

The Tariff Wreckers at Work.

The new tariff bill that has been in process of incubation by the Democratic ways and means committee has at last been given to the public, and a sorry mess they've made of it for American industries.

Wool, iron ore, coal, binding twine, lumber, lead ore, salt, free stone, granite, sandstone, limestone, and other building or monumental stone, except marble, manufactured or undressed grind-stones, finishing or unfinished, copper imported in the form of ores, regulus of copper and black or coarse copper and copper cement, blue vitriol or sulphate of copper, all preparations of coal tar, not colors or dyes, borax, crude or borate of soda, or borate of lime, coloring for brandy, wine, beer or other liquors; copers or sulphate of iron, iodine, olive oil, indigo, sponges, aluminum, in crude form, allers of any kind in which aluminum is the component material or chief value, antimony, as regulus of metal; metallic mineral substances in a crude state, and metals unwrought; flax straw, flax, spices ground or powdered cayenne pepper, sage; timber hewn and sawed and timber used for spars in building wharves, timber squared or sided, boards, planks, deals and other lumber of hemlock, white wood, sycamore, white pine and bass wood not planed or finished; cotton ties, chocolate or lead ore.

In One Year.

The Holyoke (Mass.) Free Press, a Democratic organ printed in a town that is kept up by the many mills within its limits has left the Democratic party, and in doing so it flings this parting shot at the starvation Democracy:

"The Democratic party has now had absolute control of the affairs of the nation for seven months, and the result is the most sorrowful time the nation ever saw. Business paralyzed, industries shut down, wages cut down, a financial panic, such a stringency in the money market that bank after bank business house after business house have had to close their doors, hundreds of thousands out of work a year ago every mill in the city was rushed with orders. They could not produce fast enough for the demand to-day there is scarcely a mill in the city that is running full time, and of the large mills there is but one that has not gone half time or cut wages 10 per cent. or more. An awful change for a year!

"This frightful condition of affairs appeals thoroughly to the American citizen, who has a powerful weapon in his hand—the ballot. It was the ballot that brought about this great change from prosperity to poverty; from industrial activity to industrial stagnation; from financial ascendancy to financial depression. The present industrial stagnation is without any doubt the result of the free trade plank that was inserted in the Democratic national platform of 1892. That platform denounced the protective tariff policy under which the nation has grown and developed from a child to a giant, and declared that if the people entrusted the offices of the nation in its hands it would wipe out every trace of that policy."

The Free Press is in good company. Thousands of other Democrats have left the old wreck, and they will never return. The party is doomed forever. In one year it has wrecked not only the business of the nation but itself as a political organization.

Hon. JEREMIAH RUSK, ex-secretary of agriculture died at Virroqua, Wis., Nov. 21. Gen. Rusk had been seriously ill for about two days. He rose to the rank of brigadier general in the late war, served a term in the legislature, was bank controller of Wisconsin for two terms, was elected to Congress three times, and later was elected Governor of Wisconsin for three successive terms. He was the first secretary of agriculture being appointed by President Harrison when the office was established. His age was 63 years. Gen. Rusk was the idol of his state, and during his term in the agricultural department endeared himself greatly with the American people.

The total official vote in Kansas this year, with only two small counties to hear from, is 248,134 as against 322,857 in 1892. Of this vote the Republicans cast 125,517, the Populist 94,380, and the Democrats 27,747. The Republican plurality is 30,647 and majority over all 2,900.

NEWSY NOTES.

The December New Peterson is in many respects ahead of all former numbers, excellent as these issues have been. The illustrations are more numerous and better than ever, and a glimpse of the contents is enough to make one want to read from the first page to the last. At its reduced price—\$1.00 a year—the New Peterson is certainly the cheapest and best magazine in the world. Send 5 cents for a sample copy. Address The Peterson Magazine Co., Philadelphia, Pa.

A Lancaster constable has brought suit against the county for fees due him. Under the Brooks License Law he was compelled to visit all places where liquor is sold, but the law failed to provide any compensation for such services. He claims that he is clearly entitled to mileage and so much fee for each visit, and the Commissioners refusing to allow his claim of two hundred and thirty seven dollars and fifty cents, he has begun an action. This is the first case of the kind and if this constable recovers, each constable in the Commonwealth will come for pay for similar services.

Dr. N. C. Schaeffer the State Supt. of Public Instruction, writes editorially in the current number of the Pennsylvania School Journal: "A visit to the State Normal School at Edinboro revealed an attendance of over 100 students. Of these 110 are prepared to teach and the rest are in the Model School. The students are earnest and exceedingly well behaved. The professors are enthusiastic and harmonious. Among them is Miss Anna Buckbee, whose fame as a teacher has reached all parts of the Commonwealth. The Superintendent of the model school reports that pupils from the town schools are seeking admission into his department. Edinboro is a beautiful town, free from the temptations of large cities, and well adapted to be the seat of a flourishing school. The buildings and the discipline have been much improved in recent years."

Storm Prophet Hicks' Paper.

