—Miss Nannie Morrow departed on Monday for Indiana, Pa., where she will attend the State Normal school, expecting to be gone till next July.

—Hon. J. B. Agnew is up from Washington attending court. His daughter Christine accompanies him on a visit to her young Tionesta friends.

—Mrs. Conroy, mother of Mrs. John Grubbe, and lived with the family during their residence here, died at Pittsburg on July 19th, aged upward of 80 years.

—Representative Haight of Cooper Tract, was circulating among friends in town this week. The Captain has our thanks for favors in the line of public documents.

—The editor of the Ridgway Democrat thus bewails his lot: It is very disagreeable to grow old and have silver threads among the gold, now that silver is so unpopular.

—The Sunday freight and accommodation train on the W. N. Y. & P. road has been discontinued, and there is now but one passenger train each way—up at 8:40 a. m. and down at 7:53 p. m., on Sunday.

—"Cooning" time is here and the coons are working the corn patches through the country, but no catches have thus far been reported. A good "coon dog" is looked upon as a great hero at this season of the year.

—The trial of Mauck and McKenna was completed and the case given to the jury in the Clarion courts yesterday. Up to the hour of going to press nothing was learned as to whether a verdict had been rendered.

—Among the REPUBLICAN'S pleasant callers this week were: J. R. Barr and H. H. Harp, Marienville; Candidates Harry Maze, of Jenks, W. M. Coon of Barnett and W. A. Connely of Hickory.

—Mrs. J. D. Wyman of Meadville, Miss Mauch Wyman of Chatanooga, Tenn., and Mrs. G. N. Burt of Oswego, N. Y., mother and sisters of our townsman W. G. Wyman, are paying him a visit, expecting to remain a couple of weeks.

—Delegate John W. Jamieson is in Harrisburg attending the Republican State Convention which meets today. He is accompanied by Messrs. John H. Robertson of Marienville, and Geo. W. Osgood of Whig Hill, who go to take in the proceedings, which promise to be lively.

—An expert gives these directions for peeling tomatoes: Cover them with boiling water half a minute; then lay them in cold water till they are perfectly cold, when the skin can be slipped off without difficulty, leaving the tomatoes unbroken and as firm as before they were scalded.

—The Derrick's Franklin correspondent says: The Keeley club will run a special train to Tionesta on the occasion of the reunion there of the Keeley graduates, September 6. The fare for the round trip has been fixed at \$1. It is expected that there will be fully 5,000 people attend this reunion, and the citizens of Tionesta are preparing for the accommodation of the crowd.

—Poor sidewalks are an expensive luxury. Salamanca is to have an election to vote upon the question whether the village shall issue bonds for a judgment for damages sustained by a rotten walk, or pay the bill at once by special tax. And when the bill is paid the walks will be no better.

—Great and welcome was the rain of Monday night. But the wind was high, and farmers tell us that corn and buckwheat are laid low and flat. Both will rise again, however, at least enough to admit of the heads and ears filling properly, and we corn dodger and flap-jack epicures may be happy yet.

—J. F. Overlander is fitting up his grist mill on the west side with boiler and engine, and expects this week to be prepared to do all kinds of grinding on the shortest notice and in the best possible manner. He has upward of a thousand bushel of grain already on hand and is daily adding to his stock.

—Geo. H. Higgins, Esq., left Monday for Erie where he becomes a law partner of Hon. S. M. Brainerd. Both gentlemen will gain advantages by this partnership and the many friends of George in Warren county will watch his career with interest.—Mail. And so will his large circle of Forest county friends.

—The Warren fair opens on the 12th of Sept. and continues four days. The management promises the best fair of any yet held. Balloon ascensions every day. Bicycle races first day, open to the world. Wednesday, Thursday and Friday, horse races. Good music each day. Extensive exhibits of all kinds, and no trouble to find lots to amuse and interest during the entire week. Go any day; you can't miss it any.

—A very nice game of base ball was played on the old grounds last Friday between nine composed of about the best material in town, one calling themselves the boat scaffold crew, and the other the wagon shop sluggers. The game of nine innings resulted in a victory for the boat scaffold by a score of 10 to 6. A little of this kind of work is liable to become contagious and result in several games before the season is ended.

