SWEEPING REPUBLICAN VICTORY.

Since the smoke of battle has cleared away it is found that the Republican triumph is far greater than the most visionary mind could depict. The solid south is effectually broken, while the north seems more solid than it has been since the war.

In Alabama the Democrats lose two congressmen.

California the Democrats have elected a governor by the merest scratch, while the balance of the State ticket is Republican together with six of the seven congressmen.

Colorado elects a Republican governor by 20,000 or more plurality over Bloody Bridles Waite. Legislature Republican on joint ballot. Connecticut overwhelmingly Republican.

Indiana elects the full Republican ticket by 50,000 to 75,000 majority. a solid Republican congressional delegation, and the legislature.

Iowa shows up for 90,000 plurality for the Republicans.

Kausas elects a Republican governor by 30,000, and seven, possibly all, of the congressmen.

Illinois shows up for close to 100,-000 Republican majority, and almost a solid congressional delegation. Legislature largely Republican on joint ballot.

Michigan elects a Republican gov ernor by over 100,000 plurality.

Missouri, that great stronghold of Democracy, elects the entire Repub. ocrats all the way from 500 to 1800 fican ticket, and probably 11 out of the 15 congressmen.

6,000, and the legislature, which fight with less than 100 to spare in elects two U. S. Senators, is Republi. the entire district. can by 29 majority.

New York gives Morton 153,838 plurality over Hill. Democratic congressmen from that State will not be plenty in the next House, they having elected but 5 out of the 34.

North Carolina has slipped away from the Democrats, they having lost the judicial fight there, while the Republicans gain three congressmen.

Ohio gives upward of 150,000 Republican, and they elect 20 out of the 21 congressmen.

Pennsylvania, the banner of them all, gives Hastings upward of 240,-000 plurality, and the Republicans

elect 28 of the 30 congressmen. Tennessee barely escapes with a small Democratic plurality on the state ticket, and the Republicans gain two congressmen.

In West Virginia the popular ma-Dauphin .. Deleware. jority is over 14,000. Wilson is defeated by over 2,000 plurality, and Fayette the Republicans also elect the other Franklin

Times says the Democrats of Pennsylvania, like the Democrats generally throughout the Union, needed a 371 severe chastening from the people and they received it. There were existing conditions relating to business and industry which would probably have defeated any party in power, but beyond all these adverse influences the Democrats in Congress ex-416 hibited such a lack of statesmanship 1334 that they sowed the seed of popular distrust throughout the whole country and ended the first session of 74 their rule in popular contempt,
