secured the contract of clearing and fencing the school house ground. The price for the job is \$40 and work must be completed by the last of August. Mrs. W. S. Johnson and children are visiting in New York. Before her return she will visit the World's Fair, where she will be joined by her husband. Mrs. M. Andrews returned a few days since from a two week's visit to the big fair. She reports everything as well worth going to see. Several families on the west side have been putting down water wells since the dry weather. Kellettsville can only boast of one good spring of water, and several of our citizens are trying their luck in locating good water. We hope they will succeed. Mrs. Hattie T. Tompkins and friend, Miss Lafferty, both of Titusville, are visiting at Wm. Tobey's. H. E. Gillespie is putting in logs on the hill back of town. His merry "hoot" can be heard echoing on the surrounding hills, which reminds us that Ed. is at work. The Salmon Creek mill will run for a day or two, commencing on Monday. The water is so low as to make it quite difficult to run logs, thus causing considerable idleness around town. The Tannery has only been running, or tanning 1/4 the amount that was tanned last month or two ago. The reason of the drop off is the trust among the hide dealers, which has made business quite dead among tanneries. There are from 15 to 20 teams hauling bark to town, which makes quite a stir. Miss Kate Gaeother is visiting her sister, Mrs. A. L. Weller. It is reported Mrs. Gaeother will teach school in one of the rooms here the coming term. Mrs. Della Kribbs is on the sick list. Andrew Lawson was quite badly shaken up one day last week by falling off a load of bark. He is much better now, however. The young people in town are getting quite enthusiastic over base ball. A set only one game has been played with a visiting team, and we are sorry to say our nine came out second best. WILL WALKS.

NEWSY NOTES.

Flirting is said to be at its height at Chautauque. The third national convention of the Keeley League is called to meet on the 12th of Sept. in Central Music Hall, Chicago. The Pennsylvania Railroad Company a few days ago paid its annual capital stock tax in Pennsylvania, \$700,302, to State Treasurer Morrison. Ex-Senator W. I. Newell, insurance broker of Philadelphia, made the lowest bid for insuring the State Capitol and its contents and gets the contract at \$504,000. Reports from all the western half of Kansas, are that the corn has been so badly damaged by the hot winds that no amount of rain can now do it much good. Rev. W. H. Crawford, of Chicago, has been elected president of Allegheny College and has telegraphed his acceptance. He is a young man, aged 37 years, and is a graduate of Northwestern University, Evanston, Ill. Rev. Dr. Peate, of Greenville, is now at work on a monster glass for a telescope which will compare favorably with any now in existence. When completed it will probably be mounted in an observatory in Allegheny College. Farmers and property owners should bear in mind that they are required by law to cut Canada thistles on their property before they go to seed; they are liable for the neglect, and the complainant is entitled to a part of the fine. The tanning business is suffering from the present financial depression, as well as most of all other manufacturing industries, and many of the sole leather tanneries are running at only about one half their capacity. —Ridgway Democrat. A Renova cow had not been giving any milk for three months, when one day it came upon a broken keg of beer that had fallen from a wagon. The cow drank of the beer, and since then has been giving 20 quarts a day—of milk, of course. At last a successful case of electrocution occurred in York State. It is reported from Salamanca, where a cow had her head through a barbed wire fence. Lightning struck the fence some distance away, ran along the wire and electrocuted her. She never kicked. Tuesday morning of last week, nearly the entire stock of breeding fish in the State hatchery at Corry were found floating dead on the water. Over 100 of the oldest and most valued lake trout were picked up. There is little doubt that the fish were designedly poisoned. A new worm more destructive than the potato bug, is working great havoc among the potato plants in Lancaster county. Dr. S. E. Ober has examined the worms and finds they are the larvae of the "blister fly." It is a valuable keeper and is highly appreciated by the owner. —Brookville Republican. Among the failures reported to-day is one which will not occasion much regret. The big deal in pork which has held the price of that commodity at an incredible high figure for months has collapsed, accompanied by the announcement of the failure of the three leading houses concerned in it. Hereafter it may be possible for a man of ordinary means to occasionally banquet on a ham sandwich. —Blizzard. The Meadville Star says: "An epidemic is prevalent among the horses of Western Crawford and Erie Counties. Thomas McGuire, of Albion, last week lost two valuable stallions by the disease. At Shadeland a large number have been afflicted during the past week. The disease originates in the head and throat, and as yet, seems to baffle the skill of the best veterinarians. It is more prominent among the stallions." The present reaper and binder, which is now doing such excellent work in every wheat field, one would think, could hardly be improved upon, and, as all know, drops the sheaves the moment it has bound them, leaving the gathering of them afterwards to human hands, but now many of them have cunning attachments which carry the bound sheaves along until six of them—half the number of an ordinary shock—are bound, when they are all dumped on one spot, thereby expediting the work of gathering and shocking very materially. —E.

F. A. BEATTY, Passenger Agent, Erie Lines, Oil City, Pa.

Mr. Thomas Batts, editor of the Graphic Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the cure of Rheumatism, is worth remembering. He says: "Last summer I had a very severe attack of Rheumatism, and after trying many remedies, none giving relief, Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering from such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by Siggins & Nason.

Pennsylvania Exhibits at the World's Fair. Are ahead of them all, chiefly among them is the display of pure liquors manufactured in the State. It is conceded that no rye whiskies made in the world can equal those made in Pennsylvania, and especially Silver Age, Duquesne or Bear Creek. These three brands head the list of pure Ryes, and are so well known that every reputable dealer sells them. They are sold in all the best markets all over the world, because they are pure; because they are reliable, and because they are stimulants that strengthen and invigorate. They are sold in all the best markets of all, and are sold upon their merits for purity and strength. Silver Age, \$1.50; Duquesne, \$1.25; Bear Creek, \$1.00, per quart. Ask your dealer for them; insist on having them, and if you cannot be supplied, send to Max Klein, Allegheny, Pa. Price list of all liquors sent on application. All goods packed neatly and securely. MAX KLEIN, Allegheny, Pa.

The success of Mrs. Annie M. Bonn, of Meadville, Pa., in her treatment of diarrhoea in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Johnstown, Pa., during the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhoea very badly. I got out of the hospital's Colic, Cholera, and Diarrhoea Remedy from Rev. Mr. Chapman. I cured both of them. I knew of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by Siggins & Nason.

Address GOLDEN SPECIFIC CO., 185 Race St., Cincinnati, O., aug. 10-ly.

The mail carrying between Titusville, Pleasantville, Tidouite and Enterprise is temporarily in the hands of W. B. Dutton again. The contractor, a western man, had sub-let the contract to a Mr. Milliner, or Mrs. Milliner, or both of Titusville. Mrs. Milliner carried the mail since July 1st, until about a week ago when they forfeited their bond and gave up the route. Mr. and Mrs. Milliner no doubt confidently expected when they took this contract that they were securing one of Uncle Sam's pie bakeries; but that running a mail route a distance of 40 miles each week day for a little less than \$1 a trip, can't be done, is only one of the many things that a person has to find out, who is foolish enough to attempt it. —Pleasantville Record.