—"Pennsylvania Day," Sept. 7th, at the World's Fair gives promise of being the greatest day yet had at the great exposition, and will be a credit to the State. Commissioner Farquhar and his co-laborers are putting forth their best efforts to make the affair a grand success in every detail. In the evening among other attractions, there will be a grand display of fire works including pieces emblematic of the State: Keystone, Coat-of-arms, portrait of Wm. Penn, etc.

—The American Express company has lately inaugurated a scheme for the convenience of patrons, which is unique and extremely handy. In every one of their 6,000 offices in the United States they have placed a small iron mail box. It is similar in size to the post boxes on the corners and is for the same purpose. The mail from these boxes will be taken out for every train, and mailed on the train when possible, and when not, taken to the postoffice. In connection with the mail box, the company will sell stamps at cost and throw in envelopes for nothing. One of these boxes has been placed in the Tionesta depot.

—The patience of the borough council is getting worn out by the inordinate slowness of owners of bad sidewalks in the direction of improvement of the same, and they, the council, are making preparations to move rigidly in the matter. We don't wonder at this. It is not pleasant to stand, at best, to occupy a position where one is obliged to use the strong arm of the law in compelling one's neighbors to keep his premises in decent repair, and the rule is to exercise all the leniency possible in such cases, but there is a point beyond which forbearance ceases to be a virtue, and the members of the council begin to think that point is well nigh at hand.

—Citizens of the borough, for the first time in a long term of years, are compelled to haul water from the river for laundry purposes. About three out of every five wells have failed, or so nearly so that the household is obliged to go sparingly in its consumption for domestic uses. The waters in the Allegheny river and Tionesta creek, were perhaps never so low by ten or twelve inches as at this time, at least no present inhabitant has any knowledge of a worse case of "low water" so far as we have been able to learn. P. S.—The foregoing was writ Monday before the rain, but we didn't propose to lose the item. The promise now is that we'll have a big boating flood, and the drouth seems to be broken, for which all are wonderfully thankful.

—The U. S. Government is getting ready to do some navigation improvement at Tionesta. It is proposed to put a dam at the mouth of the creek, connecting Hunter Island and Mr. Lawrence's farm, the purpose of which is to afford lumbermen better facilities for getting their stuff out in low water. Very often when the river is in fair rafting or boating stage it is impossible to get "out of the mouth" so to speak, and a with dam of proper height at the point indicated boats and "skippers" can be brought up the back channel and into the river with no trouble at all. Work is expected to begin in a short time, and it will be a substantial affair. What Uncle Sam does he does to stay.

—The Mt. Zion Lutheran Sabbath School of German Hill will hold a Harvest-Missionary Festival next Saturday beginning promptly at 10 o'clock in the morning. A beautiful grove near the church has been selected in which the exercises take place, and a program that will interest and please all has been in course of preparation for some time. Vocal and instrumental music will form a pleasing feature of the exercise. A basket picnic will be another of the enjoyable adjuncts, spacious tables for this purpose having been erected. Should the weather be favorable the occasion will be one long to be remembered especially by the members of Mt. Zion Sabbath School and its guests. In case of rain the church will be used. A cordial invitation is extended to all.

—The political axe was swinging in this section again last week, and the head of Tionesta's postmaster, Capt. Knox, is chopped off. Robert L. Haslet is the new appointee, which is no surprise to those who kept any tab on the run of things. While the vast majority of the patrons of the office would have been pleased to have seen the present incumbent retained, no one seriously believed he would be, and since there was to be a change the people, aside from those directly in the contest and their friends, are pretty generally satisfied with the appointment of Mr. Haslet, he having proved an obliging official while acting as his father's deputy under Cleveland's former administration. At Redelyffe this county, our old friend Joseph Hall is asked to step down and make room for T. J. Kunselman. And so it goes. These little matters are only loaned for a season. Four years hence where'll they be.

—The seventh annual convention of Woman's Christian Temperance Union of Forest County will convene in the Evangelical Church, West Hickory, Sept. 5th and 6th, 1893. Let every loyal temperance woman rally to the front against the monster evil in our midst. Rev. Anna Shaw, one of the finest speakers, will be with us Tuesday evening, Sept. 5th.

—Supt. Press Dept.

—Hicks for September.

