—Mr. and Mrs. Jas. Haslet spent Sunday with Oil City relatives and friends. —"A silver lining in you pocket is more encouraging than one in the clouds." —Moonlight picnics are more enjoyable than daylight ones this warm weather. —J. B. Hagerty and Will Thompson were over from Grand Valley over Sunday.

—Mr. and Mrs. Thos. Lewis of Tidoute spent Sunday evening with Tionesta friends. —Familiarity with servants is a good indication of the origin of some people of the day. —Clergymen who only preach for effect are never noted for success in the salvation of souls. —Corbett and Fitzsimmons will fight at Dallas, Texas, October 31.—that's what they say now.

—"Papa, do lawyers tell the truth?" "Certainly, my boy, they will do anything to win their case." —Warren is offering a reward of \$300 for the arrest and conviction of Brono the Italian murderer. —Seems high, but still it is as cheap as any where in the country. Come and see. Flour and feed, at Lanson's. —Misses Birdie Elliott and Agnes Myers of Oil City were guests of Mrs. Kate A. Craig Sunday and Monday. —John A. Wiley, Brigadier General of the N. G. P., and Frank Stratton, of Franklin, were in Tionesta on business Monday.

—The ladies of the Tionesta Epworth League will serve ice cream and cake during the Fourth of July, at the Kepler Block, in Tionesta. Come and get some, everybody. —A young lady requested to be released from her marriage engagement on the ground that she had contracted it she believed her lover to be a "duck," but had since found him to be a goose.—Ez. —We are still selling goods at prices that defy competition. We have never been undersold and never will be. Come and examine goods and prices before buying elsewhere. It FLORA WALTERS & Co.

—Amal is still in the lead in all kinds of fruit and vegetables. New stock arrives daily and is always kept fresh and clean. Give him a call. Also, the finest line of tobacco and cigars in the city. It. —Miss Nellie Nixon of Butler, the little lady who visited here a year ago, and who is so well remembered by many of our people as the young ecologist, is again a guest at the residence of Hon. J. A. Proper. —Any person desiring first-class dental work done will do well to bear in mind that I will be in Tionesta for the week commencing on the first Monday of each month. R. H. STILLSON.

—Postmaster R. L. Haslet was in Franklin last Friday in attendance at the funeral of his cousin, Samuel P. Haslet, who died at that place last Wednesday morning at the age of 41. He had been in ill health for some time. —I have a large assortment of spring and summer hats on hand yet and as my stock is too large I have decided to make a reduction during the week, so hats will be sold regardless of cost. If you never had a bargain in millinery goods, now is time. —Our thanks are due to Miss Ida Fones for some of the largest and most luscious strawberries it has been our pleasure to see this season. The berries looked fine, tasted fine and they were fine. Come and see us again, Ida, we are always glad to see our young lady friends, whether they bring strawberries or not. —A tired little Oil City boy was saying his prayers, one night recently. Following his mother's directions, he had asked a blessing for father, mother, grandfather, grandmother and a few others, and as she was proceeding he shocked her terribly by abruptly saying: "Oh, let the rest go to h—!"—Blizzard. —Forest fires have been raging quite fiercely in this vicinity for the past few days, and while they are a pretty spectacle to look upon in the evening, they are hard on our beautiful forests—and rattle snakes. A good rain would do a lot of good just now, not only by extinguishing the fires, but the growing crops need it. —The Rialto Park Association held a meeting at the gas office Monday evening and appointed a committee to arrange a program for the celebration of the 4th of July. We are unable to state at this time what the program will be, but it is evident that we are to have a celebration of some kind, which, alone, is pleasant news. —The days of good roads are ended for a month or so. Our farmer friends have commenced their annual spring campaign of sod-sliding, and while the introduction of road machines has lessened the damage, there will be yet enough left to make life miserable for the person who has to drive over the newly mended roads.—Conneautville Courier. —An exchange says: The railroads will carry a man from New York to San Francisco for \$50. They will carry a hog weighing the same as a man for \$6. Congressmen free. The advantage in favor of being a hog is \$74, and the advantage of being a Congressman is \$50. The people are not in it when it comes to a show down with the hogs and the congressmen. —Mrs. F. R. Lanson and Miss Ida Paup of this place and Miss Emma Klinefiver and Maude Thompson of Nebraska went to Oil City yesterday, as delegates to the local convention of the Epworth League. Rev. and Mrs. W. W. Dale, Mrs. J. H. Dingman and son Russell and Mrs. A. Carson accompanied the delegates to attend the convention and visit relatives and friends. —Warren, Pa., is making big preparations for the celebration of its coming centennial. One of the leading features will be an Indian village made up of the real live Indians from the Catteraugus and Conneaut reservations. It is said that several hundred dusky braves, with their squaws and paposes, will be present. This will certainly prove a great drawing card.

