## RIVERSIDE STOCK FARM.

Comparatively few people; even those living as near to it as residents of Tionesta; are aware that what will soon be one of the greatest stock

farms in this country is situated within a few miles of our town. But such is a fact and the reason it is not more generally known is that it has young men and skilled accountants, had its growth within four years and is as yet, just begun. About eight years ago Colonel John J. Carter, the wealthy oil producer of Titusville,

men," is the report from all over the at that time occupied by the late country, but try to get a man to do a Garson Shamburg and known as the little work for you and before you old "Green Farm." The portion of find one, you will have arrived at the the property upon which the manor conclusion that the "idle men," at house is situated is on the flats about a mile below West Hickory villiage.

To the original purchase Col. Carter maining in Tionesta, Pa., Post Office, has been adding from time to time May 8, 1894 : Coxeon, Samuel ; until at present he has a solid body Copeland, Miss Della ; Glaspy, James of land about one and one half by B; Herrington, C. P.; Miller, Ed. six miles in extent and containing J ; Murphy, Mrs. Martha ; Shaw, A. not less than six thousand acres. M ; Williams, Elder R. H ; Walters, For the first four years that the Colonel owned this property, nothing was doue upon it except in the matter of the production of oil, to which use it had long been dedicated; but about 1889 it was determined to make a stock farm of the place and work was at once commenced by the erection of an immense barn and other not only great credit upon all who farm buildings, and the clearing up took part in it but upon Mr. and Mrs and putting in shape of the land com-Ritchey, who so successfully trained prising the farm. At the invitation the choruses. The marching and sing. of Mr. L. J. Paul, the manager; a representative of the REPUBLICAN visited the big farm one day this week, and was shown over the place. A start was made at the small horse barn, which was one of the original buildings on the place. Here is housed the four work teems ; all fine diers. The house on Wednesday eve- animals of the percheron or clydesning was full; many having to stand, dale breed. There is so much work for horses to do on the farm at this tend the first evening were there the time, that their own supply of teams is insufficient and teams from off' the place are hired to keep up with the pressing work. From the horse barn to the Cattle barn is but a step and here was seen the pride of the farm;

the beautiful percheron stallion, "French Lion Jr.," he is a noble animal, 5 years old, weighs about 1600 pounds and is very gentle and kind. He is an excellent roadster. Passing through the basement of the barn, we saw many other fine horses, Carriage arts Run is getting to be quite a business as well as draft, but space does not permit a more particular mention. On the other side were seen several specimens of the Aberdeen Angus cattle, of which Mr. Carter is making a business centre here. a specialty. They are the horpless cattle and are valuable particularly for beef. We were informed by Mr. Paul that a carload from the west was a short time ago sent to Chicago, in a train containing cars of other breeds, but that \$1.25 per hundred pied up that he is not able to do any work weight more, was received for this

like everything else on the place; A Remarkable War Souvenir Offered Absolutely Free, Read This Carefully, built of the best material, and regardless of expense. The last place

visited, was the sheep pens where The top notch of enterprise and liberalwere seen the 300 lbs.
