Protection and Free Trade Pictures.

During the administration of President Harrison the interest-bearing debt resting upon the country was reduced as follows:

Table with 2 columns: Year, Amount. 1890: \$125,000,000. 1891: 135,000,000. 1892: 40,000,000. 1893: 10,000,000. Total: \$310,000,000.

Thus far during the administration of President Cleveland this same national debt has been reduced as follows:

Table with 2 columns: Year, Amount. 1894: Nothing. 1895: Nothing. 1896: Nothing.

"Look here upon this picture and on this." During the Republican administration of Harrison debts amounting to the prodigious sum of \$310,000,000 discharged; during the Democratic administration of Cleveland not so much as a penny paid.

But these two tables, significant as is the contrast, do not tell the whole story. How much did the Harrison administration borrow? How much has the Cleveland administration up to date borrowed? Well, here are the two exhibits. The Harrison administration borrowed as follows:

Table with 2 columns: Year, Amount. 1890: Nothing. 1891: Nothing. 1892: Nothing. 1893: Nothing.

Total: Nothing. Up to date the Cleveland administration has borrowed as follows:

Table with 2 columns: Year, Amount. 1894 (February): \$50,000,000. 1894 (November): 50,000,000. Interest 94 years at 5 per cent.: 22,750,000. 1895: 62,315,400. Interest 30 years at 4 per cent.: 74,778,480. 1896: 100,000,000. Interest 20 years at 4 per cent.: 116,000,000.

Total: \$501,843,880. This \$501,843,880 of new interest bearing debts is the price the American people are called upon to pay for substituting a Democratic tariff for a Republican tariff.

If Harrison had been re-elected and the policy of protection had not been interfered with there would have been no occasion for any borrowing, since the nation would have been abundantly able to meet all its expenditures with its income. - Rochester Post Express.

It begins to look in the Presidential game as if Hon. Robert E. Pattison held a bob-tail flush and only six high at that.

Hon. B. TILLMAN'S South Carolina convention reaffirmed its belief that hades and the Cleveland administration are only separated by a lath and plaster wall.

REPRESENTATIVE BAILEY, of Texas, is reported as saying that as a Presidential candidate Secretary Carlisle could not secure the vote of a single delegate from the South, and if he were nominated at Chicago he could not carry a single Southern State.

UNCLE SAM ought to charge enough for the privilege of coming into his markets to yield him enough to pay all the expenses of the government with a handsome surplus each year to apply to the extinguishment of the national debt. Less than this should satisfy no true American.

CONSUL GENERAL WILLIAMS' interview with General Weyler must have impressed the Spanish furioso with the fact that this country will not be backward at the proper time, in calling a halt on his high-handed methods. Consul Williams' course is everywhere meeting with hearty approbation.

DOMINICK I. MURPHY, who has been appointed Commissioner of Pensions vice Judge Lochren, resigned, is a native of Philadelphia. Fully half the years of his life—he is not yet 49—have been spent in connection with the pension service, and all administrations, regardless of politics, have recognized his abilities, and he has risen to his present station solely by the test of fitness. The Washington Post declares that "Mr. Murphy is probably the best equipped Commissioner ever placed at the head of the Pension Bureau"—a very high compliment, yet one which rests squarely on a most satisfactory record.

ABOUT 2000 miles of railway are under construction in Japan, and the London Times says there are signs that American engineering and material will be preferred to English hereafter by the Japanese. Our Oriental neighbors will make no mistake when they order their railway iron, locomotives and war-ships in this country.

Memorial Day Program.

Stow Post will meet at 8 a. m. and proceed to German Hill to decorate graves at the two cemeteries there. At the Lutheran, or Bartholemew, church, in addition to the ritualistic ceremonies, a short address will be made by Amos F. Lederer, and odes will be rendered by choir. At 11 o'clock comrades and choir will leave for Tionesta where the choir, under Prof. Henry, will furnish the odes at the Court House and Cemetery. From 12 to 1 o'clock the W. R. Corps will furnish lunch for the G. A. R., visiting comrades, ex-soldiers and choir, and families of the W. R. C.