—The month will open with high temperature in all the county. Central regions will get the crisis of heat and storm about 1st and 2d, and eastern sections about the 2d and 3d. The change to cooler will follow promptly and predominate till the 6th and 7th, reactionary days. From the 10th to the 15th is a storm period, central on the 12th. This period is apt to be marked by great heat and dangerous storms. After these storms frosts are apt to result in northern places. About the 17th and 18th will center a change to warmer with threatening storms. Dangerous storms are predicted about the 22d to the 25th inclusive. "Watch and see," says Mr. Hicks. "A good sized polar wave will spread over our deck from the northwest after the storms, overtaking their northern and western flanks, and changing the rain, possibly, into early sleet and snow. Very cool weather will follow, generally, up to the closing days of the month, at which time it will grow warmer, and reactionary storms will be on as the month expires."

—Frightful Southern Cyclone

—Dispatches from Louisiana Georgia, give very meagre particulars of a frightful cyclone which took place along the Atlantic coast Monday evening. Forty persons are reported killed at Savannah, Ga., and ten million dollars damage done.

—A Louisville special to a morning paper says: Forty persons are reported killed by a cyclone at Savannah, Ga. Ten million dollars damage done. No more news can be obtained here. The wires are down and no news can be obtained here.

—Lawrence & Smearbaugh ask an inspection of their new 2-dollar boot, just in. The like was never shown in this market, as a glance will convince any one.

AT HYMEN'S ALTAR.

A Pretty Home Wedding.—Mr. A. W. Skinner United in Marriage to Miss N. Brownie Bates.

Mr. Avery Warner Skinner, of Mexico, N. Y., and Miss N. Brownie Bates, daughter of Mrs. H. S. Bates, were married yesterday at 11 o'clock at the home of the bride, corner of Walnut and Brown streets. It was a quiet but pretty home wedding, with only the relatives of the family, and the members of the Cooking club, an organization including the particular young lady friends of the bride, in attendance.

The ceremony of the Methodist Episcopal church was pronounced by Rev. Harry Bates, of Kinzua, a brother of the bride, and the troth plighted with the ring. Miss Lee was maid of honor and the best man, a cousin of the groom, was Mr. Albert A. Walker, an '88 Amherst man and now on the staff of the New York Sun. Miss Bertha Bonner, of Chicago, and Miss Grace Stone, of Auburn, N. Y., acted as flower girls. During the progress of the ceremony Mendelssohn's wedding march was played. The wedding breakfast, following immediately, was discussed by some three-score of guests. Among those who were present were: Mr. T. W. Skinner and Miss Skinner, of Mexico, N. Y.; Mrs. J. B. Stone, Auburn, N. Y.; Mrs. S. Q. Brown, New York; Mrs. S. M. Sharp, Mr. and Mrs. A. B. Kelly, Mr. Benjamin May, Rev. J. V. McAninch, Tionesta; Mrs. Judge Christopher Heydrick, Mrs. Harriet Heydrick, Miss Heydrick, Miss Hannah Irwin, Mr. and Mrs. Bleakley, Miss Bleakley, Franklin. There were also present Mr. and Mrs. L. K. Hyde, Mr. and Mrs. E. T. Roberts, Mr. and Mrs. J. H. Fertig, Mr. and Mrs. W. W. Welton, Mrs. F. H. Payne, Miss Hyde, Miss Payne.

Mr. and Mrs. Skinner left yesterday afternoon for the Thousand Islands and Alexandria Bay, where their honeymoon will be spent. Their future home will be at Andes, N. Y., where Mr. Skinner, who graduated from Syracuse University with the class of '92, is the principal of the Andes academy. Mr. Skinner carries away with him one of Titusville's most charming young ladies. Miss Bates has been for two years a teacher of DeLairte in the public schools. She possesses many graces of mind and person. Mr. and Mrs. Skinner were the recipients of many beautiful wedding remembrances.—Titusville Herald, Aug. 25.

Kellettville.

The Amster ball team crossed bats with the Stars on Saturday. After a close squabble the Stars came out ahead which greatly adds to the Stars' conceit. It is reported that Tionesta's crack team will play the Stars at this place next Saturday.

A. L. Weller and R. J. Flynn have bought the Chas. Bauer logs at "Crooked Chute." The logs when sawed will make about 100,000 feet. The firm has begun operations already and by a couple of weeks will have finished.

