Gov. ALTGELD seems to exist nowadays principally for the purpose of making success as easy as possible for the Illinois Republicans.

If the political interrogators will only have a little patience, all of their questions will be answered in McKinley's letter of acceptance.

It is evident that the Illinois Democrats are going to renominate Altgeld; and it is very certain that in so doing they will promote the great Republican victory.

THE President vetoed a widow's pension bill the other day because the widow had remarried.

HON. DAVID L. KREBS, and Col. Geo. M. Brisban, of this county, and Col. Jack Spangler of Bellefonte, have announced this week as candidates for Congress in this county on the Democratic ticket.

In the spring a young man's fancy lightly turns to thoughts of—DeWitt's Little Early Bitters for they always cleanse the liver, purify the blood, and invigorate the system.

Mrs. R. DeYoung, Middleburg, Pa., writes: I have used One Minute Cough Cure for six years, both for myself and children, and I consider it the quickest acting and most satisfactory cough cure I have ever used.

Mr. James Perdue, an old soldier residing at Monroe, Mich., was severely afflicted with rheumatism but received prompt relief from pain by using Chamberlain's Pain Balm.

One Minute is the standard time, and One Minute Cough Cure is the standard preparation for every form of cough or cold. It is the only harmless remedy that produces immediate results.

If it required an annual outlay of \$100 to insure a family against any serious consequences from an attack of bowel complaint during the year there are many who would feel it their duty to pay it; that they could not afford to risk their lives and those of their family for such an amount.

A. L. Wooster, a prominent citizen of Oneida, Mich., after suffering excruciatingly from piles for twenty years, was cured in a short time by using DeWitt's Hives and Salve, an absolute cure for all skin diseases.

Young mothers dread the summer months on account of the great mortality among children caused by bowel troubles. Perfect safety may be assured those who keep on hand DeWitt's Colic & Cholera cure, and administer it promptly.

One swallow does not bring spring, but one swallow of One Minute Cough Cure brings relief. Heath & Killmer.