At 1:15 sharp, Post will re-assemble at their headquarters or hall, and march for Riverside Cemetery. All old soldiers, local orders, Sunday School scholars and citizens are cordially invited to participate with us during the ceremonies of the day. The children of the S. S. are requested to act as a committee on flowers. After ceremonies at Cemetery post will re-form in line, and march to Court House for other services. Arriving there, services will be conducted according to service book, as follows:

The Navy, Wm. Richards. 8. The Army, C. Smith. 9. Peace, Officer of the Day. 10. Music. 11. Columbia - A new G. A. R. piece, 12 boys and 12 girls, under charge of Miss Kathleen Joyce; 3 odes or marches in this piece. 12. Address by I. E. Dean, (Farmer Dean), Orator of the day. 13. Music by band, or ode. Odes are mostly new G. A. R. music. Capt. D. S. Knox has been appointed Marshal of the day, and the S. S. Superintendents are appointed aids. The following named comrades are appointed to decorate cemeteries as follows: Tylersburg, D. S. Stakely, C. Smith and Ritter. Mt. Zion, Jos. Mong and Rev. B. F. Feitt. Walter's cemetery, David A. Walters, A. Fenstermaker.

How to Treat a Wife.

(From Pacific Health Journal.) First, get a wife; second, be patient. You may have great trials and perplexities in your business, but do not therefore turn your home a cloudy or contracted brow. Your wife may have trials, which, though of less magnitude, may be hard for her to bear. A kind word, a tender look, will do wonders in chasing from her brow all clouds of gloom. To this you would add always keep a bottle of Chamberlain's Cough Remedy in the house. It is the best and is sure to be needed sooner or later. Your wife will then know that you really care for her and wish to protect her health. For sale by Heath & Killmer.

Mrs. R. DeYoung, Middleburg, Ia., writes: I have used One Minute Cough Cure for six years, both for myself and children, and I consider it the quickest acting and most satisfactory cough cure I have ever used. Heath & Killmer.

Mr. D. P. Davis, a prominent liveryman and merchant of Goshen, Va., has this to say on the subject of rheumatism: "I take pleasure in recommending Chamberlain's Pain Balm for rheumatism, as I know from personal experience that it will do all that is claimed for it. A year ago this spring my brother was laid up in bed with inflammatory rheumatism and suffered intensely. The first application of Chamberlain's Pain Balm eased the pain and the use of one bottle completely cured him. For sale by Heath & Killmer.

One minute is the standard time, and One Minute Cough Cure is the standard preparation for every form of cough or cold. It is the only harmless remedy that produces immediate results. Heath & Killmer.

For every quarter in a man's pocket there is a question every one must solve for himself. We believe, however, that no better use could be made of one of these quarters than to exchange it for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, a medicine that every family should be provided with. For sale by Heath & Killmer.

One swallow does not bring spring, but one swallow of One Minute Cough Cure brings relief. Heath & Killmer.

\$33 will pay for a term of six weeks, board and thorough instruction in music at the Musical College, Freeburg, Snyder county, Pa. Summer Term begins July 10. For particulars address, Henry B. Moyer.

Did you ever think how readily the blood is poisoned by constipation? Bad blood means bad health and premature old age. DeWitt's Little Early Risers, the famous little liver pills, overcome obstinate constipation. Heath & Killmer.

Young mothers dread the summer months on account of the great mortality among children caused by bowel troubles. Perfect safety may be assured those who keep on hand DeWitt's Colic & Cholera cure, and administer it promptly. For cramps, bilious colic, dysentery and diarrhoea, it affords instant relief. Heath & Killmer.

Eczema is a frightful affliction, but like all other skin diseases it can be permanently cured by applications of DeWitt's Witch Hazel Salve. It never fails to cure piles. Heath & Killmer.

R. H. STILLSON. In the spring a young man's fancy lightly turns to thoughts of—DeWitt's Little Early Risers, for they always cleanse the liver, purify the blood, and invigorate the system. Heath & Killmer.

A. L. Wooster, a prominent citizen of Onondaga, Mich., after suffering excruciatingly from piles for twenty years, was cured in a short time by using DeWitt's Witch Hazel Salve, an absolute cure for all skin diseases. More of this preparation is used than all others combined.