The public schools at this place opened on Monday with Miss Kate Gueuther as teacher of room No. 1, and Richard Strickember of No. 2. Owing to the warm weather the attendance is not very large.

Miss Ella Ardery arrived in town Saturday evening from Corsica. She has been retained to teach the Newtown school, which she taught so successfully last season.

G. E. Kiffer is lying quite low with malarial fever at his father's home at Whig Hill. At last reports he was slowly improving.

Henry Groce's team and wagon with load of bark went through the two-mile bridge on Thursday of last week, and caused a days' delay in repairing the bridge. No damage was done to the load with exceptions of the breaking of the bark rack.

Chas. Andrews has swapped his fancy horse for another one that has a three-minute record.

Lyman Cook of Nebraska was in town a day or two last week. Lyman is well remembered by the old settlers who numbered here 25 years ago.

George Berlin has returned from West Virginia, where he has been at work for the past two years. George intends remaining here as this place is good enough for him.

Copeland and Gillosly are doing a land-office business with their "plater." Everything plated and polished as good as new on short notice.

Harry Dorrer is journeying in Clarion county for a week or two.

John Thornton and wife visited at Hickory over Sunday.

Potatoes are reported to be selling at 25 cts. per bushel in the Kellettville market. Hardly worth digging.

WILL WALKER, NEWSY NOTES.

Governor Pattison and staff will leave for the World's Fair on the 11th inst. The brigadier generals and their staffs will accompany him.

A safety envelope, just patented, is so folded and pasted together that it cannot possibly be opened without being entirely destroyed.

Jared Cook, the notorious horse thief, last week plead guilty in the Clarion courts to two horse thefts in that county. Horse stealing seems to be a mania with Cook.

Frank Siddall, the Philadelphia soap man says: "I have confined my advertising entirely to newspapers. The man who does not read a newspaper does not use soap."

Two young lads aged respectively 10 and 14 years, sons of Martin Graham, who lives near the toll house just east of Clarion borough, were drowned in the Clarion river on the 18th inst., while bathing.

The famous Cherokee strip will be open for settlement at 12 o'clock, noon, Saturday, Sept. 16th. Thousands of Kansans are waiting on the border for this event and the rush for choice locations will equal that of the Oklahoma opening.

The great pacer Masoot is foundered, and his racing days are over. Masoot won the proud title of king of pacers by his performance at Terre Haute, Ind., last fall, where he won the first heat in the free-for-all pace 2:04, which is the fastest pacing as well as race record.

The Chautauque Herald says: "When you pass the old stump in Miller Park, which has been cemented in order to preserve it, remember that on this stump P. P. Bliss sat when he composed the words and music of his famous hymn, Hallelujah, What a Savior!" He composed it during a sermon preached by Chancellor Vincent and sang it in the old auditorium at the close of the sermon."

The annual session of the Erie M. E. Conference for 1893 will be held at DuBois, and will commence on September 13. Bishop Hurst will preside. It numbers about two hundred ministers. This year's session will be one of more than usual interest. In addition to the stationing of the preachers, which occurs every year, the terms of four presiding elders expire, and their places will have to be filled. These are Elder Bignell, of the Jamestown district, Elder Peate, of the New Castle district, Elder Kummer, of the Meadville district, and Elder Smith, of the Franklin district. Elder Peate, it is said, will retire from active ministry. A number of preachers doubtless have their eyes turned in the direction of these four districts, as it is a worthy ambition to become a presiding elder, and is the highest station of the church within the reach of the majority of her ministers—Brookville Jeffersonian Democrat.

Pennsylvania Exhibits at the World's Fair.

Are ahead of them all, chiefly among them is the display of pure liquors manufactured in the State. It is conceded that no rye whiskies made in the world can equal those made in Pennsylvania, more especially Silver Age, Duquesne or Bear Creek. These three brands head the list of pure ryes, and are so well known that every reputable dealer sells them. North, East, South and West they lead all others, because they are pure; because they are reliable, and because they are stimulating, and strengthen and invigorate. They are sold at prices within the reach of all, and are sold upon their merits for purity and strength. Silver Age, \$1.50; Duquesne, \$1.00; Bear Creek, \$1.00 full standard quarts. Ask your dealer for them; insist on having them, and if you cannot be supplied, send to Max Klein, Allegheny, Pa. Price list of all liquors sent on application. All goods packed neatly and securely.