Local Oil Notes. L. N. Patterson has a new rig completed on his lease in Hickory township and will start the drill in a few days. S. J. Wolcott started a new rig on his lease in Green township yesterday and will commence operations as soon as possible. There are quite a number of paying wells on this lease. Siggins & Cropp will shoot well No. 3 on their lease in Green township Friday. There are already two paying wells on this lease, and the showing is very good in No. 3. Stewart Bros are building a rig on the Irwin tract on Tubbs Run and will soon start the drill. Grove Bros. Have the contract of drilling a well for Porterfield & Siggins at Fagundus and will soon commence work.

The W. N. Y. & P. Ry. will run one of their popular low rate excursions to Rock City and Bradford Sunday, June 16th. Special train will leave Tionesta at 8:56 a. m. Fare for the round trip \$1.50. Returning, train will leave Bradford at 5:00 p. m., thus giving three hours in the Metropolis of Oldom. Passengers will also be allowed to return on all regular trains Monday. "At Lanson's." Now we have just what you want: A black alpaca coat, A Seersucker coat, A Precalc coat, A calico coat, Any size or style, From 50 cents to \$2.50. So now don't complain about the hot weather.

—To PRINTERS—The REPUBLICAN has for sale at a bargain a P. F. Olds Gasoline engine, 1 horse power. Just the thing for a country printing office in need of convenient and economical power. Engine in perfect condition. —The old-fashioned loan associations in which the stockholders put their earnings on the mutual plan, were all right so long as they could see for themselves what was being done with the money deposited by them. The new kind of the present day, with the offices and high salaries officers, are all right for the officers, so long as the business holds out.—Kane Republican. —On Saturday, June 15th, the Pittsburgh Times will begin the publication of its second prize story, entitled, "The Six Pointed Star." To the woman or girl who guesses the mystery in the story in advance of the publication of the final portion, \$500 in gold will be paid. If no absolutely correct solution is received the \$500 will be divided into fifteen prizes, ranging from \$150 to \$10. The story will run 30 days. —The accident insurance companies are coming out this spring with some novel styles in policies. One is for cyclists alone and insures the holder against accident to himself or his wheel, and also against suit for damages for injuries which he may accidentally inflict upon others. Another policy issued by an old company insures against loss by highway robbery, in addition to the regular accidents that are usually covered by policies. —Last Sunday while Adam Sibble and family of German Hill were attending church in this place thieves broke into their house and stole four pounds of butter, two loaves of bread and fifty-four dollars in money. The money was hid in a can up stairs in the house and Mr. Sibble is unable to understand how the thief or thieves found it as he considered it thoroughly hidden, and he is of the opinion that it must have been some one who was well acquainted with the premises. —"Shall I advertise with space or locals?" asked a business man of the editor of an established paper. The editor answered: "If you are going to advertise a short for sale, a few lines of local are enough. If you have a \$5,000 or \$10,000 stock of goods, two lines would not convey the impression that you want." "Greatest stock on earth at Smith's" would lead the reader to ask why Smith did not take an ad. in proportion to his stock. Take space to correspond with the business you conduct, and you will create an impression on the purchasing public that will be a lasting benefit. It has been truthfully said that the effect of good advertising never dies.

The Siggins Family Reunion. DEAR RELATIVE:—With this we send you an invitation to the proposed Siggins Reunion to be held at Irvineton, Pa., June 25, 1895. This place has been selected on account of the convenience of railroad connections, as well as its beautiful island grove, a Hall being also convenient in case it should be rainy. Each family is requested, so far as possible, to bring a generous basket of bread and butter, cold chicken, sandwiches, pickles, cake and other good things. Ice cream, coffee and tea will be furnished by the Committee, who will also look after the dinner tables. The railroads will give excursion rates for parties of ten or more. All the Siggins family, by blood or marriage, are cordially invited, and to make it the complete success we hope for it is necessary that you and each member of the Siggins family be present. Hoping that we may make this First Reunion a great success, and that it may be continued from year to year, we are Enthusiastically Yours, JOHN SIGGINS, Sec'y and Gen. Mgr., Tidoute, Pa. MRS. SABINA E. PARKER, Originator of Siggins-Reunion, Chautauque, N. Y.

With an invitation the above explanatory card has been sent to all relatives wherever they could be found. Statistics of diphtheria in Connecticut show that in 87 per cent. of the cases where antitoxin has been used the patients have recovered. A Syracuse family is dividing up \$4,000,000 left by a relative in California. As the family was in rather straightened circumstances before the windfall it is a good thing. Good luck to all poor families. So far Carlisle has collected \$75,000 from the income tax and spent \$150,000, but by the backhanded style of arithmetic now in vogue in the Treasury Department this will be regarded as a positive gain.
