

THE FOREST REPUBLICAN.

J. E. WENK, EDITOR & PROPRIETOR.

WEDNESDAY, OCTOBER 24, 1894.

REPUBLICAN TICKET.

STATE. Governor, DANIEL H. HASTINGS. Lieut. Governor, WALTER LYON. Auditor General, AMOS H. MYLIN. Secretary of Internal Affairs, JAMES W. LATTA. Congress-at-Large, GALUSHA A. GROW. GEORGE F. HUFF. COUNTY. Congress, W. C. ARNOLD, of Clearfield County. State Senate, JOHN F. CRAIG, of Clarion County. Assembly, J. E. WENK. Associate Judge, J. A. NASH. District Attorney, P. M. CLARK. Coroner, J. W. MORROW.

OUR TICKET.

On the personal of the Republican State ticket it is needless to speak at length. So much has been said during the past few months that their merits are fully known to almost every voter. It is sufficient to say that, personally, the state candidates are above reproach, while their public records have been searched in vain for a single flaw, and they are worthy the best support of every Republican.

FOR CONGRESS.

The Republicans have an excellent candidate in the person of William C. Arnold, of DuBois, Clearfield county. Mr. Arnold's acquaintance throughout the district is very much in his favor, and wherever he has gone he has left nothing but the best impression among the people. His ability to ably represent Pennsylvania in Congress is conceded by his opponents as well as his supporters, and that with his election the vital interests of the district will have a splendid champion in the Nation's capital goes without saying. A vote for Arnold is a vote for your own interests, and for the upholding of American industries.

FOR STATE SENATOR.

The Republican party of this district has placed before the people a citizen whom they can support with the full assurance that they are voting for one who is in thorough sympathy with all their need in the matter of State legislation. John F. Craig is a plain business man, who has learned by hard work what it is to get along in the world. Born and reared to manhood on a farm he knows the needs of the farmers and has their interests fully at heart. A man of fine education he has the ability to intelligently champion the cause of his people in their varied business pursuits. Mr. Craig's home is in New Bethlehem, Clarion county, where he is largely engaged in the manufacture of woolen goods, and where the firm of which he is a member has also large flouring mills. He is popular with the people that know his worth as a man, and love him for his generosity and upright dealings with them. A vote for him is a vote in the right direction, and one which you will not regret.

FOR ASSOCIATE JUDGE.

The Republican nominee is Joseph A. Nash, of Howe township, a man who is held in highest esteem by his neighbors and those intimately acquainted with him, a fact which always speaks louder than words for any citizen. Mr. Nash has been entrusted with responsible township offices for a number of years and in every case has discharged the duties thereof with fidelity and credit to himself. He is at present a Justice of the Peace in his township, and by wise counsel and good advice has kept much petty litigation out of the courts, thus saving expense and needless ill feeling among neighbors. His record as a man and citizen is attested by his neighbors in the fact that they have repeatedly called upon him to serve them in official capacities. A man of sound judgment and unbiased mind he would undoubtedly fill the position to the satisfaction of the people. He will without doubt acquit himself on the Bench with the same credit shown in the discharge of minor official capacity. Always a true Republican from principle he deserves the loyal support of the party which he has loyally supported from young manhood. A vote for Squire Nash is a vote for a worthy citizen and gentleman.

FOR ASSEMBLY.

The Republican party has nominated J. E. Wenk, editor of this pa-

per, and as the people of the county are pretty well acquainted with him, after a lifetime spent among them, we think it is just as well to leave the matter with them. We have but one promise to make if chosen to represent the people in the legislature and that is: Fidelity in the discharge of the trust reposed.

FOR DISTRICT ATTORNEY.

P. M. Clark Esq. of Tionesta Boro., the Republican candidate for District Attorney, is the present incumbent and has filled the office for three terms. He was accorded the nomination without a contest and will doubtless be elected without opposition as the other parties have named no candidate. Mr. Clark will in the future as in the past, make a careful, painstaking, conscientious official and should receive the vote of every Republican in the county.

FOR CORONER.

We have Dr. J. W. Morrow an old soldier with a clean record, an able physician enjoying a large practice, an upright, moral man, and last but not least, a strong Republican who has been identified with the party since its birth. It gives us pleasure to testify to the good qualities of Dr. Morrow and every voter should consider it a privilege to cast a ballot for him. In conclusion we have but to say, let every Republican get out to election on November 6th and cast his ballot for the Republican ticket from top to bottom. This is a duty you owe, not only to your party but to yourselves as well. Urge your neighbor to do the same.

A BUSHEL of wheat bought twenty pounds of sugar under McKinley Protection. It buys only ten pounds of sugar under the first step toward Free Trade. How much will it buy with the absolute Free-Trade that is promised to the farmer?

ABRAHAM LINCOLN once said: "If the United States has \$40 and needs a ton of iron, and buys it in Europe, it has the ton of iron, but has parted with the money. If that sum of money is spent for a ton of iron made in this country, then we have both the iron and the \$40." That sort of reasoning strikes a responsive cord in American workmen. The free traders may refuse their arguments until they prove, without a flaw in their logic, that it would be better for the United States to be the agricultural people of the world and Great Britain the manufacturing people; but the practical man will still retain a saving sense of the wisdom of having as much as possible of what is consumed here produced and made here.

CONGRESSMAN WILSON is in grave danger of defeat in the Second West Virginia congressional district. In 1892 he was elected by a majority of 1,051 in a total vote of 42,563. From 1890 to 1892 the Republican vote in the district increased 2,382, the Democratic vote 1,372, a net Republican gain of 1,000, in a year which was characterized as "Democratic" the country over. This year a change of 526 votes in the district, thirty-five to a county, or five to every 400, will elect Professor Wilson's Republican opponent. Disaffection reigns throughout the district and the great free trade exponent of the Democratic party, unless the tide changes, is pretty certain of being retired from politics on November 6 next.

PROCLAMATION.

WHEREAS, The Hon. Charles H. Noyes President Judge of the Court of Common Pleas and Quarter Sessions in and for the county of Forest, has issued his precept for holding a Court of Common Pleas, Quarter Sessions of the Peace and Orphans' Court, at Tionesta, for the County of Forest, to commence on the Third Monday of November, being the 23rd day of November, 1894. Are You Skeptical.

Do you believe all Advertisements are Fakes?

Then why stand in your own light

This is of Personal Importance to You.

We can and will save you money. This is an age of progress and advanced methods. There was a time when all a merchant had to do was to tack 25 to 50 per cent. profit on his goods and wait for his customers to come to him. Those times are past. Business cannot be done successfully in that way. Instead of the liberal profits of the past, we must have large sales and small profits. We've got to hustle for all we get, and we find that the only way to keep our trade constantly increasing is to undersell all competitors—give our trade better values than can be found elsewhere.

Where else can you find such values as these:
