It is a significant fact that no Democrat yet spoken of for the Presidential nomination has been able to secure a delegate outside of his own State.

Since the swindle known as filled cheese made its appearance in this country the exports of cheese have declined 40 per cent. The adulteration of food is injurious to health and ruinous to commerce, and it ought to be stamped out as one of the worst frauds of the time.

ENGLAND'S difference with Venezuela will probably be settled by a small indemnity from the latter country. There was very little to the controversy outside of Lord Salisbury's attack on the Monroe doctrine, and that will be mentioned by biographers as his greatest mistake.

SENATOR QUAY concedes Major McKinley 479 delegates sure at the St. Louis convention, and predicts his nomination on first ballot. When the Senator makes that kind of a prediction, set it down that it will happen. He also thinks the Pennsylvania platform sound enough for the National convention to stand upon.

The national convention of the Prohibition party, which met in Pittsburgh last week was a stormy gathering indeed, and finally split on the financial rock. The platform adopted is what is known as the narrow-gauge kind, embracing simply prohibition, and this did not suit the broad-gaugers, and they walked out of the convention. Joshua Levering of Baltimore was nominated for President, and Hale Johnson for Vice President.

BOSS HARRITY talked nonsense last week when he told a New York reporter that if McKinley is nominated by the Republicans the Democrats will carry New York, Indiana, New Jersey and Connecticut. The Democratic candidate against McKinley this year will do well if he carries four Southern states, and nobody knows that better than Mr. Harrity. With McKinley as the candidate of the Republicans there will be a sweep politically such as this country never saw before, and Mr. Harrity knows that, too.

An immigration bill, a modification of the Stone bill, passed the lower house of Congress last Wednesday. The bill excludes all persons between the ages of 16 and 60 who cannot read and write some language. It also excludes persons who come across merely to perform labor, and with no intention of becoming citizens. It declares all labor contracts with aliens void, and makes a violation of this feature punishable by a fine of \$1,000 or one year's imprisonment, either or both. The bill also imposes a tax of 50 cents a head on every immigrant. The aged parents of children who have become citizens of the United States are excluded from the provisions of the act.

The Worst Tornado of Modern Times.

A terrible cyclone swept over the city of St. Louis on Wednesday afternoon last, and death and destruction marks its pathway through the twin cities. The list of the dead is simply appalling, and even at this date it is scarcely known how many lives were lost in the awful desolation, but the number will doubtless reach the one thousand mark, though the exact number, as in the great Johnstown flood, will never be known. Many smaller towns in Missouri and Illinois also suffered frightful damage from the hurricane. The number of injured, many of them fatally, will swell the list very greatly. A district in the city bounded on the north by Chouteau avenue, west by Grand avenue, south to the city limits and east to the river, is virtually a mass of ruins.

Within this territory scarcely a building has escaped injury and thousands of them are in ruins. The storm literally cut a swath through the city half a mile wide and four miles long, leaving little standing in its wake. Many steamers on the river were destroyed and but few of those on board were saved. Of the loss by drowning there can be no definite estimate formed, but the numbers run up into the hundreds. Thousands are homeless, their property having been swept away in the twinkling of an eye, but relief has been pouring in from all sections and the poor and destitute are being cared for as well as the circumstances will permit. The property loss in the devastated district is almost beyond computation, the lowest estimates placing the amount all the way from \$20,000,000 to \$30,000,000.

"Rose" Buck Dead.

At 12:30 Thursday morning last, Boston Buck, whose name is familiar to almost every one in this part of Pennsylvania, died at the residence of his son-in-law, Charles B. Fowler, who lives on the Meadville pike, near Franklin. Mr. Buck was a man of great force of character, and was possessed of the hardy virtues of the pioneer. He was of a hospitable nature, and in his home was ever kind and affectionate, his children being devotedly attached to him. Some of the troubles of his later years were due to designing and malicious persons. Mr. Buck had for some time been compiling a work that would have vindicated his life from the aspersions cast upon it, but his task was interrupted by his last illness. The deceased was 76 years old at the time of his death, and up until his last illness he continued to possess his remarkable physical power, which has characterized him throughout his eventful life. He had been in poor health for some time and the immediate cause of his death was dropsy. He is survived by his wife, Elizabeth Buck, of Leekingville, and six children, all grown up.

Populist Meeting.

The Populists of Forest Co. will hold their County Convention at the Court House on Friday afternoon, June 5th, for the nomination of county officers and the election of delegates to the State Convention, which meets in Pittsburg, August 5th. The delegates elected to the State Convention will also act as Congressional Conferees to nominate a candidate for Congress.

The Convention on Friday at the Court House is called as a mass convention, and everybody in sympathy with and believing in the principles of the Omaha platform, is cordially invited to be present and take part in the proceedings of the convention.

A mass meeting will be held in the evening which will be addressed by "Farmer Dean," "Dr. More," and other prominent speakers. Everybody is especially invited to be present at this evening meeting.

Mothers will find Chamberlain's Cough Remedy especially valuable for croup and whooping cough. It will give prompt relief and is safe and pleasant. Mrs. R. DeYoung, Middleburg, Ia., writes: I have used One Minute Cough Cure for six years, both for myself and children, and I consider it the quickest acting and most satisfactory cough cure I have ever used. Heath & Killmer.

Mr. James Perdue, an old soldier residing at Monroe, Mich., was severely afflicted with rheumatism but received prompt relief from pain by using Chamberlain's Pain Balm. He says: "At times my back would ache so badly that I could hardly raise up. If I had not gotten relief I would not be here to write these few lines. Chamberlain's Pain Balm has done me a great deal of good and I feel thankful for it." For sale by Heath & Killmer.

One minute is the standard time, and One Minute Cough Cure is the standard preparation for every form of cough or cold. It is the only harmless remedy that produces immediate results. Heath & Killmer.

If it required an annual outlay of \$100 to insure a family against any serious consequence from an attack of bowel complaint during the year there are many who would feel it their duty to pay it; that they could not afford to risk their lives and the lives of their family for such an amount. Any one can get this insurance for 25 cents, that being the price of Chamberlain's Colic, Cholera and Diarrhoea Remedy. In almost every neighborhood some one has died from an attack of bowel complaint before medicine could be procured or a physician summoned. One or two doses of this remedy will cure any ordinary case. It never fails. Can you afford to take the risk for so small an amount? For sale by Heath & Killmer.

Eczema is a frightful affliction, but like all other skin diseases it can be permanently cured by applications of DeWitt's Witch Hazel Salve. It never fails to cure piles. Heath & Killmer.

A. L. Wooster, a prominent citizen of Osseo, Mich., after suffering excruciatingly from piles for twenty years, was cured in a short time by using DeWitt's Witch Hazel Salve, an absolute cure for all skin diseases. More of this preparation is used than all others combined.

Young mothers dread the summer months on account of the great mortality among children caused by bowel troubles. Perfect safety may be assured them who keep on hand DeWitt's Colic & Cholera cure, and administer it promptly. For cramps, bilious colic, dysentery and diarrhoea, it affords instant relief. Heath & Killmer.

One swallow does not bring spring, but one swallow of One Minute Cough Cure brings relief. Heath & Killmer.
