THE United States Supreme Court has decided that Greer County, Tex., belongs to the United States and not to Texas. Will Texas consent thus to be despoiled without invoking international arbitration? Is there no Monroe Doctrine to protect her?

THE public printer has completed the volumn containing the vetoes by Governor Hastings of bills passed by the last General Assembly. The book contains 197 pages. Governor Hastings has vetoed more bills than any other governor since the foundation of the Commonwealth. The total amount of appropriations vetoed was \$720,154.

Here is another boy who has killed his comrade in trying to shoot an aphis comrade in frying to shoot an ap-ple from his head.
