—There was no preaching service
in the M. E. or F. M. churches last
Sunday evening, the former on ac-
count of Rev. W. Dale not being
sufficiently recovered from the in-
juries received while driving from
Nebraska, as mentioned last week,
the latter on account of the absence
of Rev. F. F. Shoup, who preached
at Newmansville.
—A printer on an exchange, in
making up the forms one day in a
hurry got a marriage and a grocer's
notice mixed up. It reads as follows:
"John Smith and Ida Quay were

kraut, which will be sold by the
quart or barrel. Mr. Smith is the

—As will be seen in the announce-
ment column, S. S. Canfield has come
out as a candidate for Associate
Judge. While we do not wish to
show any partiality to any particular
candidate, we have not the least hesi-
tancy in making the assertion that
"Shell" will be abundantly able to
fill the Judicial Chair, should he
succeed in winning the nomination
and election.

—A bill has been favorably re-
ported in the state legislature chang-
ing the method of granting perm-
nent certificates to teachers. Instead
of permitting the teachers' institute

by the state superintendent, shall con-
stitute the board of examiners.
—An anti cigarette league has
been organized among the boys of the
high school of Reading. It starts
out with a membership of 150. They
have all signed a pledge not to smoke
cigarettes until they are 21 years of
age and to persuade all others from
indulging in the habit. All the
members will wear a button or other
insignia. It would be a good scheme
for the boys of this place to start a
similar league.

—Miss Flora Walters is in New
York selecting a new stock of spring
millinery, and she expects to stay
three or four weeks and learn all the
new fads in trimming, etc., and the
young fellows are all rejoicing over
the fact that she will not get home

Oil City Hospital.
Editor REPUBLICAN—
While here in the hospital it occurred
to me that some of our townsmen of
country people, who are sufferers from
malarial fevers of different kinds, might be in-
terested in knowing something of the
workings and treatment of this institu-
tion. It is located on what is known as
Cottage Hill, about a mile from the depot
and east of the city. Sur-
rounded by a grove, with walks and
drives from the street to the building.
The building is three stories high and of
the most modern architecture. The lower
story is of brick, the other two of wood,
with many alcoves and verandas, to add
to its beauty. The interior is laid out in
wards of which there are quite a num-
ber. The interior finish is of yellow or
Norway pine, with oil and varnish finish;
the rooms and wards are large, light
and well ventilated, and furnished with beds
of uniform size and appearance. In go-
ing through the wards, one can hardly
refrain from feeling sickish, just to get
a chance to stretch themselves upon
one of these couches, they are so clean,
neat and fresh looking, with their snowy
counterpanes and pillows. Too much
praise cannot be given to the matron,
Miss A. M. Macpherson from Buffalo,
with her corps of trained nurses, all
dressed in blue dresses with snowy
aprons and neckerchieves of the same
color, and an immaculate little cap
adorns the head of each. They are on
the alert all hours of the day and night,
fitting here and there, ministering to
the whims and wants of the sufferers.
The doctors in Oil City all patronize this
grand institution, and harmony prevails
all through the building. Oil City should
take great pride in the great work that is
going on here.

Of the cures that have been effected
here, Forest County has had ten, some of
our most prominent citizens having been
here, and can testify of the quality of
work being done. There is no need of
anybody going to larger cities for hospi-
tal treatment, as the physicians here rank
among the very best in the country, and
the rates are low. The nearness of this
institution is a great convenience to our
County, and it is deserving of our
patronage. The only objection I have is
that they refuse to give, even after conva-
lescence. There are quite a number here
at present. This hospital is for the treat-
ment all ailments to which the body is
subject, the cures are permanent. Patronize
hope industry at all times is my
motto.

—A. H. Southworth, who has been
running the planing mill here, met with
a bad accident Saturday. He was remov-
ing some loose shavings from in front of
the machine when he slipped, and as he
fell, he threw out his hand to save him-
self and the knives caught his mitten
and drew his right hand into the ma-
chine, cutting his fingers badly. Dr.
Stoenpffer dressed them, removing the
second finger above the second joint and
the third above the first joint. The small
finger was badly cut, but none of it
taken off. This is the fourth time Mr.
Southworth has cut his hands while in the
employ of this company, making it ne-
cessary for an amputation three times, he
having had three fingers and a thumb on
each hand. The injured hand this time
is the left one.

Last Notice.
Persons who are indebted to me are
hereby notified that if they do not
call and settle on or before Saturday,

left for collection. R. BARNETT.

John Thornton and E. E. Shaw and
family are intending to start on next
Monday for Strasburg, Wis., where
the gentleman have good positions await-
ing them in a factory at that place. We
are sorry to lose such good citizens, but
what is our loss will be others' gain.
A. M. Hunter and family drove up to
Mr. H's farm near Garland on Saturday.
W. H. Carter carried the mail during Mr.
Hunter's absence.

T. D. Collins has some intention of
having two Alleghenies of hemlock lum-
ber rafted at his Salmon Creek mill this
spring. We hope he may.
R. Z. Gillespie and W. S. Johnson at-
tended the banquet at Warren on Thurs-
day. The banquet was given by the
Free Masons, and was largely attended.
L. M. Catlin was out last week pur-
chasing a horse.

