#### BELLIGERENT CONGRESSMEN.

THERE was a most exciting scene in the house of representatives Friday afternoon when Representative Breckenridge of Kentucky and Representative Heard of Missouri came to blows in the center aisle in the mid-Heard, who is chairman of the committee on the District of Columbia, became angered because the Hawaiian question was brought forward in the time devoted to his committee and attempted to secure the floor. The beginning of the controversy was not plain, but suddenly both members sprang toward each other, Breckenridge shouting: "You cur, scoundrel and liar," striking at the member from Missouri a fierce blow which missed him. Instantly they were seized by other members, but struggled fiercely to get at each other, shouting "liar."

Speaker Crisp ordered the sergeant-at-arms to arrest the members and they were compelled to apologize to the house. In the course of an ex planation to the house Mr. Breckenridge practically challenged Mr. Heard and demanded satisfaction.

Through the intervention of friends of both parties the matter was finally settled and the gentlemen (?) apologized to each other and shook hands, and the white-winged dove of peace spread her wings and the incident was officially closed.

It is evident that Mr. Breckenridge mistook the bouse for a Kentucky barroom. At any rate the scene was disgraceful and the part taken in it by the already disgraced Kentucky member should force him still further beyond the pale of decent society.

THE Cincinnati Commercial Gazette recetly printed two pages of preferfor the next Republican nomination for President from representative Republicans from all over the country, especially from Ohio, Indiana, Kentucky, West Virginia, New York and Washington city. In its summary it

"Ohio is for McKinley and Indiana for ex-President Benjamin Harrison. New York hardly knows where she stands. The Republicans of the Empire State are holding off in the end to either dictate the nominee, or, failing in that, to drive the best bargain they can with the man they see is bound to win. One New Yorker declares himself for ex-Governor Foraker. West Virginia seems to be for the best man, whoever he may be, One West Virginian declares himself for Senator-elect Elkine, while several Republicans of that State express a preference for Judge Nathan Goff for second place on the ticket. Governor McKinley seems to be first choice of the Republicans of Kentucky. At the National Capital, the preponderence of sentiment appears to be for Tom Reed. Mc-Kinley seems to be their second choice, while Harrison, Allison and others have quite a respectable following."

COMMENTING upon the statement of tin plate production in the United States for the quarter ending June 30, 1894, the London Mining Journal says: Figures like these are certainly astonishing. Clearly the Americans are learning to make tin plate in spite of all attempts to prevent them. Everything goes increasingly to show that the Welsh manufacturers are well advised to paying heed to the counsel which, since Welsh workmen first crossed the Atlantic, and a Protectionist Government more than doubled the tariff on tin plates, has been given them to lose no opportunity of seeking new and additional

Ex-Speker Reed, in his speech at Pawtucket, savegely arraigned the Democrats in Congress for their imbecility and inaction, more especially in providing at this session some means for replenishing the almost empty national Treasury. The criticism is not as destitute of force as are some of the ex-Speaker's sarcastic effusions. For a party which sees the Treasury empty and fails to provide for its want is imbecile indeed .- New York Herald.

REPRESENTATIVE STRAUS, President Cleveland's free trade friend, was buncoed out of \$10 in Washington, the other day. This is a trifle compared with the way Straus and his friends huncoed Uncle Sam by the Wilson bill.

ME. JORDAN, of Tuckbannock, Wyoming county, will represent the Fifteenth district in Congress one day less than two weeks. This will hardly give him time to precare and put through a currency bill.

" Let ignorance, brutality, dissipa tion, speculative sporting, avarice and free-booting be not regarded as desirable qualities for Democratic membership anywhere, much less for prominence in Democratic councils." So sayeth one D. B. Hill. And now the Democrats are all asking with

dle of the hall. Representative \$1,825,000 for the payment of pen

Ir looks very much as though ex Queen Liliuokani would be Grover's valentine, as it is reported that she is enroute for this country.

#### DON'T STOP TOBACCO.

How to Care Yourself White Using It.

The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco, to an inveterate user becomes a stimulent that his system continually craves. Baco-Curo is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872, without a failure, purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want, while taking Baco-Cure, it will notify you when to stop. We give a written guarantee to permanently cure any case with three boxes, or refund the money with ten per cent. Interest. Baco-Cure is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke. Sold by all druggists, with our fro clad guarantee at \$1.00 per box, three boxes, (thirty days treatment, \$2.50 or sent direct upon receipt of price. Dear Sirs—I have been a tobacce fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, nutil my physician told me I must give up the use of tobacco for the time be ug, at least. I tried the so-called "Kerly C re," "No-To-bac," and various other remedies, but without success, until I acadentally learned of your "Baco-Curo," Three weeks ago to-day I commenced using your preparation, and to-day I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it.

Yours very truly, C. W. Honnick.
