beth C. Dale, aged 85 years. Mrs. Dale, who was born Nov. 4. 1810, was the last of the eleven children of John and Elizabeth Watson, who emigrated from Maryland to Oil Creek, near Titusville, about the beginning of this century. Her lot in childhood was that of a very poor girl, but at an early age she qualified and W. S. One of her brothers was the late Congressman L. F. Watson, who died a millionaire, but who was assisted to make a start in life by his sister, Elizabeth.

About 1840 Mrs. Dale went to New York and taught in the schools of that city. It was there, in 1852, she was married to Honorable John A Dale, who was then a widower and lived in Tionesta. Here they resided until Mr. Dale's death, which oc-curred in 1877. In 1879 Mrs. Dale went to Warren to live with her stepdaughter, Mrs. Graves, where she has since made her home. How to Treat a Wife. (From Pacific Health Journal.)
First, get a wife; second, be patient. You may have great trials and perplexities in your business, but do not therefore, carry to your home a cloudy or contracted brow. Your wife may have trials, which, though of less magnitude, may be hard for her to bear. A kind word, a tender look, will do wonders in classing from her brow all clouds of gloom.—To this we would add slways keep a bottle of Chambertain's Cough Remedy in the house. It is the best and is sure to be needed sooner or later. Your wife will then know that you really care for her and wish to protect her health. For sale by Heath & Killmer. (From Pacific Health Journal.)

Mrs. R. De Young, Middleburg, Ia, writes: I have used One Minute Cough Cure for six years, both for myself and children, and I consider it the quickest acting and most satisfactory cough cure I have ever used. Heath & Killmer.

Mr. D. P. Davis, a prominent livery-man and merchant of Goshen, Va., has this to say on the subject of rheumatism: "I take pleasure in recommending Chamberlain's Pain Balm for rheumaism, as I know from personal exper-ence that it will do all that is claimed for matism and suffered intensely. The first application of Chambertain's Pain Raim cased the pain and the use of one bottle completely cured him. For sale by Heath & Eillmer.

# NEWSY NOTES.

Thirteen years ago James Mangan, of Scranton, was shot in the head, the ball entering near the car and by pressure against the brain, reduced him for two years to a condition of idiocy. For the last ten years he has been rational, suffering but little inconvenience. A few days ago in clearing the nasal passage the ball was ejected from the nostril.

A man who has been prominent and influential in Pennsylvania has passed from the stage of active life, and is now face to face with death. Ex-Senator Wm, A. Wallace of Clearfield is lying dangerously III in New York from a paralytic stroke, and is unable to speak or recognize anybody but his son, William E. Wallace, who attends him. A STANDARD WORK,-WEBSTER'S IN-TERNATIONAL DICTIONARY, It cannot have missed the observation of the reader and student that there has sprung up during the last few years, an absorbing desire upon the part of publishers of many of the leading dictionaries to see how many newly-invented words they can get between the covers of their works. They gather up the slang phrase of the street corner, or use some remark of a stage celebrity, and it finds its wav into what are claimed to be standard books of authority, although the word itself may never have been heard of before, and has no definite meaning—being merely a jumble of let-ters. When one wants a work prepared that it contains a low more mean that it contains a few more meaningless words than some other, he buys a Webster Dictionary. As the Holy book is the religious guide and counselor of the civilized world, so Webster's Dictionary is the guide and never-failing counselor of the student and the man of letters as well as the educational world. Other works may contain more works. werk may contain more words; may be works may contain more words; may be more profusely illustrated, and have brighter colors used in the printing; but Noah Webster, like George Washington, is first in the hearts of his countrymen as an educational guide and source of useful knowledge. There is more kernel and less shell and husk in Webster than in any other dictionary. It is the in any other dictionary. It is the standard—the compass used alike by the orator, the statesman, the student, the minister, writer and the mass of mankind. It completely fills the bill—meets

every requirement. Eczema is a frightful affliction, but like Harry Bruner has returned from his wedding tour and is at his position in the telegraph office.