Mr. Abner Phelps, perhaps the second
oldest inhabitant of Forest county, was
quite badly injured on last Friday, by
falling on the ice at the residence of L.
Pleasner. Mr. Phelps, who is 88 years
old, started out for a walk and had only
gone a few feet from the house, when
he slipped and fell, striking his left side
so severely that he was unable to regain
his feet, and as the family were absent,
with the exception of one person, who
happened to be at the barn when the ac-
cident occurred, Mr. Phelps crawled on
his hands and knees to the house, where
he was found when the family returned.
While his injuries are not dangerous, he
will be compelled to rest a few days.

Albert Beas delivered one of his us-
ually fine sermons on Sunday evening,
which was listened to by his many ad-
mirers.

Mrs. Fayette Clark of East Hickory
visited at T. J. Flemming's on Sunday.
R. J. Sutton, or "Dick," as he is better
known, made one of his flying trips to
Nigger Hill and Nebraska on Sunday.
Dick made the trip on the burlesque
cable of one of the best road animals in
these parts, and as he rode along the way
his manly bearing impressed one to be-
lieve that he was a perfect Gen. McClellan
and his appearance would excite the
envy of many a man.

The foregoing letter should have been
published last week, but was crowded
out on account of lack of space.—Ed.

DEATH OF WESLEY C. WILSON.
Jesus thine prince of life.
Thy chosen cannot die;
Like Thee thy conquer in the strife,
To reign with thee on high.

On Friday morning, March 8, 1896, the
citizens of Kelleetville were shocked on
learning of the death of Mr. Wilson,
which occurred at 5 minutes past 2
o'clock that morning.
Mr. Wilson had contracted a severe
cold, which settled on his lungs and de-
veloped into pneumonia. He was con-
fined to his room but one week until his
sufferings were relieved by death. His
condition was not considered dangerous
until within a short time of his demise.
On the evening before his death his phys-
icians expressed hopes of his speedy re-
covery.

The good book says "The days of our
pilgrimage are three score years and
ten." There was no record keeper of his
age, but it was believed to be about
75 years. During all his life he was
loved by all his acquaintances.
The deceased was married on May 24,
1849, by Rev. James Wooley to Eliza
Jane Hilderbrand. Of this union five
children were born to them, three of
whom are living: Ellen White of Wood-
side, O., Manny Wilson of Rock City,
and Luinda of Hatton, O. Mr. Wilson's
wife died at McClintonville in 1864.

He was again united in marriage on
May 2, 1881, to Miss Maggie Holiday of
Cranbury, Venango county, Pa. Of this
union five children were also born, all of
whom, together with his wife and mother
were left to mourn his departure.

Perhaps there are very few men that
were so widely known and universally
liked as the subject of this sketch. He
was known all over the oil country as
" Buckley " Wilson, and during the ear-
lier oil excitement he was kept constan-
tly busy fishing for tools that had become
lost in the wells. Most of his work in
the oil country was done in the 60s. He
took an interesting part in the Venango
county oil field and on two different oc-
casions he was called to Green county, W.
Va., in 1884 to remove tools that had
been lost in wells. He always made his
own fishing tools and it seldom took him
more than three days on a well, to re-
move the tools. He always commanded
fabulous prices for his services, and in
more than one instance he was paid as
high as \$1000 for a single job.

His early history would fill several
volumes and need not be interesting
reading. He was a fine workman and
enjoyed the distinction of completing
any job he undertook in his trade as a
blacksmith. He was noted for his
younger days for swiftness in comple-
ting his work, one instance of which was
noted. Several years ago at Mechanics-
ville, and in the town of Union, Pa., he
forged and completed seven iron spikes in
seven hours and 30 minutes.

He was a man of excellent habits, a
gentleman and his private life was al-
ways replete with joy. He was of a hardy
race of people who are noted for their long
lively. During the last few years of his
life it was his custom to attend to his duties
during working hours and in the even-
ing he would go to the postoffice and
get his mail, returning home as soon as
possible and the rest of the evening was
spent happily with his wife and little
ones.

Mr. Wilson was an excellent singer in
his younger days and his favorite hymn
was "Nearer My God to Thee." One of
his last requests was to have his friends
gather around his bedside and sing that
old familiar hymn. He was a man that
always believed in doing right and at
any time he would stop work and dis-
cuss scriptural work with his friends.

He will be lovingly missed in the com-
munity. When such a person dies the
expression, "we will miss him," is
only feebly expressing the regret. The
acts of his daily life, his goodness and
kindness rise up as an enduring monu-
ment and a blessing memorial.

Brief funeral services were conducted
at the home of the deceased at 10 o'clock
Sunday morning by his pastor, Rev. A.
Albert Beas. The remains, followed by a
large concourse of friends assembled in
the F. M. Church at Big Hill, where the
final service was preached. The body
was taken from Co., 10:15 A. M. His re-
mains were laid to rest in the Zenobied
burial ground on Whig Hill to await the
resurrection morn.

The following relatives were present
from a distance: D. B. Wilson and wife,
Charles Wilson, John Wilson and wife,
all of Leeper and Manny Wilson of Rock
City. The following friends of the de-
ceased acted as pall-bearers: R. F. Wil-
son, R. Z. Gillespie, Harry Smith, W.
K. Kribbs, John Thornton and George
Brewer.
