He was in a skift with two companions and fell overboard. The party had attempted to cross the river after night, and became bewildered in the heavy fog, and the strange part of the affair is that the two survivors do not know when their companion fell overboard, they not having discovered his absen till they landed on the shore.

"A prevailing supposition among hote men," said one of them recently, "is that to close the register brings bad luck to the house. You will find it so in every hotel in the country. And every clerk feels like jumping over the desk and paying a visit to his old friend Judge in operation before winter sets in. premises and the boys determined to thumping the man who carelessly closes capture this rara airs, so one night the book. We never close a book until it is filled to the last page. I always place my hand on the book until the man who registers has left the desk. Whenever a man closes the book we have had bad luck somewhere in the house."

D. H. Hoover, of Irwin township, brougt to Franklin and rehearsed to the Derrick reporter a most peculiar case. During the early spring time Mr. Hoover planted some choice encumber seeds. They sprouted all right but would not vine; they only grew straight up. Not a blossom appeared and there was no cucumbers. He thought the case remarkable, but outside of that paid no attention to the cucumbers. On Thursday evening last, about dusk, he went into his garden and being disgusted with the plants, he pulled one up. What was his surpise to find the roots filled with cucumbers, much the same as potatoes grow. On Friday morning he pulled up the entire patch and secured 75 dozen buted to the dry weather. The case is the first of the kind recorded in this country,-Oil City Derrick.
