

REPUBLICAN TICKET.

COUNTY. Congress, A. W. COOK. (Subject to action of Dist. Conference.)

Assembly, J. E. WENK. Associate Judge, J. A. NASH. District Attorney, P. M. CLARK. Coroner, J. W. MORROW.

REPUBLICAN PRIMARIES OF FOREST COUNTY.

THE Return Judges met in the Court House at two o'clock yesterday afternoon and computed the votes cast at the primary election held on Saturday, and the following candidates were declared by the Convention as the nominees of the Republican party.

For Assembly, A. Wayne Cook; for Associate Judge, J. A. Nash; for District Attorney, P. M. Clark Esq.; for Coroner, Dr. J. W. Morrow.

Kennedy L. Haugh had no opposition for Delegate to the State Convention, and goes unopposed, as has always been the custom in Forest county.

Stirring resolutions, published in full in this issue, were adopted, after which the Convention proceeded to the election of a Chairman for the ensuing year.

James G. Carson of Nebraska was chosen and his election made unanimous. The Chairman and each of the nominees were called upon and responded in a few words each, thanking the convention and through them the voters of the County for the honor conferred upon them.

The thanks of the Republicans is due the outgoing Chairman, Mr. Woods, for his untiring work on behalf of the party and for the victories achieved in the past under his leadership.

Of the ticket time does not permit of extended notice, at this time; suffice it to say that the proceedings were harmonious, and good feeling prevailed throughout.

More about the candidates as the campaign progresses.

RESOLUTIONS. First. The Republicans of Forest County in convention assembled hereby reaffirm their adherence to the principles of the Republican party as enunciated in their platform at Minneapolis.

Second. We denounce the efforts of the present Democratic administration to reduce the wages of American laboring men and mechanics to the condition of the pauper labor of foreign countries, by their unwise attempt to establish free trade or "tariff reform," and attacking the Republican system of protection to American industries and the products of American mines, farms, forests, labor and skill; thereby causing our people to pay higher prices for the necessities of life, and to work for lower wages, and creating armies of unemployed, paralyzing business and causing losses of earnings of years and distress and starvation.

Third. We condemn the weak, vacillating foreign policy of the present Democratic administration as non-American, and particularly its Hawaiian policy and efforts to abolish a Republic and set up a Monarchy, in violation of the principles of justice and liberty.

Fourth. The attitude of the present administration toward the surviving veteran soldiers of the late war, and the widows and orphan children of their deceased comrades and those who were dependent upon them for support, in refusing, reducing and striking their names from the pension rolls without just or legal cause, and by unjust, arbitrary rules and misconstruction of the pension laws passed by Republican Congress, and depriving them of the benefit of a Nation's gratitude by dropping them from that roll of honor, and taking from them their pensions so dearly earned in defence of the Union, in their old age and disabled condition, calls for the condemnation of every good and patriotic American.

Fifth. We heartily endorse the candidacy of General D. H. Hastings for Governor, and request our delegate to the State Convention to use all honorable means for his nomination, and we pledge to him the earnest and undivided support of the Republicans of Forest County.

Sixth. We earnestly recommend our candidate for Congress, A. Wayne Cook, Esq., to the Republicans of the 28th Congressional district as a man eminent in ability to represent this district in Congress, and ask their hearty co-operation in making his nomination in the district unanimous thereby insuring success at the fall election.

Seventh. We hereby unanimously endorse the County ticket nominated today, and in behalf of the Republican party of Forest County, pledge to all our candidates our earnest and undivided support.

THE Harrisburg Telegraph pays the tribute to a retiring Republican officer: John W. Morrison the retiring State Treasurer, leaves the position with the hearty and well-deserved praise of every citizen of the State.

A partisan in politics, his political predilections were never shown in the conduct of the affairs of his department. Scrupulously honest, hewing to the line at all times when the interests of the State were to be furthered, a good business man, courteous at all times, he was an official of whom the State could be proud. ple of Pennsylvania made no mistake when they elected John W. Morrison, State Treasurer. He went into the office with the idea that the State's business was his particular private business, and on that line he based all of his actions. That he succeeded is evident.

COL. BRECKINRIDGE sounded at Lexington the keynote of his campaign for renomination to Congress. He is running on the penitent-sinner issue. There is as much humbug and hypocrisy in this plea for votes as there has been in Breckinridge's past life.

OUR neighbor, the Franklin Evening News, gives utterance to the following truth. "Citizens who think they are not directly interested in the morals and good behavior of the community are mistaken. Every drunken brawl which results in arrest, every crime for which an indictment is found, costs money to the law-abiding citizens. Last week's term of criminal court in this county is an illustration. To try a lot of people, mostly of the worthless sort, the county treasurer had to pay out \$219.52 for Grand Jurors, \$629.84 for Petit Jurors, and a number of other items of expense directly connected with the criminal cases. The total cost of the term amounts to about \$1,500."

SOUTH CAROLINA has become a prohibition State without intending it. Neither by the vote of the people nor by the Legislature has the sale of intoxicating liquor been prohibited. The Tillman law forbade the sale of liquors except by the licensed dispensaries. The Supreme Court declared the State dispensaries to be unconstitutional and closed them. This left nothing capable of receiving a liquor license. If Governor Tillman will take advantage of this condition of affairs to compel a season of strict sobriety in South Carolina the discipline in its influence on the over heated natures of the citizens of that State can not but be wholesome.

There will be a meeting of the Prohibition Committee on Tuesday, May 22, 1894, at 1 o'clock, p. m., in Diagona & Dale's office, Tionesta, Pa., to elect Delegates to the State Convention and transact such other business as may come before the convention. By order of C. A. HILL, Chairman.

PROCLAMATION.

WHEREAS, The Hon. Charles H. Noyes President Judge of the Court of Common Pleas and Quarter Sessions in and for the County of Forest, has issued his precept for holding a Court of Common Pleas, Quarter Sessions of the Peace Orphans' Court, Over and Terminer and General Jail Delivery, at Tionesta, for the County of Forest, to commence on the Third Monday of May, being the 21st day of May, 1894. Notice is therefore given to the Coroner, Justices of the Peace and Constables of said county, that they be then and there in their proper persons at ten o'clock A. M., of said day with their records, inquisitions, examination and other memoranda, to do those things which to their office appertain to be done, and to those who are bound in recognition to prosecute against the prisoners that are or shall be in the jail of Forest County, that they may be then and there to prosecute against them as shall be just. Given under my hand and seal this 23rd day of April, A. D. 1894.

JOHN T. CARSON, [L.S.] Sheriff.
