—The Esionton News don't seem
to have much to say on the school
question of that town, but from the
appearance of the blank space in that
paper we are of the opinion that the
News man is keeping up that kind of
a thinking frequently heard about.
—The State music teachers associa-

—The police of Franklin have no-
tified the proprietors of billiard sal-
oons that youths under 21 years of
age must not be allowed to play in

billiard room proprietors of this place
would have if a similar action were
taken in this place.

—A meeting of the trustees of the
Chautauque assembly was recently
held in Cincinnati, O., and it may be
gratifying to some of our citizens to
know that the business of the past
year was found very satisfactory and
that the affairs of the assembly are
on a firmer basis than ever before.
—The law requires that nomina-
tion papers for nominations made at
the recent primaries should be in the
hands of County Commissioners 15
days prior to election and as the elec-
tion takes place Tuesday, Feb. 19 the
papers must be filed by Feb. 1. This
is important.
—In 1894 Pennsylvania produced
30,000,000 barrels of oil valued at
\$25,000,000. The production was a
little less than during the preceding
year, but was of more value, owing
to higher prices. Twenty-five mil-
lion dollars is a vast sum of money,
and yet petroleum is not Pennsylv-
ania's greatest industry.—Franklin
News.

—There is a proposition for a cen-
sus of Pennsylvania this year and the
matter is likely to come before the
legislature.
—It is now an assured fact that
Clarion is to have an electric lighting
plant, and there is considerable talk
of numbering the houses in that

gladden many old veterans these
hard times.
—Representative Lawrence of
Washington county has introduced two
bills in the legislature, one being

several counties, and the other re-
pealing the act regulating the fees to

aldermen, magistrates and constables.
—Now comes the good news that
the Kane semi-weekly Republican is
going to become a daily. Kane is
rapidly acquiring a reputation as a
bustling town of business, and the
Republican is one of the brightest and
newest exchanges on our table, and
its arrival is always greeted with
pleasure. Long live the Republican.
—Yesterday morning at about 10
o'clock the house, belonging to our
former townsman, Ed. Stroup, with all
its contents, burned to the ground.
The fire originated from a defective
flue. Ed. and his wife came here
on a visit to John Wyant's, and out
of sickness were detained, and they
are left without a house furniture or
clothing. Their house was at Tylers-
burg.
—It is now conceded that Capt. H.
H. Cumings of Tidoute will be the
next Department Commander of the
G. A. R. That would accord with the
fitness of things, and sentiment
among the old vets has set so strong-
ly in the gallant Captain's direction
that there is no counter current or
swirl or eddy perceptible to disturb
the confidence of his friends.—Brad-
ford Star.

—The gallery at Tionesta will be
open on Thursday as usual and at
Tidoute on Friday and Saturday un-
til further notice, by W. J. Bulger,
for J. W. Sires. Mr. Bulger is well
known to the people of both towns,
which will, we hope, insure him a
warm welcome and a good business.
We understand the price of cabinet
photos is to be only \$2.50 for 30
days. 11
—The blustering breezes of the
past few days have made it very try-
ing for pedestrians, but there has not
been much kicking for the people
realize that while it does not make
the walking very good we are in need
of sleighing and the lumbermen of
the opportunity and every availabil-
team is busily engaged in hauling
either lumber, timber or railroad ties.
—The following tribute to Winter
is of unknown origin: "It blows and
it snows and stings your nose—make-
all creation shiver; it bites your toes,
increases your woes and freezes you
to the river. The frost nips all, both
great and small, this dismal, dreary
winter; it freezes types, it bursts the
pipes, and vexes the printer. So let
it pass—we mean the cash—for it
takes the cash in winter; so please be
kind and make up your mind to settle
with the printer."
—Persons desiring to aid in the
increase of edible fish in the waters
of the state, can, by applying to
the Pennsylvania Fish Protective
Association, 1020 Arch street, Phila-
delphia, obtain placards containing
information as to close seasons of the
different varieties of fish, and other
information pertaining to the same;
also blank applications for procuring
Trout fry, free, from the Pennsylv-
ania Fish Commissioners, will be
supplied by the association upon ap-
plication.
—A discussion is raging in Erie
over a question propounded by a
school teacher to her class: "If a tree
located in a forest should fall and no
one should see it, would it make a
noise?" The question has created
much discussion among the pupils to
whom it was presented, and it has
spread into wider and wider circles.
The debate turns upon the theory
that sound exists only in the ear, and
that there can be no sound where
there is no ear to receive and respond
to the atmospheric waves.
—It was reported some weeks ago
that an order had been sent out from
the general passenger agent's office of
the Erie Railroad company instructing
agents and conductors not to sell
or receive clerical orders after March
31, 1895. The cause of the action
was the willful violation of the privi-
lege of half-rates to clergymen by
sub-letting their orders. Agents
have now been instructed to "sell
tickets this year as formerly, except
that they will not be made good east
of Salamanca and Buffalo.—Sharon
Eagle.

