Will people never learn that a "cold" is an accident to be dreaded, and that when it occurs treatment should be promptly applied? There is no knowing where the trouble will end, and while complete recovery is the rule, the exceptions are terribly frequent, and thousands upon thousands of faial illnesses occur every year ushered in by a little injudicious ex-posure and seemingly triffing symptoms. Beyond this, there are to day countless invalids who can trace their complaints to "colds," which at the time of occur-rence gave no concern, and were there-fore neglected.—When troubled with a cold use Chamberlain's Cough Remedy. ED. REPUBLECAN :--

burg, April 23, 1896.

Not being an aspirant for personal political honors, and being assured that our friend J. C. Campbell, like myself, is in accord with the Republican sentiment of our County, State and Nation, and desiring harmonious action everywhere for the relief of our nation from Democratic misrule, you will please withdraw my name as a candidate for delegate to the Republican National Convention. Thanking my Republican friends in Forest county for the proffered honor, I am Very Respectfully,

J. B. AGNEW.

THE Republicans of Butler county will hold their primaries on the 28th inst., and we note with pleasure the candidacy of Hon. James N. Moore for re-election to the legislature. No member of the House left a better record than Mr. Moore. He was one of those who could not be used by any elique or faction, or swerved from the right course when the people's interests were at stake. He was a useful member to his constituents for whose welfare he was always on the alert, and as a new member he was looked upon as one of the brightest on the floor. Mr. Moore made himself popular with his fellow members by his remarkable display of the common people. He was the stern foe of monopolies on all occasions, and surely the Republicans of Butler county will make a serious mistake if they do not re-nominate him.
