The bonds sold abroad by the syndicate are being returned to this country and cause the shipment of gold to pay for them. Had the opportunity been given the American people would have taken all the bonds and saved the Treasury the \$9,000,000.

My little boy, when two years of age, was taken very ill with bloody flux. I was advised to use Chamberlain's Colle, Cholora and Dirrhoea Remedy, and luckly procured part of a pottle. I carefully read the directions and gave it accordingly. He was very low, but slowly and surely he began to improve, gradually recovered, and is now as stout and strong as ever. I feel sure it saved his life. I never can praise the remedy half its last popular low rate excursion of the season from stations between Oil City and Buffalo, Monday, September 9th.