—There is a scheme in vogue in
some towns in the eastern part of the
state which it would seem, might
very profitably be tried anywhere.
Once each year a local auctioneer
sets apart a day upon which he will
sell for the townspeople anything
that they may wish to dispose of.
The result is a very large number of
miscellaneous articles which change
hands generally to the gratification of
all parties. The auctioneer is paid a
percentage on his sales. Such a sale
allows people to unload the contents
of attic and wood sheds of the ar-
ticles absolutely useless to them, and
which prove very serviceable to other
people.—Erie Daily Review.

—To prove that Barnett is
giving goods at your own price he in-
vites your inspection. There has
been a great rush the past week, but
there is plenty of general merchandise
left to select from. 11
—A Senator has introduced into
the State Senate a bill which divides
the state into 24 districts and pro-
vides for a license court, to consist of
five Republicans and five Democrats,
who shall be appointed by the Govern-
or and shall have power to hear ap-
plications and grant liquor licenses.
—The new move of the Standard
purchasing agency in establishing a
daily price for oil, based on the mar-
kets of the world, and independent of
oil exchange fluctuations, is meeting
with very general acceptance and ap-
proval among experienced oil pro-
ducers and operators. It is recog-
nized among them that, with the
small amount of stocks now on hand,
speculators could corner the certifi-
cates and create a fictitious value for
certificates oil. The action of the
Seep Purchasing Agency will put a
stop to such speculation for selfish
purposes.—Franklin News.

—Last Wednesday evening Le-
nora Degros, No. 198, Daughters of
Rebecca installed the following offi-
cers: N. G. Mrs. Chas. Thomson;
V. G. Mrs. Alice Vought; Sec., A.
W. Richards; Asst. Sec., Mrs. Jos.
Scowden; Treas., Mrs. Anna Fones.
After the installation ceremonies were
over the members adjourned to the
dining room of Mrs. Jas. R. Morgan
where they partook of an elegant sup-
per and indulged in social chat. All
enjoyed themselves and departed
with many expressions of praise for
Mrs. Morgan, who, by the way, is
gaining a quite a reputation as a
cateress.
—The revival services which have
been in progress for the past two
weeks in the Presbyterian church
closed on Monday evening. These
meetings were most successful in every
respect. Already more than 25
persons have united with the church
and there are doubtless others who
will do so yet. At the closing meet-
ing on Monday evening, which was
a praise service, the pastor and many
others spoke of the good work of
Evangelist Williams, especially in the
incentive he gave to the study of the
Word and his thoroughly biblical
preaching. He had no creed nor
pretentious theory to advance and
preached the Word of God. A
very large and attentive audience
was present to hear his last sermon on
Sunday night.

—The protracted meetings are being
largely attended and at least five or six
have turned away from the sins and
vices of the world and hence forth will en-
deavor to live a life more as a christian than
a sinner.
—S. Hillier's performance on Wednesday
and Thursday evenings in P. O. S. of A.
hall drew together the usual number of
show goes. The show consisted of jugg-
ling, sleight-of-hand and slack wire
walking. On the last evening's enter-
tainment a free dance was given by
Prof. Hillier in which all present took
a leading part.

—While the church is running at high
tide souls are being born into the King-
dom of God. The minister nor members
do not need to tell them when they are