Many persons know of Rev. Irl R. Hicks, the noted storm prophet, but are not so well acquainted with the fact that his monthly paper, Word and Works, is one of the most attractive and instructive journals in America and is doing more to educate the people in science than any other. It not only contains Rev. Hicks' monthly forecasts, complete and unbridled, but also articles from his pen on astronomy and planetary meteorology, finely illustrated. There is a sermon or religious article in each number, a "Home Sweet Home" department, edited by a lady, a "Youth and Beauty" department for boys and girls, "queries" for those who want hard nuts cracked and many other good things. All this for the low price of \$1 per year. All subscribers who pay for a years subscription in advance before Feb. 1, 1894, will receive free, as a premium, Rev. Irl R. Hicks' almanac for 1894. This book alone is well worth the subscription price. Send six cents for a sample copy of the paper or send \$1 for years subscription to Word and Works Pub. Co., St. Louis, Mo.

The Best Plaster.—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with Pain Balm. 50 cent bottles for sale by Siggins & Herman.

A Horrible Railroad Accident.—Is a daily chronicle in our papers; also the death of some dear friend, who has died with consumption, whereas, if he or she had taken Otto's cure for Throat and Lung diseases in time his life would have been rendered happier and perhaps saved. Heed the warning! If you have a cough or any affection of the Throat and Lungs call at Siggins & Herman, Tionesta, or W. G. Wilkins, West Hickory, sole agents, and get a trial bottle free. Large size 50c.

Don't Tobacco Spit or Smoke Your Life away is the truthful, startling title of a little book that tells all about No-to-bac, the wonderful harmless guaranteed tobacco habit cure. The cost is trifling, and the man who wants to quit smoking runs no physical or financial risk in using "No-to-bac." Sold by all druggists. Book at drug stores or by mail free. Address, The Siggins & Herman Co., Indiana Mineral Springs, Ind.

The Trouble Over.—A prominent man in town exclaimed the other day: "My wife has been wearing her life out from the effects of dyspepsia, Liver Complaint and Indigestion. Her case baffled the skill of our best physicians. After using three packages of Hanson's Cherry King for the nerves she is almost entirely well." Keep your blood in a healthy condition by the use of this great vegetable compound. Call on Siggins & Herman, Tionesta, or W. G. Wilkins, West Hickory, sole agents, and get a trial package free. Large size 50c.

Are your children subject to croup? If so, you should never be without a bottle of Chamberlain's Cough Remedy. It is a certain cure for croup, and has never been known to fail. It is given freely as soon as the croupy cough appears it will prevent the attack. It is the sole reliance with thousands of mothers who have croupy children and never disappoint them. There is no danger in giving this Remedy in large and frequent doses, as it contains nothing injurious. 50 cent bottles for sale by Siggins & Herman.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

November Days.—November is a month of rainy, disagreeable days. The damp cold air penetrates everywhere and chills the blood, laying the system open to the danger of colds, pneumonia and kindred complaints. There is but one remedy that stimulates the system and fortifies it against such attacks, and that is whiskey. Not such a whiskey as is generally palmed on the public, but a whiskey of known purity and quality. Such a whiskey is Klein's Silver Age, Dunsuano or Bear Creek Whisky. These whiskeys have been before the public for many years and find favor wherever purity is required. Physicians prescribe them; hospitals use them, and every reputable dealer sells them. They are for sale at \$1.50, \$1.25, and \$1.00 per quart respectively. Send for a catalogue and price list of all liquors mailed free. All goods neatly boxed and expressed anywhere. Address, Max Klein, 52 Federal street, Allegheny, Pa.

—Mr. W. M. Tierce, who has been in the drug business at Kilkon, Ky., for the past twelve years says: "Chamberlain's Cough Remedy gives better satisfaction than any other cough medicine I ever sold." There is good reason for this. No other will cure a cold so quickly; no other is so certain a preventive and cure for croup; no other affords so much relief in cases of whooping cough. For sale by Siggins & Herman.

Horses suffering from soreness, or any diseases horses, dogs or cattle are heir to, successfully treated.

The dentistry of the horse is a science in itself. Horses' teeth the cause of disagreeable habits. Horses having diseased teeth are hard to keep in condition, and if poor, it is impossible to fatten. There are few horses, young or old, without more or less sharp-edged or rough projections upon their incisors. The sharp edges lacerate the mouth, causing torture to the horse, and he tries in various ways to rid himself of the trouble. Some start suddenly or stop short, toss the head, drool or slobber; others shy, drive sideways or hold their head in an unnatural manner. Improper grinding of food causes indigestion, and indigestion produces loss of appetite, hiccough, swollen limbs, starting or dead like cost of hair, coughing, discharges at the nose, running at the eyes, etc., etc.

Irregularities of incisors or incisors easily removed. Practical experience enables me to give satisfaction in all cases. Have fine rosey stalls for the treatment of all disabled animals. All calls promptly attended to, night or day. No charge for examination at office.
