Platner of Hickory township, was saddened by the taking off of their bright little seven-year-old daughter, Floy, on Saturday night last. The cause of the little sufferer's death was a very strange one. About four weeks ago, while at play, she accidentally swallowed, or, rather, inhaled, a timothy head about 24 inches in length. This found its way into the right lung, and there lodged and formed an abscess, terminating in the child's death as above stated. The funeral services were held on Monday. The heartbroken parents have the sincere sympathy of the entire neighborhood in their sad bereavement.

-The following complimentary mention of Forest county appears in the Pittsburg Commercial Gazette of a recent date: Because there is a demand for an enlargement of the Allegheny county jail it does not follow that the people of Allegheny county are more wicked than they were at the time the jail was built. As pointed out by the warden, there has been a great increase in population since that time. Still it would be more gratifying if a report of a decrease of crime were in order in spite of the increase in population, and to contemplate the nearer approach of conditions like those which prevail up in Forest county, with more frequency, seemingly, than in any other county in the state. Republicans Organize in Kingsley.

Last Saturday evening the Republicans of Kinssley township, organized a Me-Kinley club, the meeting being held in Bauer's hall, at Kellettville. The following officers were elected: President, Dr. Y. Detar; 1st Vice President, R. Z. Gillespie; 2d Vice President, Richard Ledebur; Secretary, John Shaw; Treasurer, A. H. Downing; with a strong and active Executive Committee. The rain in the afternoon and the threatening weather of the evening kept a large number from attending, yet there was a very good-sized crowd present notwithstanding these disadvantages, and the number enrolled as members for a starter was over seventy-five, a remarkably fine showing for such short notice and little

preparation. Three or four of Tionesta's enthusiastic club members were present, among them Hon, Charles A. Randall, who was called upon and responded in a very encouraging little speech of fifteen or tweuifferent phases of the ensuing campossible, more alive than ever, and will prosperity and good sound government, The executive committee will meet tonight to arrange for the completion of the

organization. Saturday's Ball Game,

The base ball team from Snydersburg, Clarion county, came over Saturday and played a return game of ball with the Tionesta boys. The day was very unfavorable for a good game of ball, as there was a drizzling rain most all day, but about 3 o'clock it slackened and the game was started. There were very few people present, and, financially speaking,

the game was not much of a success, It was a very one-sided game from start to finish, consequently there was very little excitement. The Snydersburg boys were not in it at any stage of