—The following report of the institution
of Eli Berlin Post, No. 629, G. A. R.,
was kindly furnished by Mr. J. Al-
baugh, one of our esteemed veteran
friends:
On Friday evening, January 25, Eli
Berlin Post, No. 629, became a part of the
Department of Penna., G. A. R. Not-
withstanding the approaching blizzard
an immense concourse of people from far
and near came to witness the installation
of officers, etc. The only trouble experi-
enced was the lack of seating capacity
to accommodate all as we desired, hence
our services was of necessity narrowed
down to a very limited display. The
banquet prepared by the ladies of the
Hickories and vicinity reflected great
credit upon them all. As early as 8
o'clock p. m. a banquet was spread, the
tables accommodating 40 at each setting
were filled, and as fast as vacated, filled
again, and thus they all enjoyed them-
selves until 10 o'clock, then came the in-
stallation of officers, as follows:
P. C., W. E. Withersell; S. V. C., J. H.
Berlin; J. V. C., W. A. Burns; Serg.,
John Rhodes; Chap., Jas. Johnston;
Q. M., J. C. Pettigrew; Adjt., J. Albaugh;
O. D., J. E. Stoughton; O. G., Geo. Hud-
dleston; S. M., S. C. Whitmore; G. M.,
S. Sam'l Mervin. The work was well
executed by P. C., J. B. Eden, who was
ably assisted by our visiting comrades
from Tionesta. For want of room it was
simply impossible to properly station the
officers, yet, as old soldiers we were ac-
customed to "siam." After installation,
Mr. P. C. Irwin, who, by the way, is
an artist, requested the boys to get in
shape for a dash picture. As to the suc-
cess of his efforts we have not been in-
formed. After this the campfire was lit
up. By request, J. Albaugh gave a brief
sketch of the services and death of Com-
rade Eli Berlin, whose memory is hon-
ored by Post 629 of East Hickory. Eli
Berlin, of Gettysburg fame, was a cousin
of J. H. and Eli Berlin of Whig Hill.
He enlisted on the 11th day of August,
1862, as a recruit for company G, 83d
Regt. Pa. Vols. He proved to be a
model soldier, commanding the respect of
his company. He sealed his devotion for
country and flag by his blood on the
rocky crest of Little Round Top, at about
5 o'clock p. m., July 23, 1863, and is now
resting from the strife under the shadow
of Gettysburg's grand monument in the
Pennsylvania circle, section C, grave No.
32. Ask his widow and five children
what the war cost them.
P. C. Irwin was next called for and
responded in his quaint, rich style. His
remarks were of an historical nature and
commanded marked attention.
P. C., J. B. Eden gave an interesting
talk.

—The commander of Eli Berlin
Post, W. E. Withersell. He spoke of
the three grand principles of the G. A. R.,
viz: Fraternity, Charity and Loyalty.
He desired to be a blessing to the Post,
and with this end in view urged his com-
rades to assist him in the discharge of
his duties that we may so shape our lives
that when the drum shall sound lights
out all may be well with us.
After tendering a vote of thanks to the
ladies and visiting comrades we realized
for the first time that Eli Berlin Post, No.
629 was born upon the roofs of the G. A.
R. We extend a standing invitation to
all comrades to visit us at all times pos-
sible. Our post will meet on every sec-
ond and fourth Friday of each month.
Comrades, our latch-string is out to all,
in F. C. and L.

—Although our little neighborhood is
usually quiet at present we would have
all ye good people know that we are
still alive.
—Mr. and Mrs. A. B. Mealy are home
from a short visit at West Hickory.
—Miss Leah Allie returned home from
Tionesta, Friday.
—A number of our young people drove
to Tylersburg to attend church Saturday
evening.
—Mrs. Wm. Nichols of Coon, Clarion
Co., spent Sunday with her parents, Mr.
and Mrs. Mike Mong.
—Miss Jennie Mealy returned home
Thursday from a week's visit among
friends at Tylersburg.
—Mr. Addison Mealy's new house is
nearly finished. He expects to move in
next week.
—Miss Edith Shearman spent Sunday at
her home in Tidoute.
—Miss Hattie Mong is home for a few
days visit.
—Mr. and Mrs. Abe Mealy drove to
Lineville on business to-day.
—Mr. D. M. Saine, who has been visit-
ing in this neighborhood for the past few
weeks, has returned to his home in Peru,
Indiana.
—Our usually healthy neighborhood is
getting its share of the prevailing cough,
colds and grip, nearly every one being
afflicted.
—Our young people seem greatly inter-
ested in the revival meetings being held
at Tylersburg, Coon and Lineville.
Nearly every evening a number of them
attend, thereby killing two birds with
one stone—improving the sleighing and
revival at the same time.

—The show at Kellettsville was very good,
and a large number of our citizens went
down to see it.
—Mrs. T. B. Gifford, who has been quite
ill for the past two weeks, was consider-
ably improved at last accounts.
—Jim Huling has finished his new rig
and will start another in a few days.
—People around here are under the im-
pression that the Chinamen must have
stolen the tools in the deep well, as Mr.
Richards has not been able to get them
out yet.

—Notice to Creditors.
Notice is hereby given that I am
going out of the mercantile business
in Tionesta and all accounts due me
must be settled on or before Feb. 15,
1895, or said accounts will be left for
collection.
