

**REPUBLICAN TRIUMPHS!**  
**Sweeping Victories in all Parts of the Nation.**  
Pennsylvania, 100,000.  
New York, 100,000.  
Ohio, 87,000.  
Massachusetts, 30,000.  
Iowa, 35,000.

**OTHERS IN PROPORTION.**

The greatest upheaval known in politics for years took place in the various States holding elections yesterday, and the returns show Republican majorities unheard of heretofore.

**PENNSYLVANIA.**  
Leads the van with upward of 100,000 majority for Jackson and Fell. The election was the quietest ever held in the State, and the result indicates the sober judgment of the people.

**OHIO.**  
The gallant Major McKinley sweeps Ohio with upward of 87,000 majority. This is surely one of the greatest triumphs of the age, and indicates the feeling which the people of that State entertain for the present state of affairs in the Nation. Ohio elects a Republican legislature also by fully two-thirds majority.

**MASSACHUSETTS.**  
For the first time in three successive elections the Republicans have elected their Governor in Massachusetts, the majority being estimated all the way from 30,000 to 40,000.  
**NEW YORK.**  
Maynard the Democratic candidate for Supreme Judge in New York is buried under an avalanche of ballots, the majority against him being estimated at over 100,000. The entire Republican State ticket is elected by good majorities, besides they will have a good working majority in the legislature.

**IOWA.**  
Jackson, Republican, for Governor, sweeps the State by upward of 35,000 majority, carrying with him the entire Republican State ticket.

**ILLINOIS.**  
The re-election of Judge Gary in Chicago is a victory for the Republicans that was scarcely expected. The entire State ticket is elected by the Republicans and great gains have been made in all quarters.

In all the other States which held elections yesterday the Republicans have made the same sweeping gains, and the people of the Nation, wherever they have had the opportunity have said in no uncertain tones that eight months of Democratic rule is enough for them.

**FOREST COUNTY REPUBLICANS ELECT THEIR TICKET EXCEPTING SHERIFF.**

The returns from all the county came in finally at noon to-day. Though not official the vote shows the election of the entire ticket with the exception of Harry Mize for Sheriff, by the usual majorities, John T. Carson is elected Sheriff by 36 majority. The fight on Commissioners was quite spirited but resulted in the election of the two Republicans, Messrs. W. M. Coon and W. A. Connelly, and Peter Young, Democrat. The vote on Sheriff stands, Mize 609, Carson 645, Cole's vote incomplete. Commissioners, Connelly, 789; Coon 708, Young 736, Carson 568. Official table next week.

A DISPATCH from Washington under date of Nov. 5, says: "There is an impression among those who have talked with majority members of the committee on ways and means who are preparing a tariff bill, when it is reported, shall not present such a radical reduction as was promised some time ago. Just what led to this is not clear, except that the deficit in the treasury makes it important that the reductions of the duty shall not be as radical as to impair the revenue raising qualities of the measure. There have been numerous expedients talked of to raise sufficient revenue, chiefly those relating to an increase of internal taxation. It has been intimated that these suggestions have been given out with the idea of testing the feeling of the people upon them and to see if they will be too much of a burden upon those who will have to bear them."

Just why the Democrats insist on taking off the tariff and raising revenues for governmental expenses by a direct tax on the people is a puzzle to the average mind, and they ought not be long in finding out that the people will rebel against such unpopular tactics.

**Thanksgiving Proclamation.**  
The President has issued the following Thanksgiving proclamation: While the American people should every day remember with praise and thanksgiving the divine goodness and mercy which have followed them since their beginning as a Nation, it is fitting that one day in each year should be especially devoted to the contemplation of the blessing we have received from the hand of God, and to the grateful acknowledgment of his loving kindness.  
Therefore, I, Grover Cleveland, president of the United States, do hereby designate and set apart Thursday, the 30th day of the present month of November as a day of thanksgiving and praise to be kept and observed by all the people of the land. On that day let us forego our ordinary work and employments, and assemble in our usual places of worship, where we may recall all that God has done for us, and there from grateful hearts, our united tribute of praise and song may reach the throne of grace. Let the reunion of kindred and the social meeting of friends lead cheer and enjoyment to the duty, and let generous gifts of charity for the relief of the poor and needy prove the sincerity of our thanksgiving.  
(Signed.) GROVER CLEVELAND, By the President.  
WALTER Q. GRESHAM, Secretary of State.

**Dynamite Horror.**  
The greatest dynamite horror of the age occurred at the seaport city of Santander, Spain on Friday last. The ship Cabo Machichaco was lying at the wharf discharging part of her cargo, which consisted of 2,000 tons different kinds of merchandise, though the main part was iron ore. Underneath this were stored 480 cases of dynamite. Through some carelessness the ship took fire, and for safety was being towed seaward, the captain having declared that 20 cases of dynamite was all there was aboard, and this had been removed. People were naturally attracted to the spot by the burning ship, and in the midst of it all the 480 cases were exploded. The loss of life is estimated at all the way from 500 to 1,000, and the destruction of property has been enormous in the city and surroundings. Nothing like its magnitude has ever occurred within the knowledge of man.

"In times of peace prepare for war." So also in these dull times young men should prepare for the revival of business. DR. F. C. H. B. E. of Pittsburgh, has fitted thousands of young men for a life of usefulness by giving to them a thorough practical business education. The institution is the foremost of its kind in the country. **The Best Plaster.**—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with Chamberlain's Pain Balm for sale by Siggins & Nason.
